*Elemental Power Fighters* Kairi Soulnet,2013-09 On the Dead Planet in the Heritia galaxy, demons converge to prepare for battle. They are led by Kazar, the most evil of demons. He has a devious plan to overtake the galaxy and to rule Heritia, but to do so he must first conquer those with powers that threaten his agenda. For instance, on the planet of Alkemmila, it is possible for youth to connect with nature and learn to harness its elemental power or strength. One such youth is Shun Kazano, Kazar's main target. Kazar murdered Shun's parents, leaving him an orphan. Since the loss of his parents, however, Shun has become strong. He has harnessed the power of the wind, and even well-trained soldiers and fellow power fighters don't stand a chance against him. Although Kazar wants to add Shun's strength to his own, Shun chooses instead to fight against him. Shun is not alone in the battle against Kazar. There are others with power over the elements, and with the right training they could become an army worthy to fight the demons of the Dead Planet. Shun keeps his past a secret, though-something that could cause a rift among the fighters. Will an argument give Kazar a way to win and rule the galaxy, or will Shun and his new friends fulfill their destiny and save the galaxy from a ruthless, evil dictator?
