Kita Ikki and the Making of Modern Japan Brij Tankha, 2021-11-22 This study of Kita Ikki, one of Japan's influential pre-war ideologues, focuses on the twin poles of nationalism and socialism that inform his three principal works, located always in the context of the dominance of Western imperialism at that time. The second half of the book contains the first complete English translation of *The Fundamental Principles for the Reorganization of Japan*.

Encyclopedia of Computer Graphics and Games Newton Lee, 2024-01-19 Encyclopedia of Computer Graphics and Games (ECGG) is a unique reference resource tailored to meet the needs of research and applications for industry professionals and academic communities worldwide. Konoe Fumimaro and the Failure of Peace in Japan, 1937-1941 Kazuo Yagami, 2006-02-16 The blame for a country's mistakes often falls on its leaders. In some cases, however, a leader's greatest mistake is to promote the mistaken goals of his people. Was this the case in World War II Japan? This book considers that question in the story of Konoe Fumimaro, who served as Japan's prime minister during one of the most difficult periods of the country's history. This historical biography is a balanced account of Konoe and his service as prime minister before and during World

War II. Governing from 1937 to 1941, Konoe played a key role in the struggle to develop Japanese foreign policy. Beginning with Konoe's education and political training, the author then explores the general mood of 1930s Japan and traces Konoe's rise through the political ranks, including his first term as prime minister, his decision to step down, and his eventual comeback. Especially emphasized is how the man himself affected this period of Japanese history. In his relentless work regarding Japanese-American diplomacy, he attempted to change the destructive course on which Japan was bent. Defeated in essence by his own military and its growing autonomy, Konoe nevertheless took the Japanese defeat to heart. The final chapter examines Konoe's war experience and its aftermath, which culminated in his suicide.

Transitions in Continental Philosophy Arleen B. Dallery, Stephen H. Watson, E. Marya Bower, 1994-01-01 This book challenges and renews the discussions that have historically characterized the tradition of continental thought in the areas of ethics, feminism, aesthetics, and political theory. The classical origins of this tradition--phenomenology, existentialism, and hermeneutics--emerged according to models that were foundational and systematic in character. The book shows that continental philosophy is now woven between counter-discourses and concrete interventions, complicated in the relationship between theory and practice; that is, in the transition between concept and determination, idea and intuition, the ontic and the ontological, experience and judgment.

The Middle Works of John Dewey, Volume 13, 1899 - 1924 John Dewey, 2008 Volume 11 brings together all of Dewey's writings for 1918 and 1919. A Modern Language Association Committee on Scholarly Editions textual edition. Dewey's dominant theme in these pages is war and its aftermath. In the Introduction, Oscar and Lilian Handlin discuss his philosophy within the historical context: The First World War slowly ground to its costly conclusion; and the immensely more difficult task of making peace got painfully under way. The armistice that some expected would permit a return to normalcy opened instead upon a period of turbulence that agitated further a society already unsettled by preparations for battle and by debilitating conflict overseas. After spending the first half of 1918-19 on sabbatical from Columbia at the University of California, Dewey traveled to Japan and China, where he lectured, toured, and assessed in his essays the relationship between the two nations. From Peking he reported the student revolt known as the May Fourth Movement. The forty items in this volume also include an analysis of Thomas Hobbes's philosophy; an affectionate commemorative tribute to Theodore Roosevelt, our Teddy; the syllabus for Dewey's lectures at the Imperial University in Tokyo, which were later revised and published as *Reconstruction in Philosophy*; an exchange with former disciple Randolph Bourne about F. Matthias Alexander's *Man's Supreme Inheritance*; and, central to Dewey's creed, *Philosophy and Democracy*. His involvement in a study of the Polish-American community in Philadelphia--resulting in an article, two memoranda, and a lengthy report--is discussed in detail in the Introduction and in the Note on the Confidential Report of Conditions among the Poles in the United States.

From Honto Jin to Bensheng Ren Shih-jung Tzeng, 2009-05-16 This book attempts to use numerous volumes of mostly unpublished diaries for examining issues of Taiwanese identity. Using the diaries of two Taiwanese intellectuals, the author examines how the Taiwanese national consciousness emerged and was reconstructed under the Japanese and Chinese Nationalist rule between 1920 and 1955, suggesting that a multi-dimensional Taiwanese national consciousness was created in the 1920s. Nevertheless, between 1937 and 1945, it was reconstructed by the imperial war mobilization. It then underwent a further reconstruction during and after the regime change from Japan to China, leading to the emergence of the bensheng ren (native Taiwanese) consciousness. The emerging international Cold War environment enabled the creation of a de facto independent state based on Taiwan-size governance, which had an impact on shaping the bensheng ren identity.

When Can We Go Back to America? Susan H. Kamei, 2022-09-27 An oral history about Japanese internment during World War II, after the bombing of Pearl Harbor, from the perspective of children and young people affected--

Game Design Deep Dive Joshua Bycer, 2019-09-20 The Game Design Deep Dive series examines specific game systems or mechanics over the course of the history of the industry. This book examines the history of jumping – one of the oldest mechanics in the industry – and how it has evolved and changed over the years. The author looks at the transition from 2D to 3D and multiple elements that make jumping more complicated than it looks from a design perspective. Key Selling Points: The first in a series of books that focus entirely on a singular game design system or mechanic, in this case: jumping. A perfect read for anyone interested in understanding game design, or just curious from a historical standpoint. A must read for anyone interested in building their own platformer or just interested in the history of the game industry's most famous game mechanic. This book is a perfect companion for someone building their first game or as part of a game design classroom. Includes real game examples to highlight the discussed topics and mechanics. Joshua Bycer is a Game Design Critic with more than seven years of experience critically analyzing game design and the industry itself. In that time, through Game-Wisdom, he has interviewed hundreds of game developers and members of the industry about what it means to design video games. He also strives to raise awareness about the importance of studying game design by giving lectures and presentations; his first book was titled 20 Essential Games to Study.

References on the Physical Oceanography of the Western Pacific Ocean United States. Hydrographic Office, 1953

Imperial Eclipse Yukiko Koshiro, 2013-05-10 The Pacific War narrative of Japan's defeat that was established after 1945 started with the attack on Pearl Harbor, detailed the U.S. island-hopping campaigns across the Western Pacific, and culminated in the atomic bombings of Hiroshima and Nagasaki, Japan's capitulation, and its recasting as the western shore of an American ocean. But in the decades leading up to World War II and over the course of the conflict, Japan's leaders and citizens were as deeply concerned about continental Asia and the Soviet Union, in particular as they were about the Pacific theater and the United States. In *Imperial Eclipse*, Yukiko Koshiro reassesses the role that Eurasia played in Japan's diplomatic and military thinking from the turn of the twentieth century to the end of the war. Through unprecedented archival research, Koshiro has located documents and reports expunged from the files of the Japanese Cabinet, ministries of Foreign Affairs and War, and Imperial Headquarters, allowing her to reconstruct Japan's official thinking about its plans for continental Asia. She brings to light new information on the assumptions and resulting plans that Japan's leaders made as military defeat became increasingly certain and the Soviet Union slowly moved to declare war on Japan (which it finally did on August 8, two days after Hiroshima). She also describes Japanese attitudes toward Russia in the prewar years, highlighting the attractions of communism and the treatment of Russians in the Japanese empire; and she traces imperial attitudes toward Korea and China throughout this period. Koshiro's book offers a balanced and comprehensive account of imperial Japan's global ambitions.

Publication United States. Hydrographic Office, 1953

Japan's Total Empire Louise Young, 1998 At the heart of the empire Japan won and then lost in the Pacific War was Manchukuo, a puppet state created in Northeast China in 1932. Not unlike India for the British, Manchukuo was the crucible and symbol of empire for the Japanese. In this book, the first social and cultural history of Japan's construction of Manchuria, Louise Young studies how people at home imagined, experienced, and built the empire that so threatened the world.

Social and Economic Conditions Among Japanese Farmers in California Kaizo Naka, 1974

Shakai Kaizo - Seratus Tahun Reformasi Jepang Susy Ong, 2019-07-29 Tahun 1918, di Jepang terjadi kerusuhan nasional, penjarahan toko beras dan penyerangan kantor polisi. Kerusuhan itu dipicu inflasi dan kesenjangan sosial yang makin parah sehingga masyarakat merasa frustrasi. Meluasnya paham demokrasi dan kesadaran hak hidup juga menjadi pemicu kerusuhan massal tersebut. Pemerintah pun sadar bahwa paham demokrasi saja tidak cukup. Pemerintah perlu segera merumuskan dan menjalankan kebijakan reformasi sosial demi kesejahteraan rakyat banyak.

Pemahaman tersebut muncul dalam slogan 'dari demokrasi ke reformasi.' Mulai 1919, pemerintah, pengusaha dan akademisi bekerja sama merumuskan kebijakan sosial, berupa pendidikan luar sekolah untuk meningkatkan kompetensi kerja rakyat, dan kebijakan rekreasi agar rakyat punya kesempatan refreshing, sebelum kembali bekerja dengan penuh semangat. Tahun ini tepat 100 tahun dimulainya reformasi Jepang (1919-2019). Semoga pengalaman dan keberhasilan Jepang tersebut dapat menjadi masukan bagi kita di Indonesia.

Historical Dictionary of Husserl's Philosophy John J. Drummond, 2007-12-20 Edmund Husserl (1859-1938) is widely regarded as the founding figure of the philosophical movement of 'phenomenology.' Husserl's philosophical program was both embraced and rejected by many, but in either case, his ideas set the stage for and exercised an enormous influence on the development of much of the philosophy that followed. In particular, his thought provides the backdrop and impetus for movements such as existentialism, hermeneutics, and deconstruction. Also, because of his career-long concerns with logic and mathematics, there are many points of contact between Husserl's phenomenology and so-called 'analytical philosophy,' further cementing study of Husserl's thought across the philosophical spectrum. The Historical Dictionary of Husserl's Philosophy provides the means to approach the texts of Husserl, as well as those of his major commentators. This is done through a chronology, an introductory essay, an extensive bibliography, and hundreds of cross-referenced dictionary entries on key terms and neologisms, as well as brief discussions of Husserl's major works and of some of his most important predecessors, contemporaries, and successors.

The Palgrave Handbook of German Idealism and Phenomenology Cynthia D. Coe, 2021-06-23 This volume examines the complex dialogue between German Idealism and phenomenology, two of the most important movements in Western philosophy. Twenty-four newly authored chapters by an international group of well-known scholars examine the shared concerns of these two movements; explore how phenomenologists engage with, challenge, and critique central concepts in German Idealism; and argue for the continuing significance of these ideas in contemporary philosophy and other disciplines. Chapters cover not only the work of major figures such as Husserl, Heidegger, and Merleau-Ponty, but a wide range of philosophers who build on the phenomenological tradition, including Fanon, Gadamer, and Levinas. These essays highlight key themes of the nature of subjectivity, the role of intersubjectivity, the implications for ethics and aesthetics, the impact of time and history, and our capacities for knowledge and understanding. Key features: · Critically engages two of the major philosophical movements of the last 250 years · Draws on the insights of those movements to address contemporary issues in ethics, theory of knowledge, and political philosophy · Expands the range of idealist and phenomenological themes by considering them in the context of gender, postcolonial theory, and environmental concerns, as well as their global reach · Includes new contributions from prominent, international scholars in these fields This Handbook is essential reading for all scholars and advanced students of phenomenology and German Idealism. With chapters on Beauvoir, Sartre, Scheler, Schutz, Stein, and Ricoeur, The Palgrave Handbook of German Idealism and Phenomenology is also ideal for scholars researching these important figures in the history of philosophy.

Japan's Postwar Party Politics Masaru Kohno, 2020-11-10 In this sophisticated theoretical work, Masaru Kohno presents a systematic reexamination of the evolution of party politics in Japan since the end of the second World War. Because of the long one-party dominance by the Liberal Democratic Party, Japan's parliamentary democracy has often been viewed as unique in the developed world, and most of the existing studies of Japanese party politics have addressed such determinants as its political culture, historical background, and socio-ideological cleavages. According to the author, these explanations do not adequately account for some of the most important changes that took place in Japanese party politics during the postwar period. This study advances an alternative set of interpretations based on a microanalytic approach that highlights the incentive and bargaining power of individual political actors, and their competitive and strategic behavior under existing institutional constraints. According to Kohno, the evolution of political life in postwar Japan depends on the same factors that are acknowledged to be at work in other industrialized

nations. He reveals, through detailed case studies of government formation processes and statistical examinations of candidate nomination patterns, that the microanalytic approach can establish forward-looking and internally consistent interpretations of the postwar development of Japanese party politics. Because Japan has usually been treated as a country of unique cultural, historical, and societal characteristics, the analyses of this study point to the broader applicability of the microanalytic approach in the field of comparative politics, especially for the exploration of party competition in advanced industrial democracies.

The Cultural Evolution of Postwar Japan Christopher Keaveney, 2013-12-05 Yamamoto Sanehiko's (1885-1952) achievements as a publisher, writer, and politician in the interwar period served as both a catalyst and a template for developments after the wars. While exploring the accomplishments the compelling figure, this study sheds new light on the social, cultural, and political changes that occurred in postwar Japan.

Redacted Jonathan E. Abel, 2012-08-18 "Redacted is a major work of original scholarship and a signal critical accomplishment. With impressive daring and persistence, Jonathan Abel has investigated rarely used archives to open a body of materials virtually unknown to English-language readers. This is a stunning achievement, and it is sure to change the landscape of Japanese literary studies." - Marilyn Ivy, author of *Discourses of the Vanishing: Modernity, Phantasm, Japan* "A masterful blending of incisive, close textual analysis, subtle situating of literary texts in their historical moments, attention to the very materiality of book culture, Redacted is a truly original thinking about how literature is formed and malformed, written, received, and read, under the pressure of censorship. It does nothing less than reveal a complex but hidden history of modern Japanese literature. A thrilling example of literary historical scholarship that combines the palpable excitement of archival work and the elucidating intensity of close reading." - Alan Tansman, author of *The Aesthetics of Japanese Fascism*

Networking the International System Madeleine Herren, 2014-06-13 The book critically investigates the local impact of international organizations beyond a Western rationale and aims to overcome Eurocentric patterns of analysis. Considering Asian and Western examples, the contributions originate from different disciplines and study areas and discuss a global approach, which has been a blind spot in scholarly research on international organizations until now. Using the 1930s as a historical reference, the contributions question role of international organizations during conflicts, war and crises, gaining insights into their function as peacekeeping forces in the 21st century. While chapter one discusses the historicity of international organizations and the availability of sources, the second chapter deliberates on Eurocentrism and science policy, considering the converging of newly created epistemic communities and old diplomatic elites. Chapter 3 sheds light on international organizations as platforms, expanding the field of research from the diversity of organizations to the patterns of global governance. The final chapter turns to the question of how international organizations invented and introduced new fields of action, pointing to the antithetic role of standardization, the preservation of cultural heritage and the difficulties in reaching a non-Western approach.

Kaizo Introduction

Kaizo Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Kaizo Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Kaizo : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Kaizo : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Kaizo Offers a diverse range of free eBooks across various genres. Kaizo Focuses mainly on educational books, textbooks,

and business books. It offers free PDF downloads for educational purposes. Kaizo Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Kaizo, especially related to Kaizo, might be challenging as they're often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Kaizo, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Kaizo books or magazines might include. Look for these in online stores or libraries. Remember that while Kaizo, sharing copyrighted material without permission is not legal. Always ensure you're either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Kaizo eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Kaizo full book, it can give you a taste of the author's writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Kaizo eBooks, including some popular titles.

FAQs About Kaizo Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to

verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Kaizo is one of the best book in our library for free trial. We provide copy of Kaizo in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Kaizo. Where to download Kaizo online for free? Are you looking for Kaizo PDF? This is definitely going to save you time and cash in something you should think about.
