Trump: The Art of the Deal Donald J. Trump,Tony Schwartz,2009-12-23 President Donald J. Trump lays out his professional and personal worldview in this classic work—a firsthand account of the rise of America’s foremost deal-maker. “I like thinking big. I always have. To me it’s very simple: If you’re going to be thinking anyway, you might as well think big.”—Donald J. Trump Here is Trump in action—how he runs his organization and how he runs his life—as he meets the people he needs to meet, chats with family and friends, clashes with enemies, and challenges conventional thinking. But even a maverick plays by rules, and Trump has formulated time-tested guidelines for success. He isolates the common elements in his greatest accomplishments; he shatters myths; he names names, spells out the zeros, and fully reveals the deal-maker’s art. And throughout, Trump talks—really talks—about how he does it. Trump: The Art of the Deal is an unguarded look at the mind of a brilliant entrepreneur—the ultimate read for anyone interested in the man behind the spotlight. Praise for Trump: The Art of the Deal “Trump makes one believe for a moment in the American dream again.”—The New York Times “Donald Trump is a deal maker. He is a deal maker the way lions are carnivores and water is wet.”—Chicago Tribune “Fascinating . . . wholly absorbing . . . conveys Trump’s larger-than-life demeanor so vibrantly that the reader’s attention is instantly and fully claimed.”—Boston Herald “A chatty, generous, chutzpa-filled autobiography.”—New York Post

Van Gogh 100 Joseph Masheck,1996-01-30 This volume commemorates the 100th anniversary of Vincent van Gogh's death. Major van Gogh scholars present essays that reexamine the painter's place in the art world of his time, the phenomenal growth in his reputation, and his influence on later art movements and individual artists. At the time of his death and for some years after, there was a question as to whether van Gogh's approach would gain recognition. Today, he is seen as one of the most popular and recognized of the world's artists, and his impact on 20th-century art is unquestioned. How and why this occurred is a major theme throughout this essay collection. Among the topics examined are iconography; van Gogh's poetry as well as the literature that influenced him and that he, in turn, influenced; psychological and religious aspects of van Gogh's painting and self-imaging; and how van Gogh has been interpreted. A section on his legacy in art concludes this major reassessment of van Gogh's place in art history. An important collection for art scholars and researchers as well as public library patrons.
