Tourism Informatics Tokuro Matsuo, Kiyota Hashimoto, Hidekazu Iwamoto, 2015-07-14 This book introduces new trends of theory and practice of information technologies in tourism. The book does not handle only the fundamental contribution, but also discusses innovative and emerging technologies to promote and develop new generation tourism informatics theory and their applications. Some chapters are concerned with data analysis, web technologies, social media and their case studies. Travel information on the web provided by travelers is very useful for other travelers make their travel plan. A chapter in this book proposes a method for interactive retrieval of information on accommodation facilities to support travelling customers in their travel preparations. Also an adaptive user interface for personalized transportation guidance system is proposed. Another chapter in this book shows a novel support system for the collaborative tourism planning by using the case reports that are collected via Internet. Also, a system for recommending hotels for the users is proposed and evaluated. Other chapters are concerned with recommendation, personalization and other emerging technologies.

TIEWLASUD SAGA (ENGLISH VERSION) 田舎者田舎者田舎者 THiNKNET, 2018-03-02 TIEWLASUD SAGA provides readers with travel guides, along with actual pictures, to tourist attractions, shopping centers, famous restaurants, and hotels in the Saga prefecture, which is divided into 6 areas containing 120 places in total. : The guidebook provides essential information of each place in detail, such as opening hours, location, transportation, expenses, etc. Names of places are also provided in 3 languages: Thai, English, and Japanese. : The guidebook provides what travelers should know before making a visit to the prefecture, such as festivals in different seasons, airport access, and local transportation. : The guidebook contains detailed maps showing locations of every place for travelers' convenience. : The guidebook also has Radar Maps in each area to recommend famous attractions and how to get to such places to readers. : There is an index categorized by types of attractions for readers to easily look up the information they need.

Karatsu Ware Johanna Becker (O.S.B.), 1986

Japanese Castles in Korea 1592-98 Stephen Turnbull, 2012-10-20 The Japanese invasion and occupation of Korea, which lasted from 1592 to 1598, was the only occasion in Japanese history when samurai aggression was turned against a foreign country. During the occupation of Korea the Japanese built 25 wajo or castles. Unlike the castles built in Japan, these fortifications were never developed or modernized after the Japanese departure. The details of late 16th-century castle construction are therefore better preserved than at many other sites. Written by Stephen Turnbull, an expert in the subject, this book examines the castles built by the Japanese in Korea, as well as the use made of existing Korean fortifications, particularly city walls. This resulted in curious hybrid fortifications that dominated the landscape until the Japanese were pushed out of the peninsula by a furious onslaught from huge Chinese armies.

The Bushido Code Tadashi Kamiko, 2023-05-23 Words of wisdom from great samurai leaders: A collection of inspiring essays and aphorisms from Japan's leading warriors Samurai warrior leaders had to deal with grim conditions of life, death and survival. But such men were not simply rough uneducated fighters: they often personified the Far Eastern ideal of balancing cultural awareness and artistic expertise with high martial abilities. Their sayings, precepts and the anecdotes about them are informed by a broad spectrum of interests, many of which are still relevant today. Advice in this book includes: You should not envy the swords and clothing of others. It goes without saying that you should arrange your hair early in the morning if you are going out to your work, but this should be done even if you are thinking of staying at home. When you think too much, it is difficult to achieve your objectives. If you are too clever and look too far ahead, you will accomplish nothing. If you have some pressing or urgent affair, write it down with a calm state of mind. Your regular meals should be light, and you should not take a trivial liking for elegant cuisine. If

someone promotes only those things the lord finds acceptable, and never remonstrates with him at all, you should watch that man carefully. No matter how wise a person may be, you should never depend fully on him but rather, understand that you are always on your own. Covering universal themes ranging from the courage and ambition to face daily affairs, the insights and strategies necessary to deal with allies and opponents, the value of art and literature, and even why and how to save money-- this is a book whose ancient wisdom is still highly relevant and of great value to readers today.

This Thursday Marks One Year Paweł Jałoszyński, 2024-02-02 After immersing himself for years in the captivating allure of Japan, Jan faces the daunting prospect of returning to Europe. However, he finds himself addicted to the beauty of the Land of the Rising Sun, desperately needing an antidote to his overwhelming attachment. A psychiatrist crafts an experimental therapy for him, aimed at unlocking his ability to thrive away from the places he has grown to adore. In this unique treatment, Jan is joined by Nanako, the captivating Miss of Ibaraki Prefecture. As his guide, her mission is to help Jan detach from his deep-rooted emotions – a task that risks the well-being of those around him. Nanako, with her own hidden complexities, introduces Jan to the lesser-seen facets of Japan, exposing the ugliness that lurks beneath its surface. Her own beauty and mysterious past add layers of challenge to the therapy, leading to unforeseen outcomes. Their journey is a dance of contrasts, weaving through the beauty and darkness of Japan, confronting good and evil, and challenging aesthetic and emotional perceptions. For Jan, even his profound knowledge of Japan is put to the test by Nanako's unpredictable guidance, forcing him to confront his own cynicism and tendency to manipulate others for his objectives. Their travels are accompanied by the ethereal presence of Issa, a renowned Japanese haiku poet known for his iconoclastic views. His enigmatic verses infuse their journey with an intimate and emotionally charged atmosphere, framing their exploration of Japan's other side in a poetic light.

Heritage, Contested Sites, and Borders of Memory in the Asia Pacific, 2023-10-09 Contests over heritage in Asia are intensifying and reflect the growing prominence of political and social disputes over historical narratives shaping heritage sites and practices, and the meanings attached to them. These contests emphasize that heritage is a means of narrating the past that demarcates, constitutes, produces, and polices political and social borders in the present. In its spaces, varied intersections of actors, networks, and scales of governance interact, negotiate and compete, resulting in heritage sites that are cut through by borders of memory. This volume, edited by Edward Boyle and Steven Ivings, and with contributions from scholars across the humanities, history, social sciences, and Asian studies, interrogates how particular actors and narratives make heritage and how borders of memory shape the sites they produce.

The Japan Magazine, 1927

Toyotomi Hideyoshi Stephen Turnbull, 2011-10-20 Arguably the greatest military commander in the history of the samurai, Toyotomi Hideyoshi rose from the ranks of the peasantry to rule over all Japan. A student of the great unifier Oda Nobunaga, Hideyoshi would later avenge the murder of his master at the battle of Yamazaki. After consolidating his position, Hideyoshi went on the offensive, conquering the southern island of Kyushu in 1587 and defeating the Hojo in 1590. By 1591, he had accomplished the reunification of Japan. This book looks at the complete story of Hideyoshi's

military accomplishments, from his days as a tactical leader to his domination of the Japanese nation.

ADD A TOUCH OF JAPANESE STYLE TO YOUR GARDEN - Ms Yin & Mr Yang's Garden Design Book Nigel Spaven, When I visited Kyoto, I popped into a small tea room and ended up sitting next to a young couple, Ms Yin and Mr Yang. They 'squidged up' and we got chatting. *Add a Touch of Japanese Style to your Garden - 30 Simple Ideas*, Ms Yin & Mr Yang's Garden Design Book is a fun, easy to read book, full of interesting ideas and tips. It is aimed at the everyday person who would like to learn a little bit more about Japanese gardens and perhaps how they could incorporate a few elements into their own garden without spending a fortune or having to completely re-model their garden. In this book Ms Yin and Mr Yang explain to us: · A brief history and overview of the main types of Japanese garden · Some of the considerations and simple principles for your garden · Basic pruning and how to create interesting Japanese style trees · The main trees used in Japanese gardens · Paths and stepping stones · How to use different materials and forms to create interest in your garden · The importance of water and stone and ideas on how to incorporate · Tea gardens and pavilions and how they are used and laid out. · The use of lanterns, water basins, pagodas, fences and accessories · Some simple design plans and ideas for even the smallest of spaces · A useful guide to plants we can use to create a Japanese feel So, if you fancy a cup of tea and an interesting natter with Ms Yin and Mr Yang about sharing a few ideas on how to add a touch of Japanese style to your garden this book's for you, squidge up!

Sandakan Brothel No.8 Tomoko Yamazaki, Karen F. Colligan-Taylor, 2015-03-04 This is a pioneering work on karayuki-san, impoverished Japanese women sent abroad to work as prostitutes from the 1860s to the 1920s. The narrative follows the life of one such prostitute, Osaki, who is persuaded as a child of ten to accept cleaning work in Sandakan, North Borneo, and then forced to work as a prostitute in a Japanese brothel, one of the many such brothels that were established throughout Asia in conjunction with the expansion of Japanese business interests. Yamazaki views Osaki as the embodiment of the suffering experienced by all Japanese women, who have long been oppressed under the dual yoke of class and gender. This tale provides the historical and anthropological context for understanding the sexual exploitation of Asian women before and during the Pacific War and for the growing flesh trade in Southeast Asia and Japan today. Young women are being brought to Japan with the same false promises that enticed Osaki to Borneo 80 years ago. Yamazaki Tomoko, who herself endured many economic and social hardships during and after the war, has devoted her life to documenting the history of the exchange of women between Japan and other Asian countries since 1868. She has worked directly with karayuki-san, military comfort women, war orphans, repatriates, women sent as picture brides to China and Manchuria, Asian women who have wed into Japanese farming communities, and Japanese women married to other Asians in Japan.

War in Japan Stephen Turnbull, 2022-03-17 Fully illustrated with colour maps and 50 images, this is an accessible introduction to the most violent, turbulent, cruel and exciting chapter in Japanese history. In 1467 the Onin War ushered in a period of unparalleled conflict and rivalry in Japan that came to be called the Age of Warring States. In this book, Stephen Turnbull offers a masterly exposition of the wars, explaining what led to Japan's disintegration into rival domains after more than a century of relative peace; the years of fighting that followed; and the period of gradual fusion when the daimyo (great names) strove to reunite Japan under a new Shogun. Peace returned to Japan with the end of the Osaka War in 1615. Turnbull draws on his latest research to include new material for this updated edition, covering samurai acting as mercenaries, the expeditions to Korea, Taiwan and Okinawa, and the little-known campaigns against the Ainu of Hokkaido, to present a richer picture of an age when conflicts were spread far more widely than was hitherto realised. With specially commissioned maps and all-new images throughout, this updated and revised edition provides a concise overview of Japan's turbulent Age of Warring States.

Newsletter United States. Department of State,1994

Cleopatra's Nose Judith Thurman,2008-10-28 Cleopatra's Nose is an exuberant gathering of essays and profiles representing twenty years of Judith Thurman's celebrated writing, particularly her fascination with human vanity, femininity, and women's work—from haute couture to literature to commanding empires. The subjects are iconic (Jackie, the Brontës, Toni Morrison, Anne Frank) and multifarious (tofu and performance art, pornography and platform shoes, kimonos and bulimia); all inspire dazzling displays of craft, wit, penetration, and intelligence. Here we find explorations of voracity: hunger for sex, food, experience, and transcendence; see how writers from Flaubert to Nadine Gordimer have engaged with history; meet eminent Victorians and the greats of fashion. Whether reporting on hairstyles, strolling the halls of power, or deftly unpacking novels and their writers, Thurman never fails to provoke, inspire, captivate, and enlighten. Cleopatra's Nose is an embarrassment of riches from one of our great literary journalists.
