There's a New Kat at Scecina Stephen Peterson,2016-07-07 For better or worse, virtually everyone who has ever attended high school can recall events from their high school experience. It is often astounding just how much information we retain! A New Kat At Scecina looks at the experiences of two students friendship within a single year of their high school experience. One student, Makaley represents stability having had one year of the high school under her belt at Scecina. Kat (shorten for Katherine) is a new student who has traveled with her parents around the world but is new to Scecina. Despite their differences, both girls experience challenges eventually coming to realize the value of their friendship. Scecina Memorial High School is an actual Roman Catholic high school located on the northeast side of Indianapolis, Indiana. The high school has been at this location for more than 60 years. The motto of Scecina is: Give A Little Extra. Makaley and Kat do indeed give a little extra to develop and build a great lifelong friendship never to be forgotten as well as the memory of those who also gave a little extra.

Kat Tales Rae Robin,2004-03-01 Time and Place: 1843 Oregon Trail Nineteen-year-old Katherine grew up in a less-than-ideal family on a secluded farm in the Midwest. Her stepbrothers and stepfather were lazy and alcoholic, leaving Kat to do most the work and fend for herself. Kat taught herself to hunt, fish, ride, tend the livestock, and perform every other skill necessary for survival. Those skills would come in handy when her stepfather devises a hideous plan to force her to marry the old man next door. The plan fails miserably and pushes Kat to commit the unthinkable. Kat is forced to flee from the farm, but she comes up with an ingenious strategy to save herself. After joining a wagon train headed for Oregon, she meets Jack Parker. Together they overcome incredible odds to free themselves of a troubled past and begin a new life out west. Welcome to Kat Tales...

Her name is Kat Colorado and in her line of business curiosity can be more than an occupational hazard -- it can be murder. She said her name was Paige Morrell and she came to Kat Colorado hoping to untangle the twisted mystery of her past. She was a twenty-one-year-old orphan, a poor little rich girl on the verge of inheriting a wealthy old river estate -- and some very nasty surprises. But when Kat set out to solve the case, she found herself following a thread of lies, greed and deceit that led straight to the corpse of a key source to Paige's past. Now the Sacramento private eye was about to learn that in the California Delta some family secrets were better left buried . . .because uncovering them could be murder.

In Bloom Kat Jackson,2023-10-17 Nicole Callahan is certain she has endured the worst heartbreak possible. Some days, she's not sure how she got through it. Other days, she thinks she's still in it, so she's in no rush to find a new relationship. Nicole's happy by herself, mostly, but sometimes worries that if she doesn't put herself out there, the right woman will pass her by. According to Avery Pullman, love is a disaster waiting to happen. She has loved and lost more times than she would like to admit, and her last relationship did nothing but leave fresh wounds on her heart. She'd rather get scarred from the thorns in her flower shop than subject herself to another shot at true love--which probably doesn't exist, anyway. The walls Nicole and Avery have built to protect themselves are high and strong. But not even towering concrete walls can shield them from the tiny spark that takes root the moment their eyes meet. It's a spark neither expected, nor wanted--because if Nicole and Avery pull their walls down to let feelings in, they may have to face the truth that they have never really known love before.

Kat's Fall Shelley Hrdlitschka,2004-04-01 Darcy's mother is getting out of jail. Ten years ago Darcy's mom was convicted of throwing Darcy's baby sister off a fifth-floor balcony. Kat survived, but Darcy has spent the last decade raising his sister, giving her the love and support she has been denied by an absent mother and an uncaring father. Now, with their mother about to be released, their father has decided he has had enough of parental responsibility and is determined to return the children to their mother's care. Darcy is horrified, and adamant that he will not subject his sister to the woman who once tried to murder her. Struggling to understand and control the anger and resentment that has consumed him, Darcy is forced to confront his feelings and engage with the outside world. With newfound friendships and the unflagging support of his teacher, Darcy is able to understand some of the pain of the past and accept that he cannot control everything. As he grudgingly re-establishes ties with the mother he thinks he hates, he is accused of a horrific act. It will take incredible strength—his own and others—to fight the charges, but he finds that truth is often an elusive concept and that trust—and love—are powerful allies.

Kat's Promise Bonnie Shimko,2006 In this powerful coming-of-age story, a brave young girl searches for love, hope, and family after her mother dies and she moves in with her bitter, wealthy aunt.

Wicked Fox Kat Cho,2020-07-21 An addictive fantasy-romance set in modern-day Seoul. Eighteen-year-old Gu Miyoung has a secret--she's a gumiho, a nine-tailed fox who must devour the energy of men in order to survive. Because so few believe in the old tales anymore, and with so many evil men no one will miss, the modern city of Seoul is the perfect place to hide and hunt. But after feeding one full moon, Miyoung crosses paths with Jihoon, a human boy, being attacked by a goblin deep in the forest. Against her better judgment, she violates the rules of survival to rescue the boy, losing her fox bead--her gumiho soul--in the process. Jihoon knows Miyoung is more than just a beautiful girl--he saw her nine tails the night she saved his life. His grandmother used to tell him stories of the gumiho, of their power and the danger they pose to men. He's drawn to her anyway. When he finds her fox bead, he does not realize he holds her life in his hands. With murderous forces lurking in the background, Miyoung and Jihoon develop a tenuous friendship that blossoms into something more. But when a young shaman tries to reunite Miyoung with her bead, the consequences are disastrous and reignite a generations-old feud . . . forcing Miyoung to choose between her immortal life and Jihoon's.

Miss Kat's Brownstone Suzanne Muir,2022-11-11 In 1960, Katrina Morgan was at a personal crossroad in her life. She needed a reason to go forward, a project to give her purpose. She has bought a run-down brownstone apartment building on Walker Avenue in New York. The deteriorated structure is the way Katrina feels about her own life. Something she had not counted on was while the rebuilding, inside and out, was taking place, she grew to know and admire the twenty souls who have occupied the brownstone for many years. Some of the tenants are excited and willing to be a part of this renewal effort while a few are very skeptical, especially one older man. Katrina and her sister are trying to mend their own broken lives following the death of their parents and two brothers in an automobile accident. The tenants' lives and Kat's personal life began to intertwine as a strong awareness and respect starts to take shape. The surrounding brownstones lining Walker Avenue are occupied with people fearing the abrupt change. Envy and anger fills their conscious emotions. They are simply afraid. Ms. Kat's Brownstone is a story of strength, kindness, and hope.
