Laughing and crying through her own true stories, Smith reveals why couch time sessions with Carolyn empower her to take control of her life and cherish all that she has. Among her life's treasures are her girlfriends, known as the Dunwoody Girls, who have been together since elementary school. Katie's Bit and Pieces: A Family Legacy Katie Kinnard White, 2021-02-28 A book that gives you the legacy of one of Tennessee's favorite women. It gives you insight into the story that has never before been told of what hard work and education delivers. As each story unfolds, a picture is painted in your mind and messages of humor, hope, motivation, love and faith leave you feeling satisfied, awe-inspired and wanting more. The granddaughter of a slave and daughter of a sharecropper, Katie White, born in 1932, grew up on a farm near Franklin Tennessee. The second of nine children, she was guided by strong hard-working parents, influenced by the power of faith, and motivated to succeed in life through education. After receiving a doctorate degree, Katie returned to her alma mater, Tennessee State University, and became a well-respected professor, writer, and leader. During this period, she met and married Dr. Joseph White, a decorated Tuskegee pilot during World War II, a mother to two daughters. A fascinating life narrative and a book to be treasured.

Make Way for Her Katie Cortese, 2017-12-08 A girl afflicted with pyrokinesis tries to control her fire-starting long enough to go to a dance with a boy she likes. A woman trapped in a stalled marriage is excited by an alluring ex-con who enrolls in her YMCA cooking class. A teen accompanies her mother, a prestigious poet, to a writing conference where she navigates a misguided attraction to a married writer -- who is, in turn, attracted to her mother -- leaving her inventing punishments for writers who believe in clichés as tired as broken hearts. In this affecting collection, Katie Cortese explores the many faces of love and desire. Featuring female narrators that range in age from five to forty, the narratives in *Make Way for Her* speak to the many challenges and often bittersweet rewards of offering, receiving, and returning love as imperfect human beings. The stories are united by the theme of desperate love, whether it's a daughter's love for a parent, a sister's for a sibling, or a romantic love that is sometimes returned and sometimes unrequited. Cortese's complex and multilayered stories play with the reader's own desires and anticipations as her characters stubbornly resist the expected. The intrepid girls and women in this book are, above all, explorers. They drive classic cars from Maine to Phoenix, board airplanes for the first time, and hike dense forests in search of adventure; but what they often find is that the most treacherous landscapes lie within. As a result, *Make Way for Her* explores a world of women who crave knowledge and experience, not simply sex or love.

Katie's Memoir Katie M Wallace-Davis, 2022-09-20 Who are you? Where are you from? These can be loaded questions-especially depending on who is asking them-and the answers are not always simple. This book tells the journey of one woman's search for the answers to these questions, and the amazing history she uncovered along the way. *Katie's Memoirs: It Ain't All About Me* by Katie Wallace-Davis is a firsthand, multi-generational account of the great migration journey of the author's family from the Jim Crow South to the segregated North. Part memoir, part family stories, each chapter focuses on a particular person or event and spans some six generations of her family and over 100 years, from the time of her enslaved great-grandparents through to current twenty-first century relatives. Inspired by the author's journey to answer the questions, Who am I? Where am I from? and Why am I who I am? Katie has done extensive research in creating this work, including information from historical records as well as her grandmother's recollection. Hers is a story about America, one that identifies, embraces, and uplifts members of society who are often excluded, rather than included, and is an inspiring look at the ups and downs and joys and pains of a family, showing the overarching strength that wove it together through the years. Katie is from the south and moved north where she lived, learned and loved. Katie was inspired to write after exploring the effects of racism on her family.

Going There Katie Couric, 2022-06-28 Heartbreaking, hilarious, and brutally honest, *Going There* is the deeply personal life story of a girl next door turned household name. For more than forty years, Katie Couric has been an iconic presence in the media world. In her brutally honest, hilarious, heartbreaking memoir, she reveals what was going on behind the scenes of her sometimes tumultuous personal and professional life – a story she's never shared, until now. Of the medium she loves, the one that made her a household name, she says, Television can put you in a box; the flat-screen can flatten. On TV, you are larger than life but smaller, too. It is not the whole story, and it is not the whole me. This book is. Beginning in early childhood, Couric was inspired by her journalist father to pursue the career he loved but couldn't afford to stay in. Balancing her vivacious, outgoing personality with her desire to be taken seriously, she overcame every obstacle in her way: insecurity, an eating disorder, being typecast, sexism . . . challenges, and how she dealt with them, setting the tone for the rest of her career. Couric talks candidly about adjusting to sudden fame after her astonishing rise to co-anchor of the TODAY show, and guides us through the most momentous events and news stories of the era, to which she had a front-row seat: Rodney King, Anita Hill, Columbine, the death of Princess Diana, 9/11, the Iraq War . . . In every instance, she relentlessly pursued the facts, ruffling more than a few feathers along the way. She also recalls in vivid and sometimes lurid detail the intense pressure on female anchors to snag the latest get--often sensational tabloid stories like Jon Benet Ramsey, Tonya Harding, and OJ Simpson. Couric's position as one of the leading lights of her profession was shadowed by the shock and trauma of losing her husband to stage 4 colon cancer when he was just 42, leaving her a widow and single mom to two daughters, 6 and 2. The death of her sister Emily, just three years later, brought yet more trauma--and an unwavering commitment to cancer awareness and research, one of her proudest accomplishments. Couric is unsparing in the details of her historic move to the anchor chair at the CBS Evening News--a world rife with sexism and misogyny. Her welcome was even more hostile at 60 Minutes, an unrepentant boys club that engaged in outright hazing of even the most established women. In the wake of the MeToo movement, Couric shares her clear-eyed reckoning with gender inequality and predatory behavior in the workplace, and downfall of Matt Lauer--a colleague she had trusted and respected for more than a decade. Couric also talks about the challenge of finding love again, with all the hilarity, false-starts, and drama that search entailed, before finding her midlife Mr. Right. Something she has never discussed publicly--why her second marriage almost didn't happen. If you thought you knew Katie Couric, think again. *Going There* is the fast-paced, emotional, riveting story of a thoroughly modern woman, whose journey took her from humble origins to superstardom. In these pages, you will find a friend, a confidante, a role model, a survivor whose lessons about life will enrich your own.

Her son, Luke, was stillborn and she finds herself on maternity leave without a baby, trying to make sense of her loss. When a misguided well-wisher tells her that everything happens for a reason, she becomes obsessed with finding that reason, driven by grief and convinced that she is somehow to blame. Desperate to find him, she enlists an unlikely ally in Lola, an Underground worker, and Lola's seven-year-old daughter, Josephine, and eventually tracks him down, with completely unexpected results... The box contained thousands of hours of video - the work of her pioneering helicopter journalist parents. They grew rich and famous for their aerial coverage of Madonna and Sean Penn's secret wedding, the Reginald Denny beating in the 1992 Los Angeles riots, and O.J. Simpson's notorious run in the white Bronco. To Katy, these family videos were an inheritance of sorts, and a reminder of who she was before she was her own breakout success as a reporter--Dust jacket flap.
