Their Secret Son Kay Lyons, 2019-03-22 Sometimes exposing the secrets of the past is the only way to heal... Widow Skylar Mathews is desperate to help her troubled, young son, Cody and hopes returning home to Montana and family will accomplish that. But Marcus Whitefeather's surprising presence on the ranch leaves her reeling. Marcus knew he'd regret sending Skylar and their unborn son away but at the time he'd had no choice. He'd lost everything, including his ability to walk, and no way was he ready to be a father, much less a husband. Ending their relationship was the hardest--and best--thing for all of them. But now they're back and Marcus is a different man. When Cody doesn't improve, Marcus suggests the

unthinkable--that they reveal the truth not only to Cody but their families. Make the wrong right and start again. Together. But after so many years of hiding their secret son how can Marcus prove he's not only father material--but ready for more?

Montana Secrets Boxset Books 1-3 Kay

Lyons,2021-03-11 This box set includes the first three titles of the Montana Secrets series. Included are: HEALING HER COWBOY Sometimes tragedy brings... hope. He was the one. The one she loved. The one she wanted but couldn't have. Not without revealing the truth. That's why she left, why she's stayed away. And why she has to return... Seth Rowland doesn't want her to see him like this. Of all people, why her? But Grace is relentless. Challenging. Maybe if he cooperates, he'll be able to walk again. Maybe he'll get to the truth of why she'd left. Maybe this time... he'll be able to convince her to stay. IT HAD TO BE YOU Of all the people in the world for him and his daughter to love... why did it have to be them? Sheriff Jonas Taggart needs a helping hand with his daughter and Rissa and her Goth-dressing teen are definitely not it. But a heart doesn't always stick to the rules. He can't afford to fall for a woman who doesn't plan to stick around, much less one who can't control her own kid. But just his luck the girls become friends and trouble follows... Widowed pilot, Rissa Matthews' life is falling apart. Looking for a new start, she joins her cousin at the Second Chance Ranch hoping to find her own second chance. Instantly she's butting heads with the gorgeous small-town sheriff. Tension is rising and rumors are flying.

Can love happen when the odds are against it? How can this small-town sheriff keep control of his town when he can't keep control of his heart? HERS TO KEEP With all her heart Carly Taggart wants to be a mother, but without a husband there's only one way she knows to make it happen—become a foster parent. When he learns of her plan Liam is sure she's headed for it--lock, stock, and barrel. Foster kids are messed up. Broken. Trouble. He ought to know since he was one. But there's no talking sense into Carly and soon Liam finds himself dragged into the chaos and falling for her despite knowing better. She's a softie, in for a hard fall and he knows it...because those kids aren't hers to keep. But he's sticking around for her and maybe once she knows how painful it can be to let them go, she'll drop the nonsense of having kids and keep him instead...

Kin Shawna Kay Rodenberg, 2021-06-08 Explores the richness and dignity of Appalachian life ...

[Rodenberg's] stories of lives that are generally overlooked make for essential reading.--The Washington Post "Kin moved me, disturbed me, and hypnotized me in ways very few memoirs have.

—Rosanne Cash A heart stopping memoir of a wrenching Appalachian girlhood and a multilayered portrait of a misrepresented people, from Rona Jaffe Writer's Award winner Shawna Kay Rodenberg. When Shawna Kay Rodenberg was four, her father, fresh from a ruinous tour in Vietnam, spirited her family from their home in the hills of Eastern

Kentucky to Minnesota, renouncing all of their earthly possessions to live in the Body, an off-the-grid End Times religious community. Her father was seeking a better, safer life for his family, but the austere communal living of prayer, bible study and strict regimentation was a bad fit for the precocious Shawna. Disciplined harshly for her many infractions, she was sexually abused by a predatory adult member of the community. Soon after the leader of the Body died and revelations of the sexual abuse came to light, her family returned to the same Kentucky mountains that their ancestors have called home for three hundred years. It is a community ravaged by the coal industry, but for all that, rich in humanity, beauty, and the complex knots of family love. Curious, resourceful, rebellious, Shawna ultimately leaves her mountain home but only as she masters a perilous balancing act between who she has been and who she will become. *Kin* is a mesmerizing memoir of survival that seeks to understand and make peace with the people and places that were survived. It is above all about family-about the forgiveness and love within its bounds-and generations of Appalachians who have endured, harmed, and held each other through countless lifetimes of personal and regional tragedy.
