Kayle & Claire Cloud S. Riser,2018-08-26 Chasing Fools Gold Is Costly The past couple of months have been a wild ride for Jack Anderson. After discovering that he has an identical twin - a damn near carbon copy clone - he also finds out that someone has been genetically experimenting on him his entire life. But to what end, he isn't completely sure. What he does know is that he's not the only victim. Someone else has suffered from their dangerously vile, scheming ways. Enter Hyde, his non-biological brother who has fallen casualty to their most recent act: brainwashing. Jack's ex-girlfriend Claire is now involved in the chaos too, being given an ultimatum that she cannot refuse: continue out her father's messed up attempt at playing God or ultimately be replaced by another version of herself who that is a more willing participant. But when part of the plan involves acting to fall in love with Hyde, things become serious and it doesn't feel much like an act anymore and the only person standing in the way of Claire's happily ever after is a new girl on the block named Kayle.

Royal Airs Sharon Shinn,2013-11-05 Master storyteller Sharon Shinn created the thrilling and enchanting world of Welce in her acclaimed novel Troubled Waters. Return with her to that elemental

universe in this tale of secrecy, romance, and a battle for power... Josetta is a princess of one of the Five Families. But she is far from the throne, so she is free to spend her days working in the poorest sections of the city. Rafe Adova lives the life of a career gambler in those slums. He has no real ambition—until the night he helps a girl named Corene, who looks like she's stumbled into the wrong bar. Josetta is fascinated by the man who has helped her sister. Rafe is unlike anyone she's encountered—someone seemingly devoid of elemental blessings. Rafe is also drawn to Josetta, but when he is assaulted by foreign mercenaries and they discover the reason behind the attack, Rafe and Josetta realize that the truth could endanger not only their newfound love, but also their very lives...

No Place for Marriage (Murder in the Keys—Book #4) Jaden Skye, 2017-12-07

Whistling in the Dark Dale N. Walter, 2002-07 A Haunted Love Story and True Account of an Astounding Spiritual Journey Based on some riveting true stories, this is the tale of a daredevil pilot and atheist who comes to faith through his research into and encounters with supernatural phenomena and to love through his Jamaican wife Annie. The hero's story is woven into a larger account of his family, which has been plagued for centuries by a demonic being, from the mountains of Greece to present-day New England. Reminiscent of the works of Edgar Allan Poe and Nathaniel Hawthorne, the novel's dark, Gothic elements are leavened with humor and spiced with a playful sensuality that celebrates the joys of the marriage bed. (Now there's a radical idea: a book that doesn't portray the marriage bed as the source solely of boredom, bitterness and betrayal!) The story is told from the perspective of the demon itself and of Wolff Ladiakas Reinhardt, the latest member of his family to be marked by the Vouno Diavalos as his favored prey. (Author's Note: The legend of the Vouno Diavalos or mountain devil is current to this very day in the author's ancestral Greek village of

Valteseniko.) Initially an atheist, Wolff soon learns through encounters with the demon and ghosts why he has been given the rare gift to see into the Spirit Realm: only he can see them, and only he can save those afflicted. Wolff eventually finds comfort in the love of his Jamaican-American wife, and they discover that their lives are entwined in The Haunted House of Assateague, where Wolff twice confronts the demon and Annie learns the truth about her Scottish ancestry. (An actual haunted house that the author wrote about when working as a newspaper editor, The Haunted House of Assateague is located near the National Park Service Visitor's Center for Assateague National Seashore in Maryland, home to the famous wild ponies. This novel marks the first time that the home's actual location is revealed, along with frightening details of its haunting.) Wolff is ultimately possessed by the demon, and he must struggle to free himself to save his young family and to prevent an evil new church from rising. The novel provides profound insights into the value of faith and a woman's love. It will be prized by those who like spooky, Gothic stories, who are hungry for spiritual meaning and insights, who recognize Humor as a Divine Gift, and who cherish the rich sensual pleasures of this world. Written in a fresh voice with often startling power, the novel dares to provide verifiable answers to the Age-Old Questions: Are there Gods and Devils, and if so, what role do they play in our lives? Is there a Spirit World and Life after Death? What is the true nature of Original Sin? Yes, God is alive, the Devil still marks his favored prey, this way lies fascination...

The Neon Court Kate Griffin,2011-03-24 A daimyo of the Neon Court is dead and all fingers point towards their ancient enemy - The Tribe. And when magicians go to war, everyone loses. But Matthew Swift has his own concerns. He has been summoned abruptly, body and soul, to a burning tower and to the dead body of Oda, warrior of The Order and known associate of Swift. There's a hole in her heart and the symbol of the Midnight Mayor drawn in her own blood. Except, she is still walking and talking and has a nasty habit of saying 'we' when she means 'I.' Now, Swift faces the longest night of his life. Lady Neon herself is coming to London and the Tribe is ready to fight. Strange things stalk this night: a rumored 'chosen one,' a monster that burns out the eyes of its enemies, and a walking dead woman. Swift must stop a war, protect his city, and save his friend - if she'll stop trying to kill him long enough for him to try.

The Empty Throne David M Allan, 2018-08-03 Three thrones, one of metal, one of wood and one of stone, stand in the Citadel. Between them shimmers a gateway to a new world, created four hundred years ago by the three magicians who made the thrones. When hostile incorporeal creatures came through the gateway, the magicians attempted to close it but failed. Since that time the creatures have tried to come through the gateway at irregular intervals, but the throne room is guarded by the Company of Tectors, established to defend against them. To try to stop the creatures, expeditions have been sent through the gateway, but none has ever returned. On each throne appears an image of one of the Custoda, heroes who have led the expeditions through the gateway. While the Custoda occupy the thrones the gateway remains quiet and there are no incursions. Today, Dhanay, the newest knight admitted to the Company, is guarding the throne room. Like all the Tectors, Dhanay looks to the images of the Custoda for guidance. But the Throne of Stone is empty. The latest incursion has started; a creature escaping into the world, a kulun capable of possessing and controlling humans. The provincial rulers, the oldest and most powerful families, ignore the gateway and the Tectors, concentrating on playing politics and pursuing their own petty aims. Some even question the need for the Company, as incursions have been successfully contained within the

Citadel for years. Family feuds, border disputes, deep-rooted rivalries and bigotry make for a potentially unstable world, and are a perfect environment for a kulun looking to create havoc...
