The Poets of America: Illustrated by One of Her Painters. Edited by J. Keese. (English Edition.). John KEESE (of Newburyport, Mass.),1840

John Keese, Wit and Littérateur William L. Keese,2017-12-15 Excerpt from John Keese, Wit and Litterateur: A Biographical Memoir The bright intelligence of Mr. Keese was early apparent, and it was decided in family council to educate him for the ministry. At his father's death, however, it seemed expedient, if not, indeed, necessary, that he should enter on a mercantile career; and, on being asked his preference in that regard, declared it earnestly for the book business, thus revealing that predilection for

letters which led him into the walks of literature; incited him to persistent self-culture; gained him the acquaintance and friendship of men of genius; and proved in the end a consolation for the loss of collegiate honors. It may be proper to mention here that a later family conclave decreed that the eldest brother should espouse the Church, and accordingly William Linn Keese became a clergyman of the Episcopal faith, a devoted follower of Christ, an eloquent divine, loved and honored as a man and pastor in the communities where he lived and taught. He attended Pratt Institute in Brooklyn. Records do not indicate that he graduated. He married Harriet (Hatti) Lloyd LePorte on July 13, 1900 in Kingston, Massachusetts. Other Ways Peter Keese, 2024-02-28 Rich, complex, exciting, confusing, life, death, and beyond--all words to capture a bit of truth about this very rich, complex world inhabited by all kinds of individual particles emerging into flora, fauna, animals of all kinds, including humans who together make up a unity. This book is my attempt to celebrate the unity and the diversity. Poetry hints of an openness to complexity while certainty tends to become restrictive dogma. Other Ways means to hint that full meaning, complete certainty, is beyond any human capacity ever to establish. Poetry intends to celebrate the richness that is to be enjoyed even though never fully comprehended.
