Keith Haring

Keith Haring: The Boy Who Just Kept Drawing Kay Haring, 2017-02-14 Iconic pop artist Keith

Haring comes to life for young readers in this picture book biography lovingly written by his sister. This one-of-a-kind book explores the life and art of Keith Haring from his childhood through his meteoric rise to fame. It sheds light on this important artist's great humanity, his concern for children, and his disregard for the establishment art world. Reproductions of Keith's signature artwork appear in scenes boldly rendered by Robert Neubecker. This is a story to inspire, and a book for Keith Haring fans of all ages to treasure.

**Art Is Life** Tami Lewis Brown, 2020-12-01 Writer Tami Lewis Brown and illustrator Keith Negley present a joyful picture book biography of modern art icon Keith Haring, celebrating the ways his life embodied the message: art is for everyone. Art is life... and life is art. Keith Haring believed that art should be enjoyed by everyone. When Keith first moved to New York City, he rode the subway and noticed how the crowds were bored and brusque, and that the subways were decayed and dreary. He

thought the people of New York needed liberating, illuminating, and radiating art. So he bought a stick of white chalk and started drawing...

**Drawing on Walls** Matthew Burgess, 2020-07-21 Burgess describes Haring discovering Robert Henri's *The Art Spirit* in college ("He felt as if the book was speaking directly to him"), encountering the large paintings of Pierre Alechinsky (he was "blown away"), and recognizing a common impulse in dancers at the West Village's Paradise Garage ("For Keith, drawing and painting were like dancing. He called it 'mind-to-hand flow'"). Cochran uses a thick black line to suggest Haring's creations, and renders figures in a Haring-esque style without seeming gimmicky. Of interest to young readers are Haring's frequent efforts to involve children in mural-making projects. The story, including a respectful acknowledgement of Haring's death from AIDS, makes the subject seem immediate and real—and presents a compelling vision of answering the call to create. —Starred Review, *Publishers Weekly* I would love to be a teacher because I love children and I think that not enough people respect children or understand how important they are. I have done many projects with children of all ages. —Keith

Haring Truly devoted to the idea of public art, Haring created murals wherever he went. From Matthew Burgess, the much-acclaimed author of *Enormous Smallness*, comes *Drawing on Walls: A Story of Keith Haring*. Often seen drawing in white chalk on the matte black paper of unused advertising space in the subway, Haring's iconic pop art and graffiti-like style transformed the New York City underground in the 1980s. A member of the LGBTQ community, Haring died tragically at the age of thirty-one from AIDS-related complications. Illustrated in paint by Josh Cochran, himself a specialist in bright, dense, conceptual drawings, this honest, celebratory book honors Haring's life and art, along with his very special connection with kids.

**Keith Haring, 1978-1982** Keith Haring, 2012 Exhibition of works from Keith Haring's early years in New York City during which time he developed his visual language and formed strategies to create art for everybody and the means to get that art to the general public.

*Keith Haring* Jeffrey Deitch, Julia Gruen, Suzanne Geiss, 2014-04-08 Closely based on Haring's own concept for the monograph he wanted to publish before his untimely death, this volume represents

more than a decade of research and contains a wealth of unpublished photographic and written material including drawings, studio photographs, and journal entries. From chalk drawings deep in the New York City subways to murals in Pisa and Berlin; collaborations with William Burroughs and the famous body painting of Grace Jones, this book follows the incredible trajectory of Keith Haring's artistic career: how a young man from a small town in rural Pennsylvania came to revolutionize the art world—and the course of art history—within little more than a decade. An incredibly prolific artist, Keith Haring created countless bold, provocative, endearing, and unforgettable images that continue to inspire artists—and delight children—worldwide. Tracing the arc from his early subway tags to his poignant work on social issues as diverse as AIDS, illiteracy and apartheid, this visually stunning book is the definitive work on Keith Haring.

**Keith Haring Journals** Keith Haring, 2010-01-26 Keith Haring is synonymous with the downtown New York art scene of the 1980's. His artwork—with its simple, bold lines and dynamic figures in motion—filtered in to the world's consciousness and is still instantly recognizable, twenty years after his

death. This Penguin Classics Deluxe Edition features ninety black-and-white images of classic artwork and never-before-published Polaroid images, and is a remarkable glimpse of a man who, in his quest to become an artist, instead became an icon. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

**Keith Haring** John Gruen, 1992 Interweaving Haring's own words with the reflections of those who knew him, this book captures the remarkable life and spirit of one of the most celebrated artists of our time, who died at age 31 in 1990. Haring candidly discusses all aspects of his life, from his controversial approach to art to coming to terms with AIDS. Illustrated with full-color reproductions of the artist's strikingly original works.

**Keith Haring** Simon Doonan, 2022-11-03 Keith Haring was a revolutionary artist, who transformed the art world during his short but impactful life. Brought to life by Simon Doonan, Creative Director for Barneys New York, this new pocket-sized biography tells his inspirational story. Revolutionary and renegade, Keith Haring was an artist for the people, creating an instantly recognisable repertoire of symbols - barking dogs, space-ships, crawling babies, clambering faceless people - which became synonymous with the volatile culture of 1980s. Like a careening, preening pinball, Keith Haring playfully slammed into all aspects of this decade - hip-hop, new-wave, graffiti, funk, art, style, gay culture - and brought them together. Haring's fanatical drive propelled him into the orbit of the most interesting people of his time: Jean Michel Basquiat envied him; Warhol, William Burroughs and Grace Jones collaborated with him. Madonna and he shared the same tastes in men. Famous at 25, dead from AIDS at 31, Keith Haring is remembered as a Pied Piper, an unpretentious communicator who appeared happiest when mentoring a gang of kids, arming them with brushes and attacking the nearest wall. A series of brief biographies of the great artists, *Lives of the Artists* takes as its

inspiration Giorgio Vasari's five-hundred-year-old masterwork, updating it with modern takes on the lives of key artists past and present. Focusing on the life of the artist rather than examining their work, each book also includes key images illustrating the artist's life. Hardbound, but pocket-sized, the books each sport a specially-commissioned portrait of their subject on the half-jacket.

Keith Haring Dieter Buchhart, Julian Cox, Robert Farris Thompson, Julian Myers-Szupinska, 2014-10-16 Exuberant, profane, witty, and provocative, the images in this book reveal the political dimension of Keith Haring's artistic concerns. Through his graffiti-inspired drawings, paintings, sculptures, murals, and other works, Keith Haring created an immediately recognizable visual iconography that spoke to an enormous population—gay and straight, young and old, male and female. His importance in the annals of popular culture is indisputable, but little attention has been paid to his advocacy for social justice. Haring's political perspective is the focus of this visually arresting selection of works that traces the artist's development and historical significance and gives new gravitas to his career. Accompanying a major exhibition at the de Young museum in San Francisco, this book

features more than 130 works of art, including large-scale paintings on tarpaulin and canvas, sculptures, and subway drawings. Together they create a narrative that explores Haring's responses to nuclear disarmament, racial inequality, capitalist excess, environmental degradation, and other prevalent social issues. Essays and conversations with writers, critics, and art dealers round out this important analysis of Haring's life, career, and passion.

**Haring** Alexandra Kolossa, 2016-05-23 Keith Haring spent little more than a decade in the spotlight, but in his singular blend of street art, graffiti, a Pop sensibility, and cartoon elements, he created stalwarts of modern pop culture as much as vivid social and political statements. From his first subway drawings through to his Pop Shop in SoHo, this concise introduction explores...

**Big** Keith Haring, 1998 As they stretch their vocabularies, toddlers and preschoolers will be entertained by Keith Haring's kid-friendly illustrations which introduce them to the important concept of color and teach them how to identify different articles of clothing.

*Keith Haring / Jean-Michel Basquiat* Dieter Buchhart, Ricardo Montez, Rene Ricard, Linda

Yablonksy, Larry Warsh, 2022-02-08 An exploration of the personal and artistic connections between two icons of twentieth-century art Keith Haring (1958–1990) and Jean-Michel Basquiat (1960–1988) changed the art world of the 1980s through their idiosyncratic imagery, radical ideas, and complex sociopolitical commentary. Each artist invented a distinct visual language, employing signs, symbols, and words to convey strong messages in unconventional ways, and each left an indelible legacy that remains a force in contemporary visual and popular culture. Offering fascinating new insights into the artists' work, *Keith Haring | Jean-Michel Basquiat* reveals the many intersections among Haring and Basquiat's lives, ideas, and practices. This lavishly illustrated volume brings together more than two hundred images—works created in public spaces, paintings, sculptures, objects, works on paper, photographs, and more. These rich visuals are accompanied by essays and interviews from renowned scholars, artists, and art critics, exploring the reach and range of Haring and Basquiat's influence. *Keith Haring | Jean-Michel Basquiat* provides a valuable look at two artistic peers and boundary breakers whose tragically short but prolific careers left their marks on the art world and beyond.

Distributed for the National Gallery of Victoria in association with No More Rulers

**Keith Haring** Keith Haring, 2008 Text by Elizabeth Sussman.

Keith Haring Jeffrey Deitch, Henry Geldzahler, Keith Haring, Carlo McCormick, 2021-10-05 The subway drawings were a seminal part of Keith Haring's work, not only due to their infamy at the time but because of their lasting effect on the public. This reprint of Keith Haring: 31 Subway Drawings, published by No More Rulers in association with Princeton University Press, offers a unique look into Haring's subway drawings. Various essays from art world: Jeffrey Deitch, Carlo McCormick, and Henry Geldzahler, including one written by Haring himself, are interspersed with images of the drawings.

**Haring-isms** Keith Haring, 2020-09-29 Essential quotations from renowned artist and pop icon Keith Haring--

*Keith Haring* Jeffrey Deitch, Keith Haring, Suzanne Geiss, Julia Gruen, 2008 Closely based on Haring's own concept for the monograph he wanted to publish before his untimely death, this volume represents more than a decade of research and contains a wealth of unpublished materials. 600 color

and b&w illustrations; six assorted gatefolds.

### **Art in Transit Keith Haring, 1984**

The Keith Haring Show Gianni Mercurio, Demetrio Paparoni, Fondazione La Triennale di Milano, 2005 Art icon of the 1980s, Keith Haring first gained attention in the late 1970s for his drawings in the New York City subways. Over the next decade his subway graffiti, murals, sculptures and paintings gained worldwide recognition. Harings meteoritic artistic career spanned from 1980 to 1990, and in this brief period his boundless energy led him to produce an enormous quantity of legendary works. Here Harings work is re-examined from the perspective of his relations not just with Pop Art and the Neo-Pop movement, but also with Flemish painting and the historic avant-garde movements, reflecting the evolution of his creative poetics and the legacy he left.

*Art and Merchandise in Keith Haring's Pop Shop* Amy Raffel, 2020-12-30 As one of the first academic monographs on Keith Haring, this book uses the Pop Shop, a previously overlooked enterprise, and artist merchandising as tools to reconsider the significance and legacy of Haring's

career as a whole. Haring developed an alternative approach to both the marketing and the social efficacy of art: he controlled the sales and distribution of his merchandise, while also promulgating his belief in accessibility and community activism. He proved that mass-produced objects can be used strategically to form a community and create social change. Furthermore, looking beyond the 1980s, into the 1990s and 2000s, Haring and his shop prefigured artists' emerging, self-aware involvement with the mass media, and the art world's growing dependence on marketing and commercialism. The book will be of interest to scholars or students studying art history, consumer culture, cultural studies, media studies, or market studies, as well as anyone with a curiosity about Haring and his work, the 1980s art scene in New York, the East Village, street art, art activism, and art merchandising.

Keith Haring Keith Haring, Barry Blinderman, 1992 This book, the first comprehensive monograph on Haring, reveals the full range of his diverse oeuvre in over two hundred reproductions of his murals and other paintings, drawings, and sculpture, performance and video art.

Delve into the emotional tapestry woven by Crafted by in Experience **Keith Haring** . confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Keith Haring	PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The	availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of
---	---	---

---

downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home.	Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they	need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers
