We Need to Talk About Kevin Lionel Shriver,2011-05-01 The inspiration for the film starring Tilda Swinton and John C. Reilly, this resonant story of a mother's unsettling quest to understand her teenage son's deadly violence, her own ambivalence toward motherhood, and the explosive link between them remains terrifyingly prescient. Eva never really wanted to be a mother. And certainly not the mother of a boy who murdered seven of his fellow high school students, a cafeteria worker, and a much-adored teacher in a school shooting two days before his sixteenth birthday. Neither nature nor nurture exclusively shapes a child's character. But Eva was always uneasy with the sacrifices and social demotion of motherhood. Did her internalized dislike for her own son shape him into the killer he's become? How much is her fault? Now, two years later, it is time for her to come to terms with Kevin's horrific rampage, all in a series of startlingly direct correspondences with her estranged husband, Franklin. A piercing, unforgettable, and penetrating exploration of violence and responsibility, a book that the Boston Globe describes as "impossible to put down," is a stunning examination of how tragedy affects a town, a marriage, and a family.

Are You There, God? It's Me. Kevin. Kevin Keck,2008-02-05 A darkly whimsical, confessional memoir by the author of *Oedipus Wrecked* describes his increasing anxiety about his purposeless life, struggles with mental illness, and relationships with a series of dysfunctional girlfriends before returning to his family home, where he is disillusioned by his relatives' perverse dynamics. Original.

Kevin and His Dad Irene Smalls,2021-12 This diverse urban book is a romp and a joy turning everyday activities into movement magic. What could be better for a young boy than to spend a whole day with his Dad. With Mom away on a Saturday that's exactly what Kevin gets to do. First he and his dad clean the house with rhyme and a twist. Then, it's time for baseball practice and even a movie. Told in Kevin's words, this lovely picture book evokes the excitement, pride and love a boy experiences with a father who includes his son in both the work and play of a weekend day. This book celebrates the special father-son bond and the exquisite essence of everyday activities.

Kevin Hart Carla Mooney,2019-07-15 Kevin Hart's rise into comedy's upper echelon has been nothing short of meteoric. In this entertaining biography, readers will learn more about how he has also broken into the big screen, taking on roles with big-name movie stars to resounding success.

Kevin Kevin McNeil,2015-05-21 It is Kevin's first year of high school and he hates it. He is constantly ridiculed and bullied by his classmates. possession. He has vowed to avenge the theft all the while enjoying his last summer before high school. Shawn finds it more and more difficult to meet his goal as he has to avoid his older brother's mounting wrath and the continuing pranks of his best friend, Joe. Although water ice, soft pretzels and the awesome bands of the 1980s are keeping his life delicious, he finds that he has new tastes in friends and interests to be conflicting at times. This summer is one unlike any other he has had. This book is the Christmas Story of the summer and is a companion in time to the Goldbergs. Younger teens and adults alike will enjoy being returned to the 1980's with the references to music, culture and of course the world champion Philadelphia Phillies! I Can't Make This Up Kevin Hart, 2017-06-06 New York Times bestselling author, superstar comedian, and Hollywood box office star Kevin Hart turns his immense talent to the written word in this "hilarious but also heartfelt" (Elle) memoir on survival, success, and the importance of believing in yourself. The question you're probably asking yourself right now is: What does Kevin Hart have that a book also has? According to the three people who have seen Kevin Hart and a book in the same room, the answer is clear: A book is compact. Kevin Hart is compact. A book has a spine that holds it together. Kevin Hart has a spine that holds him together. A book has a beginning. Kevin Hart's life uniquely qualifies him to write this book by also having a beginning. It begins in North Philadelphia. He was born an accident, unwanted by his parents. His father was a drug addict who was in and out of jail. His brother was a crack dealer and petty thief. And his mother was overwhelmingly strict, beating him with belts, frying pans, and his own toys. The odds, in short, were stacked against our young hero. But Kevin Hart, like Ernest Hemingway, J.K. Rowling, and Chocolate Droppa before him, was able to defy the odds and turn it around. In his literary debut, he takes us on a journey through what his life was, what it is today, and how he's overcome each challenge to become the man he is today. And that man happens to be the biggest comedian in the world, with tours that sell out football stadiums and films that have collectively grossed over \$3.5 billion. He achieved this not just through hard work, determination, and talent. "Hart is an incredibly magnetic storyteller, on the page as he is onstage, and that's what shines through [in this] genial, entertaining guide to a life in comedy" (Kirkus Reviews).

Marcus Makes It Big Kevin Hart, 2022-05-03 From celebrity author Kevin Hart comes the laugh-out-loud highly illustrated sequel to *Marcus Makes a Movie* about a young boy who has big Hollywood dreams--and the hustle to make it happen. Everybody, grab a ticket and run for a front row seat to *Marcus Makes a Movie!* —Judd Winick, New York Times bestselling author of the Hilo series *Marcus's movie, Toothpick vs. the Doom*, is a HIT! But the only thing harder than making a movie is making a SECOND one. Marcus needs to come up with another great idea fast. Too bad his film crew (aka friends) are too preoccupied with their MeTube channels to notice. An invite to *The Helen Show* has Marcus thinking they'll be back on top, but will nerves, unchecked ambition, and a rivalry between friends shut down this show before it even begins? In the laugh-out-loud sequel, actor and comedian Kevin Hart delivers a message about being creative, working hard, and learning that sometimes the best dreams are the ones you achieve with your friends.

Revenge of Killer Kevin Kevin Bautista-Zeledon, 2022-11-01 Read the sequel to *Kevin Walks at Midnight*. This book features stories written by an 11-year-old who is autistic and loves minecraft, goosebumps, and all things that have to do with horror. He gets inspiration

Perfect for readers of James Patterson's Middle School series and Lincoln Peirce's Big Nate series. Keep[s] kid readers on the edge of their seat. -Parents Magazine Marcus is NOT happy to be stuck in after-school film class . . . until he realizes he can turn the story of the cartoon superhero he's been drawing for years into an actual MOVIE! There's just one problem: he has no idea what he's doing. So he'll need help, from his friends, his teachers, Sierra, the strong-willed classmate with creative dreams of her own, even Tyrell, the local bully who'd be a perfect movie villain if he weren't too terrifying to talk to. Making this movie won't be easy. But as Marcus discovers, nothing great ever is—and if you want your dream to come true, you've got to put in the hustle to make it happen. Big White Ghetto Kevin D. Williamson,2020-11-17 You can't truly understand the country you're living in without reading Williamson. —Rich Lowry, National Review His observations on American culture, history, and politics capture the moment we're in—and where we are going. —Dana Perino, Fox News An Appalachian economy that uses cases of Pepsi as money. Life in a homeless camp in Austin. A young woman whose résumé reads, "Topless Chick, Uncredited." Remorselessly unsentimental, Kevin D. Williamson is a chronicler of American underclass dysfunction unlike any other. From the hollows of Eastern Kentucky to the porn business in Las Vegas, from the casinos of Atlantic City to the heroin rehabs of New Orleans, he depicts an often brutal reality that does not fit nicely into any political narrative or comfort any partisan. Coming from the world he writes about, Williamson understands it in a way that most commentators on American politics and culture simply can't. In these sometimes savage and often hilarious essays, he takes readers on a wild tour of the wreckage of the American republic—the "white minstrel show" of right-wing grievance politics, progressive politicians addicted to gambling revenue, the culture of passive victimhood, and the reality of permanent poverty. Unsparing yet never unsympathetic, *Big White Ghetto* provides essential insight into an enormous but forgotten segment of American society.
