New Kid Jerry Craft, 2019-02-05 Winner of the Newbery Medal, Coretta Scott King Author Award, and Kirkus Prize for Young Readers' Literature! Perfect for fans of Raina Telgemeier and Gene Luen Yang, New Kid is a timely, honest graphic novel about starting over at a new school where diversity is low and the struggle to fit in is real, from award-winning author-illustrator Jerry Craft. Seventh grader Jordan Banks loves nothing more than drawing cartoons about his life. But instead of sending him to the art school of his dreams, his parents enroll him in a prestigious private school known for its academics, where Jordan is one of the few kids of color in his entire grade. As he makes the daily trip from his Washington Heights apartment to the upscale Riverdale Academy Day School, Jordan soon finds himself torn between two worlds—and not really fitting into either one. Can Jordan learn to navigate his new school culture while keeping his neighborhood friends and staying true to himself? This middle grade graphic novel is an excellent choice for tween readers, including for summer reading. New Kid is a selection of the Schomburg Center's Black Liberation Reading List. Plus don't miss Jerry Craft's Class Act!

Kid Food Bettina Elias Siegel, 2019 It has never been so difficult to raise a healthy eater in America. Along with the picky eating and public tantrums that have forever tested the limits of parental patience, today's parents also fend off sophisticated assaults from outside their kitchens: unhealthy food-marketing campaigns aimed at kids; misleading product labels aimed at parents; and a school-food program so starved for cash that it sells name-brand junk food to grade school students. In *Kid Food*, nationally recognized food writer Bettina Elias Siegel (New York Times, *The Lunch Tray*) explores the cultural delusions and industry deceptions that have made it all but impossible to raise a healthy eater in America. Combining first-person reporting with the hard-won understanding of a food advocate and parent, it presents a startling portrayal of the current food landscape for children - and the role of parents in navigating it. Siegel also lifts the curtain on shadowy food industry front-groups, including clever marketing techniques that intentionally confuse parents about a product's nutritional value. (Did you know that made with real fruit may mean a product is less healthy?) What emerges is the industry's divide-and-conquer strategy, one that stokes kids' desire for junk food while breaking down parents' ability to act as responsible gatekeepers. For anyone who frets over what their child is eating, *Kid Food* offers both essential reading and a deeper understanding of the factors at play in their child's food environment. Written in the same

engaging and relatable voice that has made *The Lunch Tray* a trusted resource for parents for almost a decade, *Kid Food* offers a well of compassion - and expertise - for those fighting the good fight at home.

Would this be a good year? Would school be a bore? Everyone remembers feeling excited and nervous each fall on the first day of school. It's no different for Ellie McNelly and Carrie O'Toole. But this year, there's not only a new teacher to meet, but a brand new kid as well. Lazlo S. Gasky doesn't look or speak quite like the other kids, and no one is sure what to make of him. In fact, they respond to his arrival at Brookhaven School by taunting and teasing him. But when Ellie realizes how tough it is for Lazlo, she reaches out, and after school one day they share an afternoon of soccer, strudel, and chess. Besides making a new friend, she and Lazlo teach their classmates an important lesson--one that isn't in their schoolbooks--about accepting people who are different...and in getting to know Lazlo, the kids learn that people aren't that different from each other after all. From one of America's most respected journalists, *The Brand New Kid* is a heartwarming story about tolerance and the need to give others a chance that will entertain and inspire children and adults alike.

But a lot can happen in one night, and in the end, you never know who's going to be lucky in love.
