**Look at Me!** Jonathan Reiss,2020-06-09 A compelling biography of SoundCloud sensation and rising star XXXTENTACION -- from his candid songwriting and connection with fans to his tragic death. At the age of twenty, rapper Jahseh Dwayne Onfroy-aka XXXTENTACION-was gunned down during an attempted robbery on the streets of Deerfield Beach, Florida, mere months after signing a \$10 million record deal with Empire Music. A rising star in the world of SoundCloud rap, XXXTENTACION achieved stellar levels of success without the benefit of a major label or radio airtime, and flourished via his passionate and unfettered connection to his fans. In *Look at Me!*, journalist Jonathan Reiss charts the tumultuous life and unguarded songwriting of the SoundCloud sensation. Unlike most rap on the platform, XXXTENTACION's music didn't dwell on money, partying, and getting high. He wrote about depression, suicide, and other mental health issues, topics that led to an outpouring of posthumous appreciation from his devoted fanbase. It was XXXTENTACION's vulnerability that helped him stand apart from artists obsessed with being successful and cool. Yet these insecurities also stemmed from-and contributed to-his fair share of troubles, including repeated run-ins with the law during his teen years, a disturbing proclivity toward violence,

It Looked so Good in the Window Sid Cooper,2008-11-03 One night while we were performing at the club, Tommy Dorsey himself came in with an entourage of his people. When Tommy's group went thru the room we were deep into an arrangement of mine, of a popular war song called, On a Wing and a Prayer. they all slowed down a moment to hear what we were doing I was excited. Upon returning to our hotel, I found a note in my box. I just about fainted. It said please come by the stage door to see me, signed Lou Zito ? manager of the T.D. Orchestra. Can you imagine the excitement in my brain? Wow! It was like an explosion. He told me that Tommy wanted to see me about joining the band. I was totally tongue tied. He took me to Tommy's dressing room. There he was as big as life and he asked me to join his band. There you go that dream Ethel had came true. And so my journey in the wonderful world of big bands really began.

**Who Was Who on TV** Norman Chance,2010-12-23 The information herein was accumulated of fifty some odd years. The collection process started when TV first came out and continued until today. The books are in alphabetical order and cover shows from the 1940s to 2010. The author has added a brief explanation of each show and then listed all the characters, who played the roles and for the most part, the year or years the actor or actress played that role. Also included are most of the people who created the shows, the producers, directors, and the writers of the shows. These books are a great source of trivia information and for most of the older folk will bring back some very fond memories. I know a lot of times we think back and say, Who was the guy that played such and such a role? Enjoy!

*Men of Our Time* Fred Moramarco, Al Zolynas, 1992-10-01 In this groundbreaking volume, Fred Moramarco and Al Zolynas bring together a comprehensive and widely representative selection of poetry reflecting both the diversity and commodity of male experience in the United States today. Since the beginning of the contemporary phase of the women's movement in the 1960s, various anthologies devoted to the poetry of women have articulated and defined a distinctive sensibility attuned to the particularities of a woman's life in our time. Although much has been written recently about the male role in our society as well, the discussion generally has assumed a sociopsychological or mythic perspective. Poetry, Moramarco and Zolynas believe, can reveal most about the nature of male life today, especially the enormous changes men have experienced in recent years. As the editors state in their introduction, A quiet revolution has been taking place in men's poetry over the past few decades, as men have been chronicling the 'history of their hearts' and have been examining those relationships central to their being in the world: their connections to their fathers and mothers; their own sense of fatherhood and of being sons and brothers; their marriages, divorces, and other aspects of their love lives; as well as the ways they conceive of maleness and femaleness. The poems collected in *Men of Our Time*--257 from more than 170 poets--include a wide mix of ethnic and racial perspectives that reflect the multicultural tenor of American life. They reveal men's most intimate feelings about the loss of childhood, sexual anxieties and fantasies, aging, self-sufficiency and dependency, and the perennial quest for a masculine identity. Above all, the poems are unapologetically grounded in a distinctly male experience or imagination. *Men of Our Time* reclaims a poetry that is connected to and expressive of men's lives in the closing decade of the twentieth century.
