

# Killer Whale

Jaclyn Jaycox

**The Killer Whale Who Changed the World** Mark Leiren-Young, 2016-09-13 The fascinating and heartbreaking account of the first publicly exhibited captive killer whale — a story that forever changed the way we see orcas and sparked the movement to save them. Killer whales had always been seen as bloodthirsty sea monsters. That all changed when a young killer whale was captured off the west coast of North America and displayed to the public in 1964. Moby Doll — as the whale became known — was an instant celebrity, drawing 20,000 visitors on the one and only day he was exhibited. He died within a few months, but his famous gentleness sparked a worldwide crusade that transformed how people understood and appreciated orcas. Because of Moby Doll, we stopped fearing “killers” and grew to love and respect “orcas.”

Killer Whales Robin W. Baird, 2002 Killer whales are the supreme predators in the ocean. This introduction to killer whales, or orcas, pieces together the latest information on their life histories. How they communicate and maintain well-established societies, with intricate family relationships, over long lifespans. We also learn that killer whales must now contend with toxic pollutants, overfishing of their prey and a host of other environmental concerns. Illustrated by the world's best wildlife photographers, this book brings us face to face with these intriguing creatures in their underwater realms.

Orcas Everywhere Mark Leiren-Young, 2019-09-03 Orcas are found in every ocean on the planet, but can they survive their relationship with humans? *Orcas Everywhere* looks at how humans around the world (Indigenous and non-Indigenous alike) related to orcas in the past, how we relate to them now and what we can do to keep cetacean communities alive and thriving. The book deals with science, philosophy, environmentalism and ethics in a kid-friendly and accessible way. Writer, filmmaker and orca activist Mark Leiren-Young takes us back to when killer whales were considered monsters and examines how humans went from using orcas for target practice to nearly loving them to death. If you know a young person who loves *Free Willy* or *Finding Nemo*, they will fall in love with these whales.

**Of Orcas and Men** David Neiwert, 2015-06-16 A journalist “convincingly spells out the threats to their survival, their misery in captivity, and what scientists can learn by studying them” (Kirkus). The orca—otherwise known as the killer whale—is one of earth’s most intelligent animals. Remarkably sophisticated, orcas have languages and cultures and even long-term memories, and their capacity for echolocation is nothing short of a sixth sense. They are also benign and gentle, which makes the story of the captive-orca industry—and the endangerment of their population in Puget Sound—that much more damning. In *Of Orcas and Men*, a marvelously compelling mix of cultural history, environmental reporting, and scientific research, David Neiwert explores an extraordinary species and its occasionally fraught relationship with human beings. Beginning with their role in myth and contemporary culture, Neiwert shows how killer whales came to capture our imaginations, and brings to life the often catastrophic environmental consequences of that appeal. In the tradition of Barry Lopez’s classic *Of Wolves and Men*, David Neiwert’s book is a triumph of reporting, observation, and research, and a powerful tribute to one of the animal kingdom’s most remarkable members. Praise for *Of Orcas and Men* “Human beings need to learn from and understand the cooperative nature of orca society. Everyone who is interested in both animal and human behavior should read this remarkable book.” —Temple Grandin, New York Times–bestselling author of *Animals in Translation* and *Animals Make Us Human* “Powerful and beautifully written.” —Jane Goodall “Humans and killer whales have a long and complicated history, one that David Neiwert describes forcefully and eloquently in this fascinating and highly readable book.” —David Kirby, New York Times–bestselling author of *Death at SeaWorld* “[A] breathtaking survey of orca science, folklore, and mystery.” —The Stranger

Keiko's Story Linda Moore Kurth, 2000-01-01 After the success of the *Free Willy* motion picture, children across the nation began a movement to set the starring whale free, and this book captures the story of Keiko's release and the great new life he lives in the world's oceans.

**A Killer Whale's World** ,2006 A close up look at these awe-inspiring black and white sea mammals.

Killer Whale Eyes Sondra Simone Segundo,Kathy Dye,2014-02 In this story adapted from Haida tales, a girl who is born with eyes like no other has a special affinity for the water and the creatures who live there. When she is lost to the sea one day, her people are heartbroken until they encounter the wonder that has occurred.

*Namu, Quest for the Killer Whale* Ted Griffin,1982

*Orca* Peter Knudtson,David Suzuki,1996 The orca, also known as the killer whale, is one of the most intriguing and mysterious animals in the world. This lavishly illustrated portrait of this almost mythical sea mammal offers visions of the orca throughout the ages and across cultures, describing its hunting techniques and refined sonar and communication abilities. Full-color photographs capture whales breaching, playing, hunting, and caring for their young. The book also discusses the ethics of captivity and the environmental threats to whale populations. A foreword by internationally acclaimed scientist and environmentalist David Suzuki is included.

**A Killer Whale's Revenge** Michael L. Kryder,2017-07-07 As construction begins on the largest marine amusement park in the world, the abuse of killer whales continues, both during capture and in captivity. As the park's head biologist, Mark Tillsdale, and eight crew members head into the waters that surround Santa Catalina Island to hunt orcas during their migration season, one whale fails to escape their net. After a three-year-old orca is captured and torn from his family, the young male is quickly deemed unsuitable for training, killed, and thrown back into the sea. When the mother orca and her pod find her offspring's carcass, they vow revenge. Soon, ocean justice begins as the pod brutally attacks and kills humans along the California coast. After a mature male orca escapes from a marine amusement park and joins the pod, the killing continues, even as marine biologists, land-based law enforcement, the Coast Guard, and others attempt to fight back. Unfortunately they are all about to discover that what human cruelty unleashed, no man can stop. In this gripping tale, a mother whale and her pod become bloodthirsty murderers after her offspring is brutally killed by staff from a marine amusement park.

*Killer Whales* Janet Riehecky,2016-11 Whether on land or in water, killer whales will stop at nothing to find food. Find out how this underwater giant earns the name killer whale.

**The Killer Whale Journals** Hanne Strager,2023-04-11 Experience the hauntingly beautiful world of orcas, and discover the stories that unfold when humans enter oceans alongside them. When intrepid biology student Hanne Strager volunteered to be the cook on a small research vessel in Norway's Lofoten Islands, the trip inspired a decades-long journey into the lives of killer whales—and an exploration of people's complex relationships with the biggest predators on earth. The Killer Whale Journals chronicles the now internationally renowned science writer's fascinating adventures around the world, documenting Strager's personal experiences with orcas in the wild. Killer whales' incredible intelligence, long life spans, and strong family bonds lead many people to see them as kindred spirits in the sea. But not everyone feels this way—like wolves, orcas have been both beloved and vilified throughout human history. In this absorbing odyssey, Strager traces the complicated relationship between humans and killer whales, while delving into their behavior, biology, and ecology. She brings us along in her travels to the most remote corners of the world, battling the stormy Arctic seas of northern Norway with fellow biologists intent on decoding whale-song, interviewing First Nations conservationists in Vancouver, observing Inuit hunters in Greenland, and witnessing the dismantling of black market whale jails in the Russian wilderness of Kamchatka. Through these captivating stories, Strager introduces us to a diverse cast of characters from Inuit elders to Australian Aboriginal whalers and guides us through the world's wild waters, from fjords above the Arctic circle in Norway to the poaching-infested waters off Kamchatka. Featuring astonishing photographs from famed nature photographer and conservationist Paul Nicklen, *The Killer Whale Journals* reveals rare and intimate moments of connection with these fierce,

brilliant predators.

Great White vs. Killer Whale Jon Alan,2018-10-23 It's fight time for the great white shark and the killer whale! One animal is The Terrible Torpedo, and the other animal is a Wolf of the Sea. Both fighters boast massive jaws. But which one will be crowned champion of the Showdown at Sea?

**Killer Whale** Carol Inskipp,2005 Introduction to killer whales and the reasons that their numbers have been declining.

**Killer Whale** Mark Carwardine,2000 Introduces the behavior of killer whales from birth to old age, describing their feeding and mating habits, social structure, threats, and more.

Killer Whales John F. Prevost,1995 Describes the characteristics and behavior of the orca, or killer whale, including the care of their young

**Killer Whales** Nancy J. Nielsen,1995 This book tells you about the killer whales.

*Killer Whale Blues* Mark Conkling,2014-04-28 Ida Corley, a troubled thirty-six year old nurse from Albuquerque is searching for her unknown half-brother, a sibling she discovered by reading an old letter in her deceased mother's personal effects. On her deathbed, Ida's mother had confessed a teenage abortion, but the letter reveals a different past, a secret that unhinged Ida and drove her on a quest to find him. Her journey takes her to Victoria, Canada where she goes on a whale watching tour and becomes bewildered by a close encounter with a killer whale. He captures her eye with his own eerie whale eye, luring Ida into new spiritual territory and the mystery of interspecies communication. Ida searches the Inside Passage where killer whales act as guides, save her life, open windows into the natural world, and reach deep into her soul. It is as if these powerful mammals carried Ida up to the heart of Mother Nature, showed her the stars, and then returned her to a new life. Ida had set out to find her half-brother, but ended up finding herself. Ida Corley first appeared as a character in *Prairie Dog Blues*, and surfaced again as Danny Sandoval's lover in *Dog Shelter Blues*, both from Sunstone Press. Along with *Killer Whale Blues*, the three novels explore the power of nature and living creatures to transform broken peoples' lives.

Killer Whale Caroline Arnold,2013-06-28 Killer whales are the top predators in the ocean, and they use their speed and strength to capture their food. These same qualities help make them among the most exciting performers at aquatic parks. The informative text describes the killer whales' daily life and habits, both in captivity and in the wild. Forty exciting full-color photographs reveal the whales' sleek beauty and highlight its unusual physical characteristics.

*Killer Whales Are Awesome* Jaclyn Jaycox,2019-05-01 A killer whale launches into the air creating a huge wave as it crashes back into the ocean. Find out how these great mammals live in the freezing waters of the Arctic. Learn what killer whales eat and how they work together to hunt.

## Killer Whale Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the

preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Killer Whale free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global

audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Killer Whale free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Killer Whale free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Killer Whale. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for

everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Killer Whale any PDF files. With these platforms, the world of PDF downloads is just a click away.

### FAQs About Killer Whale Books

1. Where can I buy Killer Whale books?  
Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available?  
Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Killer Whale book to read?  
Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Killer Whale books?  
Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them?  
Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection?  
Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Killer Whale audiobooks, and where can I find them?  
Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry?  
Buy Books: Purchase books from authors or independent bookstores.

Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.

9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Killer Whale books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
