Tea with the Black Dragon R. A. MacAvoy, 2014-04-01 In this "astonishing fantasy debut," a mother and a mysterious Chinese man—who is more than he appears—search for her missing daughter in San Francisco (Locus). Offering "a deft blend of the oldest of magicks in a dragon, and the newest of sorceries in computers" (Anne McCaffrey), this is the incomparable novel that garnered Nebula, Hugo, World Fantasy, and Philip K. Dick Award nominations, and earned its author the John W. Campbell Best New Writer award. Martha Macnamara knows that her daughter,

Elizabeth, is in trouble—she just doesn't know what kind. Mysterious phone calls from San Francisco at odd hours of the night are the only contact they've had for years. Now, Elizabeth has sent her mother a plane ticket and reserved a room for her at the city's most luxurious hotel. Yet, since Martha checked in, she still hasn't been contacted by her daughter, and is feeling lonely, confused, and a little bit worried. But Martha meets someone else at the hotel: Mayland Long, a distinguished-looking and wealthy Chinese man who is drawn to Martha's good character and ability to pinpoint the truth of a matter. They become close quickly, and he promises to help her find Elizabeth. Before he can solve the mystery, though, Martha herself disappears—and Mayland realizes that he's in love with her. Now, a man whose true nature and identity is unknown to those around him will embark on a potentially dangerous adventure in a city on the verge of exploding with its own sort of magic as technology spreads through the region that will become known as Silicon Valley. An elegant, delightful, and unusual novel that blends ancient myth with modern wizardry, *Tea with the Black Dragon* is "a small masterpiece, setting a fantasy story against a contemporary background" (Booklist).

The Black Dragon Ghost Alastair Macleod, 2016-10-18 The Black Dragon She had imagined many things about Li Ban but she shuddered at his death. He had tried to outrun the Black Dragon and failed. Each year young men ran before the great wave that sweeps up the Quintang River on the full moon. It was foolish and daring. Li Ban had tripped then fallen. For a second, her courtiers

had told her, he lay there in his fine clothes face down in the mud then the brown waters churned over him. His body was not recovered. The court counsellors were quick to read this sign. "It was not meant to be, this marriage – he was full of bad luck. " But one of her handmaidens, Precious Jade, had said he was handsome and elegant." The Blue Dragon Her hero from her book was a rich and magical youth who wandered the world collecting tales wherever he could and retelling them. She shut herself up in her room for long periods to read about him and his adventures. In his stories he told, not just of beautiful princesses, but of jealous princesses, naïve princesses, frisky princesses, demanding princesses, cursed princesses, brainy princesses, warrior princesses, healing princesses, coquettish princesses, enlightened princesses, even sleeping princesses, but he never, ever, mentioned her type of princess, a hidden princess, waiting to be discovered, waiting to be loved, lost in the tentacles of time. Then one day she read a mysterious story he had written himself. "If a person wants some thing, or another, they have only to ask" said the character in that tale. "The way," he continued, "that the universe works, a person can send out a signal into the ether and it will most often be answered."
