King Eagle and His Evil Cousin Hawk Desmond Dada (F. O.),2012-02-01 This is a story of Birds from the animal s kingdom; focusing on the two great birds that confused people the most, Eagle and Hawk. The Eagles are known as the king of the bird s kingdom also the king of the sky. However, there is big comparison between these two birds that belong to the same family. There is little to differentiate between these two birds. (1) Body size: most Eagles are larger than the Hawks. (2) Wingspan: the Eagles have greater spans than the Hawks. (3) Power: the Eagles are dubbed the most powerful bird than the Hawks. King-Eagle is old and closer to join his ancestor yet he has no heir to the throne, with his evil cousin-(Hawk) eyeing his throne and will do anything or everything possible to get on that throne; the king worries and fear for the future of the kingdom. With his Evil Cousin Hawk favourite to succeed him if He-(King-Eagle) died without an heir to his throne or if he do had a son but, the prince fails to fulfil his royal quest that require him to steal food from the Lion s mouth and prove that he is worthy of the throne. The Chicken King Robbie Brown,2019-05-16 There was usually great peace at the top of Eagle Crest Mountain, that is until King Elijah eagle grew old and the wicked eagles took over! The wicked eagles heard the news that King Elijah eagle had a new eagle egg that was about to be hatched and would become the new king of eagles on Eagle Crest Mountain. The wicked eagles made war with the good eagles to try and find the egg to destroy it before it was hatched and made king. During the battle the eagle egg rolled down the mountain into a chicken coop. The eagle egg grew large and was hatched among the chickens. The wicked eagles thought they had gotten rid of the soon-coming king of eagles, but they were wrong! The eagle grew up among the chickens and had great love for them. He also thought he was just a big ugly chicken. He was in perfect training to become the new king of Eagle Crest Mountain and didn't know it. He fought off all the bullies in school who tried to mess with his chicken friends, until one day when one of the wicked eagles looked down and saw the chickens sporting. He realized that one of the chickens was actually an

The Golden Eagle Seton Paul Gordon,1955 Since my earliest days of bird watching the golden eagle has been my favourite, because of its size and nobility of appearance and, perhaps even more, because of its unrivalled powers of flight. Lethargic and ignoble are terms which have been applied to the golden eagle, but the men who used them showed that they had only superficial knowledge of this fine bird, the very spirit of the hills and high corries of the Highlands of Scotland. The eagle is a complete individualist: that is one reason why it appeals to me, and why I enjoy watching it.

Soar Like an Eagle, Reign Like a King B. Min. Wilson,2011-01 ABOUT THE BOOK Soar like an eagle reign like a king by Rev. Seaton D. Wilson uses analogies from the life of the golden eagle to give profound revelatory insights into the Christian life. It gives analogies such as: the eagle's ability to soar high and quickly, seeing uniquely, eating the right diet, conquering its enemies, courting and modeling family life ideally, reigning like a king in its territory and much more. Through the Holy Spirit, this book can radically change your life for the better. Here are some interesting comments about the book. Pastor Seaton Wilson has once again demonstrated cutting edge revelation knowledge that is relevant to the church and the wider global community. This book, in my opinion, is a revelatory classic for our time and for the future generation. Pastor Oral Hazell, D.D.

War Drums of Eagle King P.W.INGTY,2015-10-05 WAR DRUMS OF EAGLE KING, is a story of Koch warrior Sukladhvaj, brother of Nar Narayan ruler of the Koch Kingdom during the 16th century. He was Commander-in-Chief of the Koch army and under his leadership the Koch troops achieved devastating victories over the Ahoms, the Kacharies, the Twipra and others as a result of the brilliant strategy and swift hitting tactics used by Sukladhvaj. His deadly tactics and swift victories over his opponents earn him the nickname of Chilarai which means eagle king and his success is partly attributed to the mysterious power of an eagle that he is said to be capable of invoking on rare occasions. During his campaigns Chilarai meets Sankardev, a great religious and cultural reformer and the experience has such an effect on Chilarai that a subtle change takes place in his perception of life and society. He also meets and later on weds the lovely and devoted Kamala. The eagle king is snared during his expedition to Gauda, in a trap laid by the clever Kalapahar, a General of Gauda and then held as a prisoner in the city of Gaur. However, Chilarai charms his way into a position of favor with Sultan Suleiman and his family and as a result he is finally released from captivity. Soon after his release the war drums start rolling out their ominous beat once again.
