Square Persimmon and Other Stories Takashi Atoda, 2012-01-16 The Square Persimmon and Other

Stories is an introduction to Takashi Atoda—one of Japan's most popular and versatile writers of fiction. Takashi Atocia is a master storyteller. Like the bar madam in *The Glow of Lipstick*, he is capable of weaving a tale that captures the reader's attention from beginning to end. His plots deal with ordinary people, yet the emotional impact of each story is unusually strong. His down-to-earth characters inhabit a world that may at first appear familiar, but Atoda can so manipulate a scene that suddenly the reader is wondering whether it is reality or illusion that he is observing. Many stories feature bizarre endings. In these eleven stories, Atoda examines universal themes—first love, lost love, change, fate—through unmistakably Japanese eyes. The dreamlike quality of some stories invites the reader to draw his own conclusions in the denouement. Yet, in each one, Atoda brings to bear his precise style and his own unique vision, by turns mysterious, romantic, darkly humorous, and even bizarre.

Tokyo Matthew D. Firestone, Timothy N. Hornyak, 2008 Written by resident authors, the seventh edition of Tokyo City Guide includes Japanese script for all key listings to aid in navigation. A bowl of whisked green tea in the teahouse of Hama Rikyu Onshi-teien is about as Japanese as it gets. The garden was once a pleasure dome for the shogun, but now you too can pause and savour the moment, as ducks glide by in the pond at your feet and precision-plucked pines pose like puffed clouds. But cross the narrow wooden bridge over the pond and look backwards: framing the teahouse, the pond and the pines are the skyscrapers of Shiodome, gleaming glass and granite and all built since the turn of the millennium.
