The Kite Runner Khaled Hosseini, 2011-09-05

Afghanistan, 1975: Twelve-year-old Amir is desperate to win the local kite-fighting tournament and his loyal friend Hassan promises to help him. But neither of the boys can foresee what will happen to Hassan that afternoon, an event that is to shatter their lives. After the Russians invade and the family is forced to flee to America, Amir realises that one day he must return to Afghanistan under Taliban rule to find the one thing that his new world cannot grant him: redemption.

The Kite That Touch the Clouds Anthony

Bolden, 2020-02-12 This adventure takes place in Memphis, Tennessee. It's about a single father raising his young daughter, who loves the outdoors. So this year he decide to enter them in the "Annual Kite Contest" downtown on the river. Working late hours made him miss several opportunities of purchasing a kite. One day he decide to leave work early and pick up his daughter Alexia from school, to go kite hunting. After checking several stores, they had no luck in finding a kite for the big event on tomorrow. Later on that evening, he went out into his garage and began crafting her a kite. That Saturday morning arrived, and he made Alexia a kite with her initial on it. They enter the contest and Alexia kite took first place.

Red Kite, Blue Kite Ji-li Jiang, 2016-08-04 When Tai Shan and his father, Baba, fly kites from their roof and look down at the crowded city

streets below, they feel free, like the kites. Baba loves telling Tai Shan stories while the kites--one red, and one blue--rise, dip, and soar together. Then, a bad time comes. People wearing red armbands shut down the schools, smash store signs, and search houses. Baba is sent away, and Tai Shan goes to live with Granny Wang. Though father and son are far apart, they have a secret way of staying close. Every day they greet each other by flying their kites??one red, and one blue??until Baba can be free again, like the kites. Inspired by the dark time of the Cultural Revolution in China, this is a soaring tale of hope that will resonate with anyone who has ever had to love from a distance.

What the Kite Saw Anne Laurel Carter, 2021-05-01
In this memorable story, a young boy finds solace flying his kite from the rooftop after soldiers take his father and brother away. Without his father and brother, the young boy's life is turned upside down. He and his family have to stay inside, along with everyone else in town. At supertime, he can't stop looking at the two empty places at the table and his sister can't stop crying. The boy looks out the window and is chilled to see a tank's spotlight searching the park where he plays with his friends. He hears shouts and gunshots and catches sight of someone running in the street – if only they could fly away, he thinks. Each day the curfew is lifted briefly, and the boy goes to the park to see his friends. One day, inspired by the wind in the trees, he has an idea. Back at home he makes a kite, and that night he flies it from his rooftop,

imagining what it can see. In this moving story from Anne Laurel Carter, with haunting illustrations by Akin Duzakin, a young boy finds strength through his creativity and imagination. 25 *Kites That Fly* Leslie Hunt, 2012-06-11 With this book by Leslie Hunt, kite-maker for the United States Weather Bureau, you can make your own, personalized kites that will fly in all degrees of wind, from the most imperceptible breeze to a gale. All that you need are some light wood (or substitute), glue, wire, hammer, and nails – plus the clear, concise explanations offered in this book. Twenty-five basic kites are covered in constructional details: standard two-stick kites; six-point stars; figural kites such as imps, fishermen, elephants, owls, shields; balloon kites; tetrahedral kites; various kinds of box kites with and without wings; really strong military kites; and many other varieties. Nor are you limited to the kites that are presented in detail: the carefully thought-out, complete instructions are meant to encourage you to experiment with more unusual effects, since they explain important points of design and operation that make all kites fly well. The author explains materials and methods quite thoroughly, with consideration of sticks and surface, types of glue, stringing, making composite sticks, tails, bridles, and many other elements. He also gives information on many of the fascinating accessories

and concomitants to kites; messengers (or elements that move between ground and kite), parachutes, time releases, special effect releases, tandem kites, and kite photography. He also explains very clearly the method of getting a kite to fly, reeling and stringing, and determining altitude.

The Kites Romain Gary, 2019-09-24 Romain Gary's bittersweet final masterpiece is "epic and empathetic" (BBC) and "one of his best" (The New York Times) *The Kites* begins with a young boy, Ludo, coming of age on a small farm in Normandy under the care of his eccentric kite-making Uncle Ambrose. Ludo's life changes the day he meets Lila, a girl from the aristocratic Polish family that owns the estate next door. In a single glance, Ludo falls in love forever; Lila, on the other hand, disappears back into the woods. And so begins Ludo's adventure of longing, passion, and love for the elusive Lila, who begins to reciprocate his feelings just as Europe descends into World War II. After Germany invades Poland, Lila and her family go missing, and Ludo's devotion to saving her from the Nazis becomes a journey to save his love, his loved ones, his country, and ultimately himself. Filled with unforgettable characters who fling all they have into the fight to keep their hopes—and themselves—alive, *The Kites* is Romain Gary's poetic call for resistance in whatever form it takes. A war hero himself, Gary embraced and fought for humanity in all its nuanced

complexities, in the belief that a hero might be anyone who has the courage to love and hope.

Kite Flying in the Village Myrtle Watson, 2011-03
A Guyanese Girl's Story is a series of short stories from my childhood. One of my favorite is Kite Flying in the Village. Kite flying is a family outing for many in Guyana, South America. Easter is a very special holiday in my village of Vreedenoop in which the children of many ages make and decorate kites to fly in celebration of Easter. Another part of kite flying is when mischievous children cut down kites by attaching a razor to their own kites. In this story the main character Anya deals with a mean boy named Joey who lives next door. While flying kites, Anya learns a valuable lesson of friendship and family. Children will enjoy the sneaky plots of the mean neighborhood boy as well as the colorful illustrations.

Kite Flying Grace Lin, 2013-06-26 The family from Dim Sum for Everyone! is back for a new outing—building and flying their own kite! The wind is blowing. It is a good day for kites! The whole family makes a trip to the local craft store for paper, glue, and paint. Everyone has a job: Ma-Ma joins sticks together. Ba-Ba glues paper. Mei-Mei cuts whiskers while Jie-Jie paints a laughing mouth. Dragon eyes are added and then everyone attaches the final touch . . . a noisemaker! Now their dragon kite is ready to fly. Kite Flying celebrates the Chinese tradition of kite making and kite flying and lovingly depicts a family

bonded by this ancient and modern pleasure.

The Story of the Kite Harry Edward Neal, 1954 Tells about the origins of kites, how to make kites, how kites have helped us, and how to fly kites.

The Magic Kite Bobette Stanbridge, 2013-08-20 The Magic Kite is an adventure story of kite named Katy who soars above America, and through time, where she meets a little girl named Julie and the Bunkies, a group of animal friends. Along the way, Katy has many experiences, one very important one that transports her to an American Indian Village where she is taught by the Shaman to shape shift and to travel to three worlds. Katy also teaches the reader how to do a breathing technique to quiet the mind and bring them back into balance.

The Mississippi Kite Eric G. Bolen, Dan Flores, 2010-07-22 Floating on air currents over rural countryside and open city spaces, the Mississippi Kite presents a familiar sight to many people across the southern United States, although this graceful hawk is not well known by name. This engaging natural history, illustrated with superb color photographs, provides all a bird watcher needs to become acquainted with the kite, its life cycle, and its fascinating history with humans. Under various folk names, including Blue Darter, Grasshopper Hawk, and Mosquito Hawk, the Mississippi Kite ranges throughout the southern United States from the coasts of the Carolinas to

the plains of the Southwest. The authors describe all aspects of the kite's life cycle, from breeding and nesting, raising young, and hunting and feeding to the kite's annual winter migration to South America. They also trace its intriguing relationship with humans, from its discovery by Europeans in the nineteenth century to the present day. For bird lovers and ornithologists alike, *The Mississippi Kite* will be an essential introduction to a bird well worth knowing. A special section on conservation and a selection of references for further reading complement the text.

The Kite Runner Khaled Hosseini, 2007 Traces the unlikely friendship of a wealthy Afghan youth and a servant's son in a tale that spans the final days of Afghanistan's monarchy through the atrocities of the present day.

The Kite Fighters Linda Sue Park, 2010-06-07 A tale of two brothers in fifteenth-century Korea from the Newbery Medal winner and #1 New York

Times–bestselling author of *A Long Walk to Water*. In this riveting novel, two brothers discover a shared passion for kites. Kee-sup can craft a kite unequaled in strength and beauty, but his younger brother, Young-sup, can fly a kite as if he controlled the wind itself. It's like the kite is part of him—the part that wants to fly. Their combined skills attract the notice of Korea's young king, who chooses Young-sup to fly the royal kite in the New Year kite-flying competition—an honor that is also an awesome responsibility. Although tradition decrees, and the boys' father insists, that the older brother represent the family, both brothers know that this time the family's honor is best left in Young-sup's hands. But how do you stand up to the way things have always been? This touching and suspenseful historical novel from the author of *A Single Shard*, filled with the authentic detail and flavor of traditional Korean kite fighting, brings a remarkable setting vividly to life. "The final contest . . . is riveting. Though the story is set in medieval times, the brothers have many of the same issues facing siblings today." —School Library Journal (starred review) "Readers will enjoy watching these engaging characters find ways of overcoming webs of social and cultural constraints to achieve a common goal, and the author expresses the pleasures of creating and flying kites—'A few sticks, a little paper, some string. And the wind. Kite magic'—with contagious enthusiasm." —Kirkus Reviews
