Kneeling with Giants Gary Neal Hansen, 2012-03-08 Christian Resources Together Devotional Book of the Year Do you sometimes find yourself searching for a way to approach God or wondering how to get out of a devotional slump? Do you long for spiritual guides you can trust? This guide to prayer is rooted in centuries of Christian tradition. In each chapter you'll meet a figure from church history, such as St. Benedict, Martin Luther, John Calvin, St. Ignatius, Teresa of Ávila and Andrew Murray. You'll learn how each of these spiritual giants uniquely connected to God through prayer. Each chapter provides an opportunity to practice a different method for prayer, including the divine office, the Lord's Prayer, the Jesus Prayer, healing prayer and meditation on the Psalms. In the process your own prayer practice will be refreshed and renewed. Journey into church history and enliven each day of your prayer life.

The Kneeling Christian (Updated) Albert Richardson, 2015-12-01 Why are many Christians often defeated? Because they pray so little. Why do most Christians see so few brought out of darkness to light by their ministry? Because they pray so little. Why are our churches simply not on fire for God? Because there is so little real prayer. We may be assured of this: The secret of all failure is our failure in secret prayer. This book explores, in depth: · * God's wonder at our lack of prayer · * God's incredible promises concerning those who do pray · * God's condition for providing signs · * God's desire for earnest prayer · * God's perspective on hindrances to prayer The Lord Jesus is as powerful today as ever before. The Lord Jesus is as anxious for men to be saved as ever before. His arm is not shortened that it cannot save, but He does not stretch forth His arm unless we pray more – and more genuinely. Prayer, real prayer, is the noblest, the sublimest, and the most stupendous act that any creature of God can perform. Lord, teach us how to pray.

The Kneeling Christian Hendrickson Publishers, 2022-05-03 Prayer, although an essential ingredient of the Christian experience, remains mysterious and foreign to many Christians. Realizing this, a well-known, but anonymous, Christian wrote this volume to teach Christians about the power available to them through prayer. According to *The Kneeling Christian*, all real growth in the spiritual life—all victory over temptation, all confidence and peace in the presence of difficulties and dangers, all repose of spirit in times of great disappointment or loss, all habitual communion with God—depends upon the practice of secret prayer.

The Kneeling Christian Unknown Christian, 2013-06-19 This Christian classic, written by an unknown Christian sometime before 1930, is a passionate call to a life of prayer. Knowing that the subject of prayer is a mysterious and foreign concept to many Christians, the author addresses many of the perplexities of this practice, such as... What is prayer? How does one pray? Must we “agonize in prayer”? How does God answer prayer? What hinders our prayer? Who may pray? With many inspiring examples of prayerful preachers and missionaries, the author leaves no doubt that all spiritual growth—all victory, confidence, peace, and communion with God—comes only through the practice of fervent, heartfelt prayer.

Kneeling We Triumph, 2019-04-05 Sixty two-page readings on prayer gathered over a period of thirty years as editors of *The Message of Victory*.

The Kneeling Bus Beverly Coyle, 1992 *The Kneeling Bus* depicts Carrie Willis's coming-of-age as a minister's daughter in 1950s Florida. Hilarious and often magical, it chronicles a lifetime of the small shames and deep mortifications felt by a narrator who once dreamed herself into the mission field of the Congo—before she lost her nerve.

The Kneeling Warrior David Ireland, 2013-07-09 *DIV The Kneeling Warrior* gives you the tools you need to develop a warrior's mentality and passion in your prayer life in order to launch an all-out spiritual attack against your adversary./div

Kneel Candace Buford, 2021-09-14 A must read. 10/10.” —Broderick Hunter, actor, model, and activist This fearless debut novel explores racism,

injustice, and self-expression through the story of a promising Black football star in Louisiana. The system is rigged. For guys like Russell Boudreaux, football is the only way out of their small town. As the team's varsity tight end, Rus has a singular goal: to get a scholarship and play on the national stage. But when his best friend is unfairly arrested and kicked off the team, Rus faces an impossible choice: speak up or live in fear. "Please rise for the national anthem." Desperate for change, Rus kneels during the national anthem. In one instant, he falls from local stardom and becomes a target for hatred. But he's not alone. With the help of his best friend and an unlikely ally, Rus will fight for his dreams, and for justice. A gripping story about what it looks like when we demand equity, justice, and recognition of our own humanity. —Kalynn Bayron, author of *Cinderella Is Dead*

The Kneeling Christian Anonymous Edited by J. Scott Husted, 2011-07-16 Prayer is the key which unlocks the door of God's treasure-house. Yet the power of prayer remains mysterious and foreign to many Christians. Realizing this, a well-known, but anonymous Christian wrote this volume to teach Christians about the power available to them through prayer. One of the most influential and widely circulated books on prayer, *Kneeling Christian* is a powerful and impassioned call to prayer. This unsigned work shows the true working of God through the message of the unnamed author, which challenges the believer to a dedicated life of prayer. Throughout, the author treats these important and difficult issues with clarity and an attentive eye towards the Biblical account of prayer. The author discusses vital issues of prayer in order to provide an all-encompassing guide to a life of prayer. This book will launch you, as it has thousands of others, into God's amazing adventure of prayer!

The Kneeling Mind Eric A. Lambert, 2007-05-04 Join Pastor Lambert in the exploration of ten attitudes that help us develop a kneeling mind—a submissive, God-directed way of thinking. All the Flowers Kneeling Paul Tran, 2022-02-15 "Paul Tran's debut collection of poems is indelible, this remarkable voice transforming itself as you read, eventually transforming you." —Alexander Chee, author of *How to Write an Autobiographical Novel* "This powerful debut marshals narrative lyrics and stark beauty to address personal and political violence." —New York Times Book Review A profound meditation on physical, emotional, and psychological transformation in the aftermath of imperial violence and interpersonal abuse, from a poet both "tender and unflinching" (Khadijah Queen) Visceral and astonishing, Paul Tran's debut poetry collection *All the Flowers Kneeling* investigates intergenerational trauma, sexual violence, and U.S. imperialism in order to radically alter our understanding of freedom, power, and control. In poems of desire, gender, bodies, legacies, and imagined futures, Tran's poems elucidate the complex and harrowing processes of reckoning and recovery, enhanced by innovative poetic forms that mirror the nonlinear emotional and psychological experiences of trauma survivors. At once grand and intimate, commanding and deeply vulnerable, *All the Flowers Kneeling* revels in rediscovering and reconfiguring the self, and ultimately becomes an essential testament to the

human capacity for resilience, endurance, and love.

Standing Soldiers, Kneeling Slaves Kirk Savage, 2018-07-31 The United States began as a slave society, holding millions of Africans and their descendants in bondage, and remained so until a civil war took the lives of a half million soldiers, some once slaves themselves. *Standing Soldiers, Kneeling Slaves* explores how the history of slavery and its violent end was told in public spaces—specifically in the sculptural monuments that came to dominate streets, parks, and town squares in nineteenth-century America. Looking at monuments built and unbuilt, Kirk Savage shows how the greatest era of monument building in American history took place amid struggles over race, gender, and collective memory. *Standing Soldiers, Kneeling Slaves* probes a host of fascinating questions and remains the only sustained investigation of post-Civil War monument building as a process of national and racial definition. Featuring a new preface by the author that reflects on recent events surrounding the meaning of these monuments, and new photography and illustrations throughout, this new and expanded edition reveals how monuments exposed the myth of a united people, and have only become more controversial with the passage of time.
