Paladin (Book Two of the Elemental Paladins Series) ,2016 BOOK TWO IN THE ELEMENTAL PALADINS SERIES Ancient knights ... with a modern twist! Honour. Duty. Loyalty. Control. These are the principles Darius lives by - almost to the point of obsession. They had forged him into a noble knight but had also cost him the woman of his dreams and wrought a non-relenting hatred for his personal nemeses; the chades. When a tiny, redheaded, whirlwind of trouble descends upon him and his fellow knights in a flurry of questions and impossibilities, Darius finds himself struggling to reconcile his past values with his future desires. For Diana, the arrival of Max brings with it a portent; revolution. As a paladin of death, acceptance is at her core. So embracing the sarcastic powerhouse as her sworn liege is easy. But embracing a certain air paladin who is a pathological rule-follower? Well, that wasn't so easy, despite the attraction they have shared for centuries. With Darius confronted by his demons and a bitter Warden bent on exacting revenge, will the two knights ever reach their happily ever after?

Power of Light, Darkness, Fire, Sound, Earth, Strength, Skill, Fear, Air, Sight, Electricity, and Speed are the twelve Gifts. Being born in the Nation of Speed my Gift is the Power of Speed. Being able to fight and move at unimaginable speeds and more is the power of my gift. Xalden's Gift is the Power of Darkness. King Arthur and Robin Hood on the Radio Katherine Barnes Echols, 2017-08-29 Before stories of King Arthur and Robin Hood were adapted and readapted for film, television and theater, radio scriptwriters looking for material turned to Thomas Malory's *Le Morte Darthur* (1485) and Howard Pyle's *The Merry Adventures of Robin Hood* (1883). Throughout the 1930s to the mid-1950s, their legends inspired storylines for *Abbott and Costello*, *Popeye*, *Let's Pretend*, *Escape*, *Gunsmoke*, *The Adventures of Superman* and others. Many of these adaptations reflect the moral and ethical questions of the day, as characters' faced issues of gender relations, divorce, citizenship, fascism, crime and communism in a medieval setting.

The Paladin C. J. Cherryh, 2016-06-20 Does it seem reasonable to you that a Regency continues—into an Emperor's thirtieth year No, m'lord, Shoka said. Not to us, either. Not to many of us. We were ready to make that objection—when lord Gitu overran Yijang and Hua.... Assassinations, elsewhere. Hired killers. Bands of mercenaries traveling under imperial orders. The Emperor's seal, and the Regent's orders. How do we stop such a thing How do we prevent it—when every lord able to lead is apprehended, assassinated, when they strip us of men, even boys out of the fields—go to Saukendar, some said. Go to Saukendar. They urged me to send to you. This time he has to listen,

they said. But if I had sent—and Ghita had known—you understand— Reidi gave an uncomfortable twitch of the shoulders. His horse shifted again. I had no true hope that you'd come. You'd indicated to the villagers—that you had no wish to hear from anyone. That you would refuse any such petitions— You were watching me. It's my village, m'lord—as the Regent pointed out to me again and again, and threatened my life should you leave that mountain. Of course the word came to me. I tried to get a messenger down the road to you when I knew you'd left Mon.... We believed you'd come back to deal with Ghita and his partisans. Shoka felt cold, cold all the way to the bones. There are men ready to follow you, lord Saukendar. There are men who've committed their lives to this— We didn't know the hour. We only believed. Now you've come back ... It's gripping drama, tightly focussed and inexorable as Taizu herself. Read *The Paladin* and you'll never settle for another ordinary sword-wielding female. —Faren Miller LOCUS At the publisher's request, this title is sold without DRM (Digital Rights Management)

**Paladin** Brieanna Robertson, 2011-04 What could be weirder than a tattoo artist who spends his summers pretending to be a medieval knight? How about a tattoo artist who spends his summers pretending to be a medieval knight handing out ultimatums in a bathroom stall That's the situation Cadence finds herself in after fleeing from her overprotective brother in an attempt to make him see that she is an adult and capable of living her own life. Too bad he tracked her down like a stalker. And too bad she'd laughed at sexy Talis when he told her what he did for a living. And too bad she'd run into the men's room to hide when she'd seen her brother coming after her. Now, in order to stay hidden, she has to agree to travel with a roguish band of bizarre men as Talis's squire for the summer. Not only does she think it's absolutely ridiculous, but the way her blood burns around Talis sends off all of her warning signals. What is it about the calm, composed, devilish man that makes her want to

tame her reckless existence and find out what stability is like? More importantly, can Cadence stop her pattern of self destruction, or will she miss out on the chance to win the heart of her very own paladin knight? About the Author: Brianna Robertson If someone were to ask me what I am, it could be summed up in one, simple word: Dreamer. Ever since I was a small child my imagination has run wild. I have been telling stories for as long as I can remember, creating grand worlds in my head and going on adventures that were invisible to others around me. Am I eccentric? Yes. Am I proud of that? Absolutely. I write about the things that inspire me, both in this world and in realms only seen with the imagination. My heroines are sassy and strong. My heroes are sometimes shy. I have an obsession with music (and musicians) and a fascination with wings. I believe true love does exist, and sometimes it is found in the strangest, most unexpected places. I also believe that family and close friends are the glue that hold people together. Above all things, I believe in being true to yourself and seizing the day. Life is an amazing gift. Make your experience as beautiful as you possibly can.

**Paladin** Sally Slater,2015-05-14 Imagine Game of Thrones with less blood and more gender confusion and you get a taste of this knightly epic. - The Guardian Brash, cocky, and unbeatable with a sword (well, almost), Sam of Haywood is the most promising Paladin trainee in the kingdom of Thule... and knows it. The only problem is that Sam is really Lady Samantha, daughter of the seventeenth Duke of Haywood, and if her father has his way, she'll be marrying a Paladin, not becoming one. But Sam has never held much interest in playing damsel-in-distress, and so she

rescues herself from a lifetime of boredom and matrimonial drudgery. Disguised as a boy, Sam leaves home behind to fight demons--the most dangerous monsters in Thule--alongside the kingdom's elite warriors. Pity that Tristan Lyons, the Paladin assigned to train her, is none other than the hero of her childhood. He hasn't recognized her-yet-but if he does, he'll take away her sword and send her packing. Sam is not the only trainee hiding secrets: Braeden is a half-demon with a dark past that might be unforgivable. Whether he can be trusted is anyone's guess, including his. As demons wreak havoc across the land, rebellion stirs in the West, led by a rival faction of warriors. A war between men is coming, and Sam must pick a side. Will saving the kingdom cost her life-or just her heart?

**Paladin** Chilam,2016-09-17 After receiving troubling visions of a fearsome dragon and a mysterious magic sword, a devout and chivalric knight sets out on an arduous quest across a rugged austere land to find that ancient weapon and to free the land of the dragon's tyranny. On the way, he makes friends and enemies, learns of prophecies and deception, faces mobs and monsters and gets both help and resistance from unlikely sources. All the while, his young squire is coming of age and seeks to be not just a knight in his own right, but a special breed of knight called PALADIN. When it all comes down to knight vs. dragon, the knight finds himself in a paradox: He must get the sword to slay the dragon, but he must slay the dragon to get the sword. Then, as if facing a dragon alone isn't challenge enough, he finds he must take on an even more powerful threat... Paladin is a moving, captivating and allegorical tale set in a richly textured land of monsters, magic and intrigue. It is the story of the people of three great races coming together to overcome terror, adversity, overwhelming forces and odds stacked against them, a sword-and-sorcery fantasy adventure where colorful characters face not only the challenges of surviving in this peril-fraught world, but moral dilemmas as well. Through several adventures and escapades, they also grow mentally, physically and spiritually.

One man, with a little help from his friends, must find within himself the leadership, compassion and fortitude to survive fantastic Varzuun.

**Adobe Kroger** Dan Sacharow,2013-05-23 Adobe Kroger has a secret. She is a Paladin---a holy knight blessed with the power to wield the divine Light of love and creation. Or she was, anyhow. After being convicted of blasphemy, she's been excommunicated from the holy order and her power was taken away. Or so her superiors thought. Unbeknownst to them, despite their efforts the Light is still hers to command. She would be in terrible danger if they were to discover the truth, but she is determined to use her power to rectify a terrible mistake, whatever the personal cost. When one night she encounters a mysterious evil creature the likes of which no Paladin or Wizard has ever seen, she becomes embroiled in a sinister conspiracy that holds the fate of the world in the balance. As if that weren't enough, she also loses her phone. This modern day fantasy tale is told in Adobe's own voice. Join the potty-mouthed Paladin as she confronts the terrors of an obnoxious speech impediment, an embarrassing viral video, a far more talented and handsome rival, a phantasmal dream-walking roommate, and a wizard armed with a cricket bat and a faulty memory. With all of that and being caught between her day job and former colleagues with murderous grudges, can she come to terms with her destiny in time to avert the destruction of the human race?

**Ordination** Daniel M Ford,2016-06-01 A Country Shattered by War -- For generations, warlords fought bitterly for dominance in a land without a king, leaving a fractured, war-torn country plagued by thieves, slavers, and the servants of dark gods and darker magic... A Fallen Knight -- Allystaire Coldbourne, former castellan of Wind's Jaw Keep, walks away from his privileged position and into self-imposed exile amidst the ruins he's spent a lifetime creating. In the smoking remains of a destitute village, he finds an improbable survivor, a young girl named Mol. Reluctantly, he pursues the

marauders who leveled Mol's village and sold the villagers into slavery. He follows their trail to a town of pirates and fugitives and exacts a bitter and violent justice. This sudden act of bravery and righteousness draws the attention of jealous and angry gods, embittered warlords, a downtrodden populace, and awakens a very ancient power, a long-absent goddess of mercy. A Legendary Journey -- Allystaire travels a treacherous path toward his Ordination as a holy knight of legend, a Paladin, a savior of the people. But to fulfill this role, he -- and the unexpected allies he finds along the way -- must face the demonic, sorcerous evil that stalks the land, the wrath of gods and men, and his own dark past.
