*KNUX -- Cool Knuckle Tattoos* Dover,2015-06-17 Kids can signal their coolness with 14 sets of knuckle tattoos. Four fingers can spell out hero, whoa, yeah, and other slang. Plus, some tattoos can be paired up for two-fisted impact, as in rock and roll and tuff luck. Four mini-graphics are also included: a skull, snake, anchor, and star.

Knuckle James Quinn McDonagh,2012-02-16 Irish travellers live in a closed community. What we think we know about them is based on hearsay, rumour and stereotype. But not any more.

*KNUX -- Awesome Knuckle Tattoos* Dover,2015-06-17 Girls and boys can spell out exactly how they feel with these neat knuckle tattoos. Fourteen sets of four-character images add up to messages ranging from YOLO, wild, and yeah to hope and love. Once You Break a Knuckle D. W. Wilson,2014-01-24 In the remote Kootenay Valley in western Canada, good people sometimes do bad things. Two bullied adolescents sabotage a rope swing, resulting in another boy's death. A heartbroken young man chooses not to warn his best friend about an approaching car. Sons challenge fathers and break taboos. Crackling with tension and propelled by jagged, cutting dialogue, D.W. Wilson's stories reveal to us how our best intentions can be doomed to fail or injure, how our loves can fall short or mislead us, how even friendship-especially friendship-can be something dangerously temporary. An intoxicating cocktail of adrenaline and vulnerability, doggedness and dignity, *Once You Break a Knuckle* explores the courage it takes just to make it through another day.

Knuckle Down Chantal Fernando,2018-07-09 A single father struggles to change for his daughters and the woman he loves in this second book in the Cursed Ravens Motorcycle Club series from New York Times bestselling author Chantal Fernando. As a single father of two girls and the sergeant at arms for the Cursed Ravens Motorcycle Club, Jack "Knuckles" Chester doesn't have much free time. And having earned his road name from his reputation as a fighter, Knuckles isn't one to back away from a challenge. But what he'll never admit out loud is that his two daughters have changed him irrevocably, softened him even. And these two girls are the only women who will ever hold his heart forever. That is, until he meets Celina. Celina is nothing like the women Knuckles used to date. She's a journalist for the local newspaper, and basically just has her life together. And the last thing she wants is to be involved with a Cursed Raven. But when the ripped, badass biker worms his way into her heart, she has trouble remembering all the reasons they would never work. But when a shocking story is published her newspaper, it breaks the thin trust she has with Knuckles. Will she lose him forever? Or will Knuckles fight to keep Celina in his life?

**Knuckle Duster: A Guide to Using Brass Knuckles** James Loriega,Fernan Vargas,2017-08-20 This book will take you through the history of knuckle dusters and also present you with information on how they can be used for self defense.

*Knuckle* David Hare,2013 'Knuckle' combines surrealism and satire in a breathlessly fast-moving plot when Curly Delafield, mercenary soldier and gun-runner, returns to Guildford to find out what has happened to his sister Sarah. It premiered at the Comedy Theatre, London, in March 1974.

**Knuckles and Gloves** Bohun Lynch,2020-11-16 *Knuckles and Gloves* covers the fascinating era in the history of boxing - the 18th

through early 20th centuries. This form of sportive activity started as a practical means of self-defense, and evolved into a form of sportsmanlike warfare. From the early beginnings of prize-fighting, or boxing for money with bare fists, it developed into the sport we nowadays watch, practice and appreciate. In this book we have Bohun Lynch - an experienced boxer, not afraid to put on the gloves himself - who is a journalist, writing about boxing with the knowledge of an insider. He provides a valuable examination of this period when the sport transitioned from the use of bare fists to gloves, as well as snapshots of the great fighters of the day. Lynch observes, on his praise for knuckle-fights: Moralists tell us that revenge always turns to gall and bitterness.... Oh, does it really? The sheer physical delight in thrashing some one I hated, has lived on in sweet retrospect. There was no hearty handshake or anything pretty of that sort before the fight. It was simple, downright bashing, and it was delicious. And, not to please the moralist but to record a fact, the air really was cleared. We did shake hands afterwards, and all rancour was gone. Jack Dempsey, Jack Johnson, Robert Fitzsimmons and James Corbett are all familiar names to modern boxing fans, but here you will also read about Frank Slavin, Jem Belcher, Tom Spring, Tom Sayers and other early combatants of the ring. For the uninitiated, this book is guaranteed to alter their views on the King of Sports, and for fans and (amateur)-boxers alike this book will be a delight to read. **The Manly Art** Elliott J. Gorn, 2012-02-28 Elliott J. Gorn's *The Manly Art* tells the story of boxing's origins and the sport's place in American culture. When first published in 1986, the book helped shape the ways historians write about American sport and culture, expanding scholarly boundaries by exploring masculinity as an historical subject and by suggesting that social categories like gender, class, and ethnicity can be understood only in relation to each other. This updated edition of Gorn's highly influential history of the early prize rings features a new afterword, the author's meditation on the ways in which studies of sport, gender, and popular culture have changed in the quarter century since the book was first published. An up-to-date bibliography ensures that *The Manly Art* will remain a vital resource for a new generation.

Knuckle Dragger Fitness Book B. E. N. WAHLIN, Ricoh Danielson, 2020-12-31 THE PURPOSE OF THIS BOOK IS TO ENSURE WE AS A COMMUNITY DEVELOP IN OUR AWARENESS OF WHAT EMBODIES BEING A KNUCKLE DRAGGER. KNUCKLE DRAGGER IS NOT JUST A NAME, IT IS A STATEMENT, AN ETHOS, AND A WAY OF LIFE.

**Knuckles the Echidna #4** Ken Penders, In a three-part epic, *Lost Paradise* reunites Knuckles with the one person he never ever expected to see. But an even bigger problem occurs when the fabled city of Echidnaopolis reappears, posing a threat to the Floating Island's ecosystem. Don't miss the echidna excitement with regulars Ken Penders, Manny Galan, and Andrew Pepoy. In the tradition of the first three issues, every three-part story-arc will sport triple-combo covers by fan-fave Pat 'Spaz'iante along with inks by Ken Penders and colors by those maniacs at Heroic Age!

Knuckle and Potty Destroy Happy World , 2012-05-22 When a place in a book called Happy World becomes just too perfect and sweet for a tiger named Knuckle and a bear named Potty, they decide the only way to get out is to erase it. Full color.

*Bare Knuckle People Management* Sean O'Neil, John Kulisek, 2011-05-03 One of the biggest challenges for new managers is how to get the best out of each of their team members so they achieve superior results—and make you, the new manager, look good! In *Bare Knuckle People Management* authors Sean O'Neil and John Kulisek cut through the crap to show managers how to push their teams to success, not by following fluffy leadership training but by using the skills that got them promoted in the first place. Forget kumbayas or

one-minute managing. The best people managers know that approaches that work great with one employee will be lost on the next. With the same irreverent and straightforward style they use in their management training workshops, O'Neil and Kulisek describe the 16 basic worker types you must learn to recognize, from The Badass to The Burnout, and how to customize your leadership style for each type. The authors encourage the readers to take pieces of what works from each of the sections and they also remind them to follow the gut instinct that got them to their new management position in the first place. Written in short, easily digestible sections, and both entertaining and insightful throughout, Bare Knuckle People Management is perfect for any manager pressed for time and in need of some straightforward advice.

**White Knuckle** Eric Red, 2015-06-02 There's a killer on the road... He's a big rig truck driver who goes by the CB handle White Knuckle, and he's Jack the Ripper on eighteen wheels. For thirty years he has murdered hundreds of women in unimaginable ways, imprisoning them in a secret compartment in his truck, abducting them in one state and dumping their dead bodies across the country. Dedicated FBI agent Sharon Ormsby is on a mission to hunt down and stop White Knuckle. She goes undercover as a truck driver with a helpful long hauler named Rudy in a cross-country pursuit that will ultimately bring her face-to-face with White Knuckle in a pedal-to-the-metal, high-octane climax on a highway to Hell.
