**Sino-Soviet Dialogue on the Problem of War** S. Yin,2012-12-06 The author has spent upwards of ten years in working on this book. His objective is to clarify the military aspect of the Moscow-Peking dialogue which has not yet received its deserved treatment. The apogee of that dialogue seems to have been passed toward the end of the rule of Khrushchev. Yet the Vietnam war spawns fresh contention. Our cover age will span the development from 1956 to the present. The beginning of the dispute with regard to the origins of war in general is taken up in the first two chapters. The next three chapters discuss the several types of war with the frame of reference set in what now appears to be a quondam era. But the principle differences between the disputants are just as outstanding today as they were then. The penultimate chapter is somewhat wide in scope in order to deal with the larger and more intensely bitter polemics evolving after Khrushchev left office. There have been many new and startling views held by both sides since then, views splitting them poles apart. Ominously at issue now is the question of Sino-Soviet peaceful coexistence. Our work, obviously, cannot wait until that question is answered to be finished. The final chapter concludes our study. To write of subjects as dynamic as this one is a challenge because they are current affairs. Due to the swift change of events, no sooner is our typescript put to press than it needs a revision.

**The Hongzhou School of Chan Buddhism in Eighth- through Tenth-Century China** Jinhua Jia,2007-06-01 A comprehensive study of the Hongzhou school of Chan Buddhism, long regarded as the Golden Age of this tradition, using many previously ignored texts, including stela inscriptions.

**Screw Cancer** Molly Kochan,2020-08-18 Imagine you just found out you only had a few years to live what would you do? From Molly Kochan, the subject of the popular acclaimed podcast Dying for Sex comes her honest, raw, and insightful memoir about love and loss, and what it looks like to take a swan dive straight into the depths of darkness, searching for the light. When Molly was diagnosed as terminal with Stage IV Metastatic Breast Cancer at age 42, she realized for the first time that life is short was a hell of a lot more than some stupid cliché. With this new ticking-clock hanging over her head Molly made a decision... to start living HER life. She left her husband and went on a quest, searching for life's answers via a sexual exploration. From juggling dozens of online suiters, to bringing kinks and fetishes into the real world, all while dealing with the ups and downs of her cancer treatment. But then something happened. As Molly lay in her hospital bed fighting through the last months of her existence, she decided she wasn't finished yet, she still had things to say. Molly decided to dig deep wanting answers to her lifelong questions. She pulled out her laptop and finished the story she'd been waiting her whole life to write. Molly leaves no stone unturned, with a sense of dark humor and a bright spirit that will leave you with a satisfying ache. From her days of enduring childhood trauma to navigating her relationships through the lens of never feeling good enough, to her final days of forgiveness where she found enlightenment and the answer she had been looking for all along. In Screw Cancer-Becoming Whole, Molly Kochan takes us on a profound journey into the life of a truly amazing woman who left us all too soon. It's a deeper dive and a perfect companion to the Dying for Sex podcast. Her courageous memoir is a must-read testament for anyone who has ever felt life should be something more, something special, something alive. This is Molly's love letter to life.

*Great Short Stories of the World* Barrett Harper Clark,Maxim Lieber,1925 177 short stories.

**Preventing Family Violence** Ko-Ling Chan,2012-01-01 Annotation Family violence, including intimate partner violence, elder abuse and child maltreatment, is a serious and deteriorating social problem. This book integrates perspectives from different inter-related disciplines into the development of preventive strategies for family violence.

**Chinese Migration and Families-At-Risk** Ko Ling Chan,2015-10-05 Migration has played a significant role throughout Chinese history. Over the past few decades, the movements of the Chinese people, representing as they do a huge proportion of the world population, have attracted increasing attention both domestically and globally. Chinese migration is often a particularly complex phenomenon. On one hand, its characteristics have been shaped in many ways by numerous social, political and economic changes throughout the world, while, on the other, it has profound influences on the host countries and on China itself. Detailed investigation of the changing profiles of Chinese migrants, the reasons behind their movements, the challenges they face, and the strategies they use to cope with these problems will have significant implications for future policy making and practice. Chinese Migration and Families-At-Risk contributes to a better understanding of the various facets of Chinese migration. Its chapters address different concerns related to Chinese migration in the modern world, including the patterns and influences of internal migration within China; the issues related to migration from mainland China to Hong Kong, a special administrative region in China; and the history, features, and impact of Chinese migration to Western countries. Grounded in recent and contemporary research and scholarly inquiry, Chinese Migration and Families-At-Risk provides a comprehensive and critical review of the essential issues related to Chinese migrant families, and is undoubtedly a vital book for all who want to have a deeper understanding of the trends and current situation of Chinese migration.

**Science as Social Existence** Jeff Kochan,2017-12-18 In this bold and original study, Jeff Kochan constructively combines the sociology of scientific knowledge (SSK) with Martin Heidegger's early existential conception of science. Kochan shows convincingly that these apparently quite different approaches to science are, in fact, largely compatible, even mutually reinforcing. By combining Heidegger with SSK, Kochan argues, we can explicate, elaborate, and empirically ground Heidegger's philosophy of science in a way that makes it more accessible and useful for social scientists and historians of science. Likewise, incorporating Heideggerian phenomenology into SSK renders SKK a more robust and attractive methodology for use by scholars in the interdisciplinary field of Science and Technology Studies (STS). Kochan's ground-breaking reinterpretation of Heidegger also

enables STS scholars to sustain a principled analytical focus on scientific subjectivity, without running afoul of the orthodox subject-object distinction they often reject. Science as Social Existence is the first book of its kind, unfurling its argument through a range of topics relevant to contemporary STS research. These include the epistemology and metaphysics of scientific practice, as well as the methods of explanation appropriate to social scientific and historical studies of science. Science as Social Existence puts concentrated emphasis on the compatibility of Heidegger’s existential conception of science with the historical sociology of scientific knowledge, pursuing this combination at both macro- and micro-historical levels. Beautifully written and accessible, Science as Social Existence puts new and powerful tools into the hands of sociologists and historians of science, cultural theorists of science, Heidegger scholars, and pluralist philosophers of science.

**Ko Chan Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Ko Chan has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Ko Chan has opened up a world of possibilities. Downloading Ko Chan provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Ko Chan has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Ko Chan. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Ko Chan. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Ko Chan, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Ko Chan has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

**FAQs About Ko Chan Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and

explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works.
