Kodiak Tales Harry B. Dodge III, 2010-03-05 Kodiak Tales: Stories of Adventure on Alaskas Emerald Isle, investigates the many-faceted experiences of living on Kodiak Island. Shipwrecks, plane crashes, bears, and Kodiaks often-harsh and unforgiving environment are among the challenges facing the archipelagos hearty residents. The eight short stories in part one range in time from pre-Russian days to the present and examine humans role in Kodiaks natural realm. The five non-fiction pieces in part two are a personal testament to life in Kodiaks backcountry.

Kodiak Flapjack Tim J. Kelly, 1989

The Kodiak Island Refugium Thor N. V. Karlstrom, George E. Ball, Boreal Institute for Northern Studies, 1969 Includes studies of vascular plants, bryophytes, and Chrysophyceae.

Kodiak National Wildlife Refuge U.S. Fish and Wildlife Service. Region 7, 1987

Kodiak, Alaska Stefan Quinth, 2013-09-15 With its high mountains, clothed in emerald green and cut through with deep blue fjords, Kodiak, located in the Gulf of Alaska, is one of the most enchanting places I've ever visited. The rugged terrain has protected the islands from human exploitation, leaving the wilderness virtually untouched. This is the home of the Kodiak bear - the world's largest land predator. I first came to Kodiak in 1988 to film the beautiful scenery and the giant bears on the island. What I hadn't anticipated was the infinite hospitality of the people, who welcomed me like family. Since the early days of the Sugpiaq, through the invasion of the Russians, and the subsequent sale to the Americans, the people of Kodiak have enveloped the foreign cultures that washed upon their shores, and have developed themselves and their culture into what it

is today - a celebration of diversity and harmony. Every time I step off the plane at Kodiak's airport, I take a deep breath and think, It's good to be home! In this book, I would like to introduce you to some of my friends on Kodiak and share with you the mysteries of Kodiak's history, the diversity of cultures, the richness of the environment, the enchantment of the wilderness, and the gentle character of the giant bear. Welcome to Kodiak, Alaska - the island of the great bear!

Kodiak Island Wildlife Robin Barefield, 2021-04-15 Kodiak Island, nicknamed the Emerald Isle, gleams like a gem in the North Pacific. Lush green mountains soar skyward from the ocean, framing deep, fjord-like bays. The island's wet maritime climate and mild temperatures encourage thick vegetation growth, which provides sustenance for the abundant wildlife on the island. The Alaska Current flows northward near Kodiak, bringing warm water and nutrients to Alaska's frigid Gulf. These nutrients form the basis for one of the richest marine ecosystems in the world. Kodiak bears reign as the island's monarchs, which has among the densest brown bear populations on earth. They are one of the six endemic mammals found on Kodiak, while humans have introduced many other wild mammals to the Kodiak Archipelago. The ocean surrounding Kodiak teems with seals, sea otters, sea lions, porpoises, and whales, while bald eagles, puffins, rare black oystercatchers, and arctic terns (which migrate all the way from Antarctica) also call the archipelago home. Learn more about this beautiful North Pacific gem and its amazing wildlife—and the challenges the animals face, both human and natural—in this richly detailed book by local naturalist, wildlife biologist, and sportfishing guide Robin Barefield, with photographs by her husband, Mike Munsey.

Kodiak Bear Aragón Iriarte,2018-02-04 Un pintor con depresión permanente empieza a sufrir delirios de persecución. Pero en realidad sí lo están persiguiendo: son turistas del futuro que saben quién es él y cómo se convierte en ese personaje tras un accidente. Los turistas del futuro vienen a verlo antes de que ocurra. Una de las turistas se enamora de él y le cuenta lo que pasa y parte, pero no todo, de su futuro. Él recompone su vida y no se suicida.

Vanished: Bear Trails Darrell Farnen,2019-12-15 I met Darrell Farnen in 1975, when he was serving on the Board of Game. Over the next few years, Darrell shared remarkable stories about Alaska's hunting past. I have since hunted Kodiak several times, stayed in the cabins at Karluk Lake and read all the names on the cabin walls from successful hunters guided by this extraordinary outdoorsman. Perhaps, one day you will be inspired to do the same. I am extremely thankful that Darrell has written about his Kodiak adventures. In these pages, Darrell takes you hunting with him, and makes sure you learn something along the way. In addition to the hunting stories, he delineates with great humility many of the trials and tribulations he and others faced. You will understand the harsh Kodiak climate that Darrell and his clients endured and the skills they required to withstand these hardships. If you have hunted bears on Kodiak Island or even dreamt about hunting there, this book is a must-read. Ted Spraker

Murder Over Kodiak Robin, Barefield, 2016-07-09 When a floatplane mysteriously explodes above the Alaska wilderness, investigators begin digging into the lives of the five passengers and the pilot. Was the target of the bomb the U.S. senator in the midst of a hotly contended re-election campaign or her husband, a corporate raider with no shortage of enemies? Or could the bomb have been meant for the cannery owner involved in a contentious divorce, or the refuge manager who has a long list of adversaries, including one who has vowed to get even with him. Even the pilot could have been the target, since his girlfriend has violent tendencies and knows how to use explosives. Dr. Jane Marcus is determined to find who murdered her young assistant and the other passengers and the pilot of the floatplane, but when her own life is threatened, she knows she must and the murderer, before she becomes the next victim.

Kodiak Kreol Gwenn A. Miller, 2016-01-21 From the 1780s to the 1820s, Kodiak Island, the first capital of Imperial Russia's only overseas colony, was inhabited by indigenous Alutiiq people and colonized by Russians. Together, they established an ethnically mixed kreol community. Against the backdrop of the fur trade, the missionary work of the Russian Orthodox Church, and competition among Pacific colonial powers, Gwenn A. Miller brings to light the social, political, and economic patterns of life in the settlement, making clear that Russia's modest colonial effort off the Alaskan coast fully depended on the assistance of Alutiiq people. In this context, Miller argues, the relationships that developed between Alutiiq women and Russian men were critical keys to the initial success of Russia's North Pacific venture. Although Russia's Alaskan enterprise began some two centuries after other European powers—Spain, England, Holland, and France—started to colonize North America, many aspects of the

contacts between Russians and Alutiiq people mirror earlier colonial episodes: adaptation to alien environments, the discovery and exploitation of natural resources, complicated relations between indigenous peoples and colonizing Europeans, attempts by an imperial state to moderate those relations, and a web of Christianizing practices. Russia's Pacific colony, however, was founded on the cusp of modernity at the intersection of earlier New World forms of colonization and the bureaucratic age of high empire. Miller's attention to the coexisting intimacy and violence of human connections on Kodiak offers new insights into the nature of colonialism in a little-known American outpost of European imperial power.

Kodiak Small Boat Harbor, 1978

Kodiak's Claim Eve Langlais, 2014-07-29 A Big Bear Romance He might growl, but she's not afraid to bite. Hands full taking care of his clan, the last thing this Kodiak bear needs is a woman poking her cute little nose into his affairs. But when she refuses to back down—and shows the courage to stand up to him—he can't resist the allure of a curvy city girl. She's mine. All mine. And when a rival clan thinks to use her to force his paw, he'll show them why you never piss off a Kodiak, or threaten what's his. Tammy is convinced all men are scum, even gorgeous ones like Reid Carver. She knows he's hiding something. Something big. She just never expected a real freaking bear hid underneath all those yummy muscles. But when the truth comes out and he tries to scare her off with a roar, she shows him not just bears have bite. Welcome to Kodiak Point, where the wildlife might wear clothes, but animal instinct rules the heart. # 1 Kodiak's Claim , #2 Outfoxed by Love, #3 Polar Bared , #3.5 Caribou's Gift, #4 Wolf's Capture, #5 Grizzly Love Genre: paranormal romance, werewolf romance, shapeshifter romance, fantasy romance, alpha

male, bear romance, military romance, humorous romance, comedy romance, Alaska romance

Kodiak Alaska Deer Jake Jacobson,2018-01-07 A collection of 38 stories and 110 photos recounting some of Jake's experiences hunting Kodiak's Sitka Blacktail deer for more than fifty years. A collection of 38 stories and 110 photos recounting some of Jake's experiences hunting Kodiak's Sitka Blacktail deer for more than fifty years.

Monarch of Deadman Bay Roger A. Caras,1990

Karluk Bones Robin Barefield,2019-09-01 When two men, recently discharged from the air force, set out for a hunting trip on Kodiak Island in Alaska, they expect the adventure of a lifetime. Instead, they find themselves embroiled in a never-ending nightmare. More than forty years later, biologist Jane Marcus and her friends discover human remains near Karluk Lake in the middle of the Kodiak National Wildlife Refuge. Jane soon learns a bullet was responsible for shattering the skull they found. What happened? Was the gunshot wound the result of a suicide, or was it homicide? Who was this individual who died in the middle of the wilderness, and when did he die? Jane can't stop asking questions, and she turns to Alaska State Trooper Sergeant Dan Patterson for answers. Sergeant Patterson doesn't have time for Jane and her questions because he is investigating the recent murder of a floatplane pilot on the island. Was the pilot shot by one of his passengers, by another pilot, by campers in the area where his body was found, or did his wife hire someone to kill him? The number of suspects in the case overwhelms Patterson, but a notebook in the pocket of the dead pilot provides clues to the last weeks of the pilot's life. With no time to spare for old bones, Patterson gives Jane permission to research the remains she found near Karluk Lake. Jane's investigation into the bones seems harmless

to Patterson, but she awakens a decades-old crime which some believed they'd buried long ago. Will Patterson find who murdered the pilot before the killer leaves the island, and will Jane's curiosity put her life in danger? What evil lurks at Karluk Lake?

Kodiak Kings Jason Wood,2006-07-15 The Bears of Kodiak Island are a unique subspecies of Alaskan Brown Bear found only on Kodiak Island.

Massacre at Bear Creek Lodge Robin Barefield,2022-03-01 In this exciting new novel by wildlife biologist, guide, and writer Robin Barefield, Alaska State Trooper Sergeant Dan Patterson flies to a remote area of Kodiak Island to investigate the massacre of eight people at a small lodge, where he encounters the worst murder scene he has ever investigated. How did someone kill eight people in the middle of the wilderness and then disappear? Patterson takes a hard look at those closest to the lodge owners. Did estranged siblings Brian or Deb Bartlett murder their parents and the six guests at the lodge? Was the killer the mysterious outdoorsman who lives a few miles away or someone at the cannery in this sparsely populated bay? Each time Patterson picks up a lead, new evidence shifts the course of the investigation. Meanwhile, the killer strikes again, murdering one of Patterson's main suspects, and Patterson knows he must stop the monster before more people die.
