Diachrony of Personal Pronouns in Japanese Osamu Ishiyama,2019-01-15 Personal pronouns in Japanese form a heterogeneous category. This book investigates their historical development from a functional perspective. It shows that while nouns give rise to personal pronouns through semanticization of pragmatic inferences, the use of non-nominal forms such as demonstratives and reflexives for person referents can be resolved within their original functions, offering little reason to treat them as personal pronouns. The cross-linguistic investigation into the common sources of personal pronouns reveals that the development of personal pronouns from nouns is largely consistent with grammaticalization, but that of forms of non-nominal origins requires separate mechanisms such as spatial/empathetic perspectives and displacement of semantic features for politeness, showing that a one-size-fits-all approach to diachrony of personal pronouns is not sufficient. This book will be of special interest to researchers and students in historical linguistics, pragmatics, and Japanese linguistics, who take a functional view of language.

The Mysterious Address Term anata 'you' in Japanese Yoko Yonezawa,2021-10-15 The use of the second person singular pronoun anata ‘you’ in modern Japanese has long been regarded as mysterious and problematic, generating contradictory nuances such as polite, impolite, intimate, and distancing. Treated as a troublesome pronoun, scholars have searched for a semantically loaded meaning in anata, under the assumption that all Japanese personal reference terms involve social indexicality. This book takes a new approach, revealing that anata is in fact semantically simple and its powerful expressivity is explained only in pragmatic terms. In doing so, the study brings to bear a thorough understanding of key issues in pragmatics, such as common ground, sociocultural norms, and shared understandings, in order to fully grasp the meaning and usage of this single linguistic item. This book will be of interest to scholars and students in a range of linguistic fields, such as semantics, pragmatics, sociolinguistics, discourse analysis, anthropological linguistics, linguistic typology, cultural linguistics, as well as applied linguistics.

Function and Structure Akio Kamio,Ken-ichi Takami,1999-03-15 This collection of papers on functional syntax shows the development of a specific stream of functional linguistics initiated by Susumu Kuno of Harvard University. Inspired by Prague School linguists such as Jan Firbas and Vilém Mathesius, Kuno developed a more comprehensive and theory-oriented approach and linked it with the American formalist approach of generative grammar. His approach is thus a unique combination of functionalism and formalism that constantly urges the promotion of interactions between these two major trends in linguistics. The papers in this collection coherently deal with functional aspects of linguistics from a wide variety of perspectives such as theoretical, applicational, experimental and diachronic aspects, incorporating the functional concept advocated by Kuno.

Sue & Tai-chan 1 Konami Konata,2020-07-21 The adorable new odd-couple cat comedy manga from the creator of the beloved Chi’s Sweet Home and Chi’s Sweet Adventures, in full color and formatted for English readers, just like Chi! Sue is an aging housecat who’s looking forward to living out her life in peace... but her plans change when the mischievous black tomcat Tai-chan enters the picture! Hey! Sue never signed up to be a catsitter! Sue and Tai-chan is the latest from the reigning meow-narch of cute kitty comics, Konami Kanata.

Kyoto Animation Dani Cavallaro,2012-08-23 Kyoto Animation, a studio with very humble beginnings, has gained recognition the world over as a uniquely inspired and inventive enterprise. This book examines Kyoto Animation's philosophy and creative vision with close reference to its anime. It focuses on the studio's choice of genres, themes and imagery while exploring its maintenance of high production values. The analysis highlights the studio's commitment to the pursuit of both artistic excellence and technical experimentation--and its reliance on the imagination and expertise of in-house staff.

The Rails 5 Way Obie Fernandez,2017-11-22 The “Bible” for Rails Development: Fully Updated for Rails 5 “When I read The Rails Way for the first time, I felt like I truly understood Rails for the first time.” —Steve

Klabnik, Rails contributor and mentor *The RailsTM 5 Way* is the comprehensive, authoritative reference guide for professionals delivering production-quality code using modern Ruby on Rails. Obie Fernandez illuminates the entire Rails 5 API, its most powerful idioms, design approaches, and libraries. He presents new and updated content on Action Cable, RSpec 3.4, Turbolinks 5.0, the Attributes API, and many other enhancements, both major and subtle. Through detailed code examples, you'll dive deep into Ruby on Rails, discover why it's designed as it is, and learn to make it do exactly what you want. Proven in thousands of production systems, the knowledge in this book will maximize your productivity and help you build more successful solutions. Build powerful, scalable, REST-compliant back-end services Program complex program flows using Action Controller Represent models, relationships, and operations in Active Record, and apply advanced Active Record techniques Smoothly evolve database schema via Migrations Craft front-ends with ActionView and the Asset Pipeline Optimize performance and scalability with caching and Turbolinks 5.0 Improve your productivity using Haml HTML templating Secure your systems against attacks like SQL Injection, XSS, and XSRF Integrate email using Action Mailer Enable real-time, websockets-based browser behavior with Action Cable Improve responsiveness with background processing Build "API-only" back-end projects that speak JSON Leverage enhancements to Active Job, serialization, and Ajax support

A Reference Grammar of Classical Japanese Prose Alexander Vovin,2003 This complete description of the language of the golden Heian period (794-1185) features an innovative morphological analysis to facilitate reference usage and provides a comprehensive reference work for students of classical Japanese.

Sue & Tai-chan 4 Konami Konata,2021-05-03 There's a new kitten on the block! After sneaking in through an open window, Sue and Tai-chan's new neighbor Ran makes herself right at home. While the kittens make perfect playmates, senior cat Sue basks in her chance to finally enjoy some peace and quiet...at least until things get livelier than ever before!

Sue & Tai-chan 3 Konami Konata,2021-07-20 Blissful days abound for Sue and Tai-chan as they settle into a unique, synchronized rhythm. Snooping around for treats, going on fun-filled adventures—they can take on any challenge if they have each other! But when Tai-chan's owner finally returns home, what is a pair of best friends to do...?

Sue & Tai-chan 2 Konami Konata,2020-10-27 Sue is finally getting used to Tai-chan romping around her territory, but still wishes he would learn some manners—especially with neighborhood cats dropping by! Using her wealth of feline wisdom, Sue is determined to teach Tai-chan what it takes to be a cool grown-up. After all, how hard could that be...?

The Transformative Potential of Black British and British Muslim Literature Lisa Ahrens,2019-07-31 This study investigates power, belonging and exclusion in British society by analysing representations of the mosque, the University of Oxford, and the plantation in novels by Leila Aboulela, Robin Yassin-Kassab, Diran Adebayo, David Dabydeen, Andrea Levy, and Bernardine Evaristo. Lisa Ahrens combines Foucault's theory of heterotopia with elements of Wolfgang Iser's reader-response theory to work out Black British and British Muslim literature's potential for destabilising exclusionary boundaries. In this way, new perspectives open up on the intersections between space, power and literature, intertwining and enriching the discourses of Cultural and Literary Studies.

Rap Dad Juan Vidal,2020-03-17 This timely reflection on male identity in America that explores the intersection of fatherhood, race, and hip-hop culture "is a page-turner...drenched in history and encompasses the energy, fire, and passion that is hip-hop" (D. Watkins, New York Times bestselling author). Just as his music career was taking off, Juan Vidal received life-changing news: he'd soon be a father. Throughout his life, neglectful men were the norm—his own dad struggled with drug addiction and infidelity—a cycle that, inevitably, wrought Vidal with insecurity. At age twenty-six, with barely a grip on life, what lessons could he possibly offer a kid? Determined to alter the course for his child, Vidal did what he'd always done when confronted with life's challenges—he turned to the counterculture. In *Rap Dad*, the musician-turned-journalist takes a thoughtful and inventive approach to exploring identity and examining how today's society views fatherhood. To root out the source of his fears around parenting, Vidal revisits the flash points of his juvenescence, a feat that transports him, a first-generation American born to Colombian parents, back to the drug-fueled streets of 1980s–90s Miami. It's during those pivotal years that he's drawn to skateboarding, graffiti, and the music of rebellion: hip-hop. As he looks to the past for answers, he infuses his personal story with rap lyrics and interviews with some of pop culture's most compelling voices—plenty of whom have proven to be some of society's best, albeit nontraditional, dads. Along the way, Vidal confronts the unfair stereotypes that taint urban men—especially Black and Latino men. "A heartfelt examination of the damage that wayward fathers can leave in their wake" (The Washington Post), *Rap Dad* is "rich with symbolism...a poetic chronicle of beats, rhymes, and life" (NPR).

A Text-book of Colloquial Japanese Rudolf Lange,1903

Nicki Minaj: Hip Pop Moments 4 Life Isoul Harris,2012-10-15 Hip Pop Moments 4 Life explores Onika Tanya Maraj's spectacular transformation from early childhood in Trinidad via her days as an unknown rapper on the New York underground scene to fully-fledged songwriter, international star and chart topper. With exhaustive research, exclusive quotes, insider information and a never-before-published interview with Nicki Minaj herself, this smart book presents every aspect of the rapper's life: the complicated relationship with her father; the real story behind her unbelievable record deal with Lil Wayne and Young Money Records; and why she has been ambiguous about her sexuality. The author explores all of this and much more in a book packed with juicy news and beautiful pictures: the ultimate guide to all things Minaj.

Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website

Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Konata full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Konata eBooks, including some popular titles.

FAQs About Konata Books

What is a Konata PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of

a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Konata PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Konata PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Konata PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Konata PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. **How do I compress a PDF file?** You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. **Can I fill out forms in a PDF file?** Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting

text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
