With chapters on baby-naming history, naming trends, the attributes of a perfect name, middles names, etc. as well as 276 fun name lists like popular names in different countries, and bizarre lists such as the names of models, First Ladies, Reality TV Stars and more, this book could keep me going until I deliver! 5minutesformom.com We've seen a lot of baby name books in our time, some good, and some not so good. This one's a good one...It has the big list, so that you can look up the definitions of the names that you're considering. But, it also teaches you how to pick a really great name for your little bundle of joy... So, if you just want definitions, this book's got those. If you just don't know what name you want, or if you're scared of choosing the wrong name, this book can help. thefamilylog.com
