*Beyond Style and Genre* Christofer Jost, 2023 Popular culture today manifests itself in a dense network of styles and genres, while the aesthetic preferences of the audience are highly differentiated. Besides, popular culture also implies a diversity of aesthetic strategies, discourses and value systems that traverse the symbolic demarcations between styles and genres and are effective across different artistic fields and individual media. Aesthetic concepts such as camp, retro or trash are expressions of a transgressive mode of production that facilitates a multitude of cross-connections between aesthetic spaces of experience. The volume brings together authors from different disciplines who approach aesthetic concepts in popular culture on a historical, theoretical and methodological level, analyze them on the basis of various aesthetic phenomena, or discuss aspects relevant to their theoretical contextualization, such as the emergence and establishment of artistic practices and aesthetic value systems.

The contributions, which were selected by means of a rigorous international peer-review process, highlight numerous exciting ideas that will spur novel research directions and foster multidisciplinary collaborations.

**Japanese Animation in Asia** Marco Pellitteri, Wong Heung-wah, 2021-09-28 Anime is a quintessentially Japanese form of animation consisting of both hand drawn and computer-generated imagery, and is often characterised by colourful graphics, vibrant characters, and fantastical themes. As an increasingly globalising expression of popular art and entertainment, and distributed through cinema, television, and over the internet, anime series and films have an enormous following, not only in Japan but also in Asia. This book provides a comprehensive survey of the historical development, industrial structure, and technical features of Japanese animation and of the overall dynamics of its globalisation in key contexts of the Asian region. Specific chapters cover anime's production logics, its features as an 'emotion industry', and the involvement of a range of Asian countries in the production, consumption, and cultural impact of Japanese animation.

Women in Formal and Informal Education ,2023-05-01 Understanding the processes related to gender construction requires a multi and interdisciplinary approach. Complexity emerges as a category of investigation and an end to be pursued, giving space to a plurality of voices, interpretations, and points of view. With such intellectual curiosity, the volume's authors questioned the inclusion and exclusion of these multiple voices in education. How has teaching on gender made room for this complexity? What views were included? Which ones were overlooked? What have educational models for children been privileged in the imagination? Which histories and stories have accompanied them in acquiring an awareness linked to gender? Through such important questions and many more, the volume highlights the gender changes that took place from mid-eighteenth century to today in various contexts relating to formal and informal education through an international comparative perspective. The multiplicity of approaches, methodologies, and perspectives allows us to read and analyze these changes in a composite way, underlining little-known aspects of gender studies in the historical-educational field.

*Gems of Love Romance Collection (Books 1-3)* Agnes Canestri, 2022-06-10 Three swoon-worthy sweet romances that will leave you turning pages and warm your heart with their happily-ever-afters. **LOVING THE BOSS** - Feel the sizzle as Eleni escapes to a tropical haven where her whirlwind dance of fresh starts intertwines with Matteo, a diving instructor with eyes deeper than the Mariana Trench. Can they ride the waves of romance to a joyful finale on their paradise stage? **GAMBLING WITH THE BILLIONAIRE** - Ryan and Bianca tango between business and pleasure, showing that balancing love and ambition is trickier than teetering in stilettos on a tightrope. Prepare for a delectable mix of risks, sizzles, and spontaneous flair in this sweet love adventure! **FAKE-DATING THE SINGLE DAD** - Nick's juggling more than a Thanksgiving feast when he recruits Ginny, a sassy nanny with secrets, for a fauxmance. *Circuit-Breaker #4 (Of 5)* Kevin Mccarthy, 2017-03-22 Armed with a new, uh, arm, Chiren does battle with her most fearsome opponent yet: an otaku vending machine that dispenses death.

**We Are Family** Fabio Bartolomei, 2019-01-08 "Zanily inventive . . . This deeply eccentric comedy belongs in the company of the best novels about wildly precocious kids" (The Seattle Times). Al Santamaria is a child prodigy, maybe a genius. It is not out of the

realm of possibility that he, alone, will save the human race. But first, he has to solve a far more urgent problem: finding a home for his family. He exists, like many kids, in a realm located somewhere between reality and fantasy, enjoying time with imaginary friends and wielding his magical powers. He has a wonderful relationship with his father, Mario Elvis, and his mother, Agnese, and he's convinced he has the best family in the world. But life isn't all roses for the Santamaria family. They are typical of many Italian families today, whose existences seem suspended between conflicting impulses: on the one hand, delusions of grandeur and immoderate ambition, and on the other nostalgia for a past golden age and the secret wish that somebody, anybody, will come to their rescue. Big dreams, it appears, exist to be crushed. But Al is not about to give up. He lives in a marvelous world of his own. He has the energy, imagination, and unselfconscious talents of a child. And, although he doesn't know it yet, he is going to remain a child his entire life. "An extended, guffaw-inducing, and sometimes tragic trip through Al's young life. It reads like an Italian sitcom." —Foreword Reviews "An amazing novel: it'll move you and make you laugh." —Elle "A plot shot through with the richness of Italian comedy and bright irony." —La Repubblica

*Participatory Culture* Henry Jenkins, 2019-10-15 Since 2006, Henry Jenkins's Confessions of an Aca-Fan blog has hosted interviews in which academics, activists, and artists have shared their views on the changing media landscape. For the first time, Jenkins – often called "the Marshall McLuhan for the twenty-first century" – compiles some of these interviews to highlight his recurring interests in popular culture and social change. Structured around three core concepts – culture, learning, politics – and designed as a companion to *Participatory Culture in a Networked Era*, this book broadens the conversation to incorporate diverse thinkers such as David Gauntlett, Ethan Zuckerman, Sonia Livingstone, S. Craig Watkins, James Paul Gee, Antero Garcia, Stephen Duncombe, Cathy J. Cohen, Lina Srivastava, Jonathan McIntosh, and William Uricchio. With an introduction from Jenkins and reflections from each interviewee, this volume speaks to a sense of crisis as contemporary culture has failed to fully achieve the democratic potentials once anticipated as a consequence of the participatory turn. This book is ideal for students and scholars of digital media, popular culture, education, and politics, as well as general readers with an interest in the topic.

*An Astrological Guide for Broken Hearts* Silvia Zucca, 2019-07-09 NOW A NETFLIX ORIGINAL SERIES Frustrated at the path her life has taken, Alice decides to take control of her personal life using astrology as her guide in this quirky, steamy, and hilarious romantic comedy. Alice Bassi is (a little) over thirty, single (not by choice), and she can't help but feel that she is failing at this whole adulthood thing. She's stuck in a dead-end job, just found out her ex-boyfriend is engaged to his pregnant girlfriend, and Richard Gere hasn't shown up with flowers and a limo to save her from it all. On one particularly disastrous morning—when Alice would much rather have stayed home, curled up with her favorite rom-coms—she meets Davide Nardi. Handsome yet indecipherable, Davide would be the leading man of Alice's dreams—if only he weren't the "hatchet man" brought in to help streamline production and personnel at the small television network she works for. In the midst of all this, Alice runs into Tio—an actor and astrology expert who is convinced he can turn her life around with a little help from the stars. Skeptical but willing, Alice decides to take Tio's advice and only date men whose Zodiac signs are compatible with hers. Unfortunately, it turns out that astrological affinity doesn't always guarantee a perfect match, nor prevent a series of terrible dates, disappointments, and awkward surprises. It also doesn't keep Davide from becoming more attractive every day. Perfect for fans of Bridget Jones's Diary and Star-Crossed, *An Astrological Guide for Broken Hearts* is a witty, sexy, and relatable portrait of a modern woman's search for love and a dream job, only to discover that your destiny isn't always written in the stars.

*The Smile Of The Moon* Klaus Zambiasi, 2019-05-16
