Tiffany Roberts

**The Kraken** Don C. Reed, 1997 Struggling to maintain their home in a Newfoundland fishing village in the 1870s, Tom Piccot and his family deal with a menacing kraken--a giant squid, larger than a whale, that Tom has survived once and will undoubtedly encounter again.

**The Kraken's Curse** Ben Atkinson, 2008 Just when Arthur Boston is looking for a point to his life he receives a letter telling him that his father has disappeared in mysterious circumstances.

**The Kraken Sea** E. Catherine Tobler, 101-01-01 Shifting supernatural borderlands inspire awe and ancient gods mirror very human desires in a fear fable that balances complex philosophy with relentless, image-packed action. Tobler creates a fluid, transformative universe that's equal parts exhilaration and terror. – Publishers Weekly (Starred Review) Fifteen-year-old Jackson is different from the other children at the foundling hospital. Scales sometimes cover his arms. Tentacles coil just below his skin. Despite this Jackson tries to fit in with the other children. He tries to be normal for Sister Jerome Grace and the priests. But when a woman asks for a boy like him, all that changes. His name is pinned to his jacket and an orphan train whisks him across the country to Macquarie's. At Macquarie's, Jackson finds a home unlike any he could have imagined. The bronze lions outside the doors eat whomever they deem unfit to enter, the hallways and rooms shift and change at will, and Cressida – the woman who adopted him – assures him he no

longer has to hide what he is. But new freedoms hide dark secrets. There are territories, allegiances, and a kraken in the basement that eats shadows. As Jackson learns more about the new world he's living in and about who he is, he has to decide who he will stand with: Cressida, the woman who gave him a home and a purpose, or Mae, the black-eyed lion tamer with a past as enigmatic as his own. The Kraken Sea is a fast paced adventure full of mystery, Fates, and writhing tentacles just below the surface, and in the middle of it all is a boy searching for himself.

Kraken China Miéville, 2010 A contemporary fantasy set in present-day London finds people flocking to a British Museum exhibit of a giant squid that is stolen by magical criminals, a crime that propels young curator Billy into a supernatural underworld.

**The Time of the Kraken** Jay Williams, 1978 Thorgeir Redhair learns of a great danger threatening his people and their foes, the Tynnings, and of an even greater truth that will end their ancient quarrel.

The Kraken King Meljean Brook, 2014-11-04 Experience the incredible adventure and heart-stopping romance of the Iron Seas in this thrilling steampunk tale from New York Times bestselling author Meljean Brook. A former smuggler and thief, Ariq—better known as the Kraken King—doesn't know what to make of the clever, mysterious woman he rescues from an airship besieged by marauders. Unsure if she's a spy or a pawn in someone else's game, Ariq isn't about to let her out of his sight until he finds out... After escaping her

fourth kidnapping attempt in a year, Zenobia Fox has learned to vigilantly guard her identity. While her brother Archimedes is notorious for his exploits, Zenobia has had no adventures to call her own—besides the stories she writes. But when she jumps at the chance to escape to the wilds of Australia and acquire research for her next story, Zenobia quickly discovers that the voyage will be far more adventurous than any fiction she could put to paper...

**Kraken Rising: Alex Hunter 6** Greig Beck, 2015-10-22 The Arcadian returns to the dark ice in a reprisal of one of his first and most deadly missions. But this time the stakes couldn't be higher. In 2008, a top secret US submarine went missing on its test voyage off the coast of Antarctica. After years of silence, its emergency beacon is suddenly activated, but strangely, the beacon is emanating from a point miles below the ice sheets of the frozen continent. The race is on. The Chinese government, alerted at the same time as the Americans, is after the submarine's secrets. And the Americans need to retrieve their technology, quickly and quietly, from a place now marked as an international forbidden zone. With the reluctant assistance of petrobiologist Aimee Weir, Alex Hunter and his team of HAWCs return to the location of their first mission together. But only a few members of the team know the truth. A treacherous horror lies in wait for them, deep beneath the Antarctic ice. A direct follow up to 2009's *Beneath the Dark Ice* this thriller is packed with mystery and suspense, and perfect for fans of Matthew Reilly, Steve Alten,

*Kraken* China Mieville, 2010-06-24 A dark urban fantasy thriller from one of the all-time masters of the genre. the literary fantasy of the year Guardian, Fiction Recommendations of the Year Deep in the research wing of the Natural History Museum is a prize specimen, something that comes along much less often than once in a lifetime: a perfect, and perfectly preserved, giant squid. But what does it mean when the creature suddenly and impossibly disappears? For curator Billy Harrow it's the start of a headlong pitch into a London of warring cults, surreal magic, apostates and assassins. It might just be that the creature he's been preserving is more than a biological rarity: there are those who are sure it's a god. A god that someone is hoping will end the world. PRAISE FOR CHINA MIEVILLE [Mieville s] wit dazzles, his humour is lively, and the pure vitality of his imagination is astonishing. Ursula K. Le Guin, The Guardian (on Three Moments of an Explosion) Dark and thought-provoking. The San Diego Union-Tribune (on The City & The City) Richly conceived. The New York Times Book Review (on Embassytown) Compulsively readable. The Washington Post Book World (on Perdido Street Station)

Will the crew of Platform Alpha One and the inbound warships be able to stop the monster or now that the Kraken has arisen is it already too late?

*Rise, Kraken!* Alex Laybourne, 2016-05-24 When Lieutenant Jenna Harrington and her crew pulled their US CoastGuard cutter up against a stricken fishing vessel, the last thing they expected to find was a boat covered in blood, the lone survivor muttering about a sea monster. Yet before they know it, they are locked in a battle with a beast straight from the gates of hell. Pitted in a war against a creature they don't understand. the US Navy is caught in a fight that will change everybody involved, forever. When tensions run high between the captains in the makeshift attack group, their internal squabbles threaten to get them all killed. The Kraken has risen, and the world will never be the same again.

Isaac the Pirate, Vol 2: The Capital Christophe Blain, Edward Joe Johnson, 2003 Wanting to marry the love of his life, Isaac, a talented but poor artist, signs on for a voyage with a rich Captain to make some quick money, but the voyage turns into a series of adventures when the Captain turns out to be a pirate.

*Kraken Island* Eric S. Brown, 2016-05-09 Colonel Brannon Jackson's Reapers

are the toughest, deadliest, black ops squad that America has at her disposal. When the mission can't afford to fail, the Reapers are the ones on the sharp end. A group of doomsday cultists determined to bring about the end of humanity is the Reapers' latest target but this time even the Reapers may not be able to save the world as a prehistoric monster rises to claim the Earth's seas as its own.

**Hunter of the Tide (The Kraken #3)** Tiffany Roberts, 2019-01-14 HIS SOLACE AND HIS HOPE Randall Laster crossed Halora to hunt the kraken, sea monsters that weren't supposed to be real. Betrayed by men he trusted, he was left to die. Instead, he finds himself living with the beings once meant to be his prey. Randall struggles to find his place amongst the kraken and to find a purpose to the new course his life has taken. Hope comes in two unexpected forms: an injured, amphibious sea creature in need of care, and Rhea, a strong-willed kraken who's made no secret of her interest in him. Can he reconcile the tensions between humans and kraken and look beyond their differences so that he can claim Rhea as his own, or will old prejudices and hostilities tear them apart forever?

DESRON 13, under the command of Commodore Blanton, has been dispatched to assess the situation. Blanton fears that the genetically engineered sharks of Project Megalodons have somehow managed to break free and turn on their creators. DESRON 13 however is destined for an encounter with an ancient evil from long before the time of man.

**The Kraken King** Meljean Brook, 2014

**Blackwater Kraken** Sean-Michael Argo, 2019-02-09 Warrior crews in rusted

ships hunt mutated whales and battle toxic sharks in the aquatic wasteland the world has become. The Penny Dreadful has fought through treacherous oceans, met many a challenge, and paid a steep price for every victory. Now a new threat has emerged from the depths, and a dark tide known as blackwater begins to cover the seas. A caustic oil slick that moves as fast as any ship, consuming everything in its path, and with it swims a tentacled beast that is not only hunting the leviathans to extinction, but seems intent upon destroying every whaleship and settlement it can find. Captain Drucilla's crew has become legendary across the seas for their hunts and their heroism. And yet who among them dares hope to survive against this terror from the deep? Adventure awaits and carnage spreads in this post-apocalyptic story of sea monsters and the brave souls who hunt them.

*Kraken Mare* Jason Cordova, Christopher L. Smith, 2016-03-04 Sergeant John Manning was a simple Marine who liked spicy foods, big guns, and even bigger explosions- so long as those guns and explosions weren't pointed in his direction. When offered a well-paying job after being unceremoniously drummed out of his beloved Corps on a medical discharge, he jumped at the opportunity for good money and the prospects of a bright future. For the first time in recent memory, John had a chance at life. Then his life turned into a horror movie. The secret research station hidden on the moon of Titan was not just any government facility. It harbored dark secrets and frightening realities. The scientists here have not only studied more than just the local fauna, but

have discovered something far more important. A discovery which would shock the very foundations of the universe. Something out of a nightmare. The depths of Kraken Mare hid a horrifying truth, and the unwitting Marine stumbled right into it.
