**Rolling Thunder Stock Car Racing: Race To Glory** Kent Wright, Don Keith, 2014-07-15 The pedal meets the metal in Rolling Thunder Stock Car Racing--the thrilling series from Kent Wright and Don Keith that traces the history of stock car racing from the dusty dirt tracks of East Tennessee to the multi-million-dollar, high-tech venues of today. In the race to glory, only one man can finish first... For Jodell Lee, it's been an exciting, dizzying climb to the top of the stock car racing circuit. Gone are the days of racing round flat dirt ovals on Sunday afternoons. Stock car racing is big business now. Superspeedways have replaced the dirt tracks. Tens of thousands of fans pack the speedways for every race to watch the likes of Lee Petty, Junior Johnson, Fireball Roberts--and Jodell Lee--thunder around the steep-banked tracks of Darlington and Daytona and Charlotte. But it isn't just the business that's changed. So has Jodell. He now has a wife and a child, and also a sponsor. And they're all depending on him to win--expecting him to win. Is the pressure of always having to finish first beginning to take a toll on Jodell? A fiery crash could end his career...in Race to Glory--the exciting sequel to White Lightning and Road to Daytona. *Rolling Thunder Stock Car Racing: On The Throttle* Kent Wright, Don Keith, 2001-01-15 Hot young rookie Rocket Rob Wilder has burst onto the racing scene in a big way, but that first Cup victory has still so far eluded him. But finally Victory Lane is in sight. Wilder's leading the pack at Indy in one of the season's biggest races when, in an awful instant, his racing luck and his magical first year in big-time competition takes a sudden, disastrous turn. For the first time in his fledgling career, the amazingly talented driver must confront his own self-doubts . . . and serious injury. Does he have the stomach-and the steel-to fight his way back to the head of the pack? If he does, he will have to prove it on the high banks of Talladega, the world's most intimidating racetrack. The engines are hot. The flag is about to drop. Time for talk is over. If Rob is going to win, he'll have to stay on the throttle.

**The Cinema of Krzysztof Kieslowski** Marek Haltof, 2004-06-09 Since his death in 1996, Krzysztof Kieslowski has remained the best-known contemporary Polish filmmaker and one of the most popular and respected European directors, internationally renowned for his ambitious Decalogue and Three Colors trilogy. In this new addition to the Directors'Cuts series, Marek Haltof provides a comprehensive study of Kieslowski's cinema, discussing industrial practices in Poland and stressing that the director did not fit the traditional image of a great East-Central European auteur. He draws a fascinating portrait of the stridently

independent director's work, noting that Kieslowski was not afraid to express unpopular views in film or in life. Haltof also shows how the director's work remains unique in the context of Polish documentary and narrative cinema.

**Rolling Thunder Stock Car Racing: First To The Flag** Kent Wright, Don Keith, 2014-06-24 The pedal meets the metal in Rolling Thunder Stock Car Racing--the thrilling series that traces the history of stock car racing from the dusty dirt tracks of East Tennessee to the multi-million-dollar, high-tech venues of today. In the 200-mile-per-hour world of championship stock car racing, if you aren't the first man to the flag, all the talent and promise in the world ain't worth a bucket of spit. Rocket Rob Wilder is everything the fans and those inside big-time car racing knew he could be: daring, polished, talented, and a sure threat to win. His meteoric rise to the top of the tough Grand National division, as well as his thrilling, crowd-pleasing showdowns with some of the other young racers, promise even more success. But you can't bake a pie with nothing but promise. In order to prove he really is the real deal, Wilder is going to have to make the jump into the big league. And that means racing--and beating--the likes of Dale Earnhardt, Mark Martin, and Jeff Gordon. Does the Rocket have what it takes? First to the Flag by Kent Wright and Don Keith continues the saga of the men who risk it all to be the first under the checkered flag. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.
