Viro of Kshatriya Jonah Lissner,2005-03 ... beyond the obstinate rising and falling of dusky dunes, swollen with finely ground bones of those who had perished long ago, reddish desert spread and the occasional swath of greenish scrub bloomed beneath precious dawn. Whippets of sand grit against the tall rider's face, stinging his nostrils between layers of linen, his face seared reddish-brown from miles of sun-beaten transportation saddled upon a swift and sturdy desert-pony. The steady gallop had long ago welded his thoughts into a fine skein like beaten metal, the gallop the rhythmic strike of the iron-melding blacksmith. Viro's back straightened as high and sturdy as a date palm erect and proud of carriage. A massive, muscled arm flexed as his huge hands gripped the worn and sturdy pommel of his dagger, his great Kshatriyan battle-axe smithed and hewn from the finest iron in the world ...

Raising Hell for Peace Shashi Bakshi,2020-11-23 About the Book: The book is a fictional political thriller with a mythological undertone. It weaves together conspiracy theories on how powerful individuals collude to shape destructive events across the globe and hide facts around it to suit their needs. It's rare that the people will ever find the truth behind such events. But there is hope. There are a chosen few who will fight back in these corridors of power and use what the manipulators thought was unique to them, against them. While Julius handles diplomatic affairs for Vatican, he has collaborated with Russian and American leaderships to achieve his geopolitical ambitions. Kalki is the prophesied tenth avatar of the Hindu God Vishnu. Guruji considers Desh to be the one. But in midst of a political turmoil, Desh's true potential is fading as he is not realizing his supposed destiny to establish a majoritarian state. This is worrying Balraj as he looks for a veiled relic that holds the key. In contrast, Arya is on a quest to establish a metaphorical Utopian society across the globe. At the same time, he is guiding Desh to keep him away from the misplaced objective Balraj anticipates of him. -What is Julius' desire and how will it manifest? -What bond do Desh and Arya share? -What enigma is Balraj looking for? -Does Mythology have the answers they seek?About the Author: Shashi is a keen political observer and draws inspiration from mythology in his life and writing. He intertwines the two worlds to create gripping page turners. Along with writing, Shashi pursues a career in Management Consulting. Academically, Shashi pursued Mechanical Engineering from KJSCE, Mumbai University and is a Master of Business Administration from University of Maryland, USA.

He is also a deep cover agent working against terrorists and other enemies to the United States. He takes on his greatest challenge when he encounters a sinister organization called Pai Foo, or, White Tiger, a ruthless criminal organization bent on threatening the United States. Things really heat up when Monica Ling is kidnapped. Nathaniel J. Smith takes ruthless action to rescue her, but will it be enough?

Ancient India Ramesh Chandra Majumdar,1977 This is a comprehensive, intelligible and interesting portrait of Ancient Indian History and Civilization from a national historical point of view. The work is divided into three broad divisions of the natural course of cultural development in Ancient India: (1) From the prehistoric age to 600 B.C., (2) From 600 B.C. to 300 A.D., (3) From 300 A.D. to 1200 A.D. The work describes the political, economic, religious and cultural conditions of the country, the expansionist activities, the colonisation schemes of her rulers in the Far East. Political theories and administrative organizations are also discussed but more stress has been laid on the religious, literary and cultural aspects of Ancient India. The book is of a more advanced type. It would meet the needs not only of general readers but also of earnest students who require a thorough grasp of the essential facts and features before taking up specialized study in any branch of the subject. It would also fulfil requirements of the candidates for competitive examinations in which Ancient Indian History and culture is a prescribed subject.
