*The Boy Scouts in the Saddle* Robert Shaler,1914

**The Baku Boy Scouts** Lloyd Sparks,2008-10 Ollie wants to lead a Boy Scout troop. Wade wants to lead soldiers into combat. Dr. Snider just wants to go home and retire. The three men find themselves taking a group of reluctant teenagers on a campout in the wilds of Nagorno Karabakh, where they get hopelessly lost. They wander into the no-man's-land between Armenia and Azerbaijan and find themselves caught up in a small war. To make things worse, the US has lost a nuclear warhead in the area and the Russians and Iranians want to find it as badly as the Americans do. The kids come upon it first and only the Baku Boy Scouts and their arch-rivals, the Math Genies, can avert a major international incident.

**Girl Scout** Nadine Bennett,2012-09-21 This is the story of young girls kidnapped and held by outback hillbillies whose family has been in the business of taking girls to take care of their needs. The hillbilly brothers' family has been doing this process for wives as well as for "sisters" who are required to feed them, do their laundry, and service them if they want to live. Those who do not adjust quickly enough to their new situation are killed and buried in the mountains of Santa Cruz, California never to be found or seen again.

**The Scouts of the Valley** Joseph Alexander Altsheler,1911

Indian Scout Talks Charles Alexander Eastman,2015-08-06 To be in harmony with nature, one must be true in thought, free in action, and clean in body, mind, and spirit. This is the solid granite foundation of character. Have you ever wondered why most great men were born in humble homes and passed their early youth in the open country? There a boy is accustomed to see the sun rise and

set every day; there rocks and trees are personal friends, and his geography is born with him, for he carries a map of the region in his head. In civilization there are many deaf ears and blind eyes. Because the average boy in the town has been deprived of close contact and intimacy with nature, what he has learned from books he soon forgets, or is unable to apply. All learning is a dead language to him who gets it at second hand.

*The Boy Scouts Book of Campfire Stories* Various, 2015-10-17 Three wild-horse hunters made camp one night beside a little stream in the Sevier Valley, five hundred miles, as a crow flies, from Bostil's Ford. These hunters had a poor outfit, excepting, of course, their horses. They were young men, rangy in build, lean and hard from life in the saddle, bronzed like Indians, still-faced, and keen-eyed. Two of them appeared to be tired out, and lagged at the camp-fire duties. When the meager meal was prepared they sat, cross-legged, before a ragged tarpaulin, eating and drinking in silence. The sky in the west was rosy, slowly darkening. The valley floor billowed away, ridged and cut, growing gray and purple and dark. Walls of stone, pink with the last rays of the setting sun, inclosed the valley, stretching away toward a long, low, black mountain range. The place was wild, beautiful, open, with something nameless that made the desert different from any other country. It was, perhaps, a loneliness of vast stretches of valley and stone, clear to the eye, even after sunset. That black mountain range, which looked close enough to ride to before dark, was a hundred miles distant. The shades of night fell swiftly, and it was dark by the time the hunters finished the meal. Then the camp fire had burned low. One of the three dragged branches of dead cedars and replenished the fire. Quickly it flared up, with the white flame and crackle characteristic of dry cedar. The night wind had risen, moaning through the gnarled, stunted cedars near by, and it blew the fragrant wood smoke into the faces of the two hunters, who seemed too tired to move. I reckon a

pipe would help me make up my mind, said one....

*The Boy Scouts for Uncle Sam* John Henry Goldfrap, 2016-04-01 The Boy Scouts for Uncle Sam is the fifth volume in John Henry Goldfrap's popular Boy Scouts series of books for younger readers. In this installment, the boys have an opportunity to help the U.S. government thwart the efforts of a group of foreign spies who will stop at nothing to steal top-secret information about a cutting-edge submarine design.

**The Boy Scouts on the Range** Howard Payson, 1911

First Scout Joel R. Linnabary, 2016-09-23 Doug Peterson wants two things. He wants to be a good man to his stepson and to have his stepson grow and see the power of being a Boy Scout. Curt is still upset that his parents divorced and now feels that a week at Boy Scout camp is a sentence worse than death. He wants to do the cooler activity that his father wants to play football. President Jeffery Franklin was born to be a politician and has become the president of the United States. General O'Sullivan has a love of the land of his forefathers, Ireland, and will do anything to free it. Now all of these forces collide as an evil plan to overthrow the president nearly kills him and places him in the hands of four scouts and their leader. These scouts must now protect the president and use their scouting skills to get him back to Washington, DC, and save the Union.

*Indian Scout Talks* Charles A. Eastman, 2020-08-24 To be in harmony with nature, one must be true in thought, free in action, and clean in body, mind, and spirit. This is the solid granite foundation of character. Have you ever wondered why most great men were born in humble homes and passed their early youth in the open country? There a boy is accustomed to see the sun rise and set every day; there rocks and trees are personal friends, and his geography is born with him, for he carries a map of the region in his head. In civilization there are many deaf ears and blind eyes.

Because the average boy in the town has been deprived of close contact and intimacy with nature, what he has learned from books he soon forgets, or is unable to apply. All learning is a dead language to him who gets it at second hand. It is necessary that you should live with nature, my boy friend, if only that you may verify to your own satisfaction your schoolroom lessons. Further than this, you may be able to correct some error, or even to learn something that will be a real contribution to the sum of human knowledge. That is by no means impossible to a sincere observer. In the great laboratory of nature there are endless secrets yet to be discovered. We will follow the Indian method, for the American Indian is the only man I know who accepts natural things as lessons in themselves, direct from the Great Giver of life.

**The Boy Scouts on the Trail** George Durston, 2015-03-23 [...] really ominous news, the excitability of his French schoolmates had disappeared. They were quiet; far quieter than American boys would have been in the same case, he thought. But this is not France's quarrel, said Frank. She cares nothing for Servia. Servia? Bah! No one cares for Servia-except Austria and Russia! Servia is only an excuse. Austria wants to get some ports and Russia wants them, too, or wants a friendly country to have them. But I will tell you why it means war, Frank, my friend. It is because Guillaume, their[...].

**The Scout** Harry Combs, 1995 Epic in scope and grand beyond our imaginings. The Scout continues the magnificent story that began the highly acclaimed novel Brules. In his stunning new novel, Harry Combs recreates a time when the West was the white man's greatest challenge and the red man's last battleground... a towering tale of dreams unfettered, of mustangs running free, and of

young men riding hell-bent-for-leather into Indian country for no other reason than they were young, brave and wild. By 1900 the Old West was vanishing, but the man many called its fastest gun was still alive. By then Cat Brules had shut himself and his secrets away in a cabin on Colorado's Lone Cone Peak. Only one person knew his real story, a boy of eleven who became his friend and heard his extraordinary tales in 1909. The Scout is that unforgettable story, just as young Steven Cartwright heard it, just as Brules told it: hard and gritty, wry with a cowboy's humor, and true to the spirits of all those who loved the west--and died for it--from Custer to Crazy Horse. Many hard, hurting things had driven Cat Brules to become the man he was. The death of his beloved Shoshone bride, Wild Rose, was one of them. Months after Brules lost her--brutally and far too soon--Wild Rose still came to him in his dreams. With a void in his heart and a reckless spirit, Brules signed on as a Scout for General George Crook, whose cavalry was headed into the Badlands. Then, the U.S. Army still didn't know that there were fifteen thousand Sioux and Cheyenne in those Wyoming foothills, and under chiefs Sitting Bull and Crazy Horse, every one of them was willing to fight to the death to live free. Brules's account of the violence that ensued, told with eyewitness immediacy and chilling authenticity, is one of courage and shame as he rides the trail toward the Little Big Horn and the battles that followed. Seeing for himself the dying of a way of life, Brules tells a searing truth about America's history: the betrayal of Custer to the Sioux, the hunting of Geronimo, and the U.S. Army's cruel pursuit of Chief Joseph and his Nez Perce. And here too are the women who loved Brules: White Antelope, the gentle Indian maiden who wanted what Brules felt he could never give again--and Melisande, the saucy Mormon girl who might be too much for even Cat Brules to handle. Debunking the myths of the Old West and the romanticism of movies, renowned Western writer Harry Combs creates a vision at once more complex, magnificent and genuine--from the make of the

rifle to the caliber of the bullet that cut Custer down. A novel unmatched in excitement and adventure, *The Scout* lets you smell the cordite, feel a man's hard need for a woman, and discover that the real flesh and blood inhabitants of those legendary days were tougher, bolder and more fascinating than we ever dared to imagine. From the Paperback edition.

Young Knights of the Empire Robert Baden-Powell, Robert Stephenson Smyth Baden-Powell Baden-Powell of Gilwell, Baron, 2013-07-30 Perhaps you wonder what is a Young Knight of the Empire. Well, you know what a knight is—or rather, used to be in the old days—a gallant fellow who was always ready to defend weaker people when they were being bullied; he was brave and honourable, and ready to risk his life in doing his duty according to the code or law of Chivalry. Well, nowadays there are thousands of boys all over the British Empire carrying out the same idea, and making themselves into fine, reliable men, ready to take the place of those who have gone away to fight and who have fallen at the Front. These are the Boy Scouts. Their code is the Scout Law—that is, a set of ten rules which they carry out in their daily life. I will explain these Laws, and will give you some other yarns of camp life and adventure such as the Scouts go in for.

spending a week camping in northern Wisconsin. The weaker kids in the troop soon realize Joshua is not afraid to stand up to the troop's ruthless bullies. Joshua's bravery and kindness is infectious and the bullied scouts quickly find their own inner strength. Joshua is plagued by self-doubt as he realizes he has feelings for Cody, the son of the troop's harsh and puritanical scoutmaster. The two discover they have more in common than scouting as they share their deepest secrets and develop a close friendship. That friendship faces its greatest challenge from the homophobic bullies in the troop. As if struggling to come to terms with his sexuality while dealing with hatred and bigotry isn't enough, Joshua discovers the camp holds another dark mystery, one that will make him summon all his courage and learn for the first time what it truly means to be a brave.
