The Comic Event Judith Roof, 2018-01-11 The Comic Event approaches comedy as dynamic phenomenon that involves the gathering of elements of performance, signifiers, timings, tones, gestures, previous comic bits, and other self-conscious structures into an “event” that triggers, by virtue of a “cut,” an expected/unexpected resolution. Using examples from mainstream comedy, The Comic Event progresses from the smallest comic moment-jokes, bits-to the more complex-caricatures, sketches, sit-coms, parody films, and stand-up routines. Judith Roof builds on side comments from Henri Bergson's short treatise “Laughter,” Sigmund Freud's Jokes and Their Relation to the Unconscious, and various observations from Aristotle to establish comedy as a complex, multifaceted practice. In seeing comedy as a gathering event that resolves with a “cut,” Roof characterizes comedy not only by a predictable unpredictability occasioned by a sudden expected/unexpected insight, but also by repetition, seriality, self-consciousness, self-referentiality, and an ouroboric return to a previous cut. This theory of comedy offers a way to understand the operation of a broad array of distinct comic occasions and aspects of performance in multiple contexts.

Because their belts are on their hats! Check out this billion-dollar idea. A smoke detector that shuts off when you yell, “I’m just cooking!” Overheard in an office: Supervisor to team leader: So our people aren’t astute enough to understand these comments on the document? Leader: What does astute mean?

Splice of Life: A Memoir in 13 Film Genres Charles Jensen, 2024-05-01 Movies and memory intersect in this compelling and unconventional memoir from queer writer, film aficionado, and Jeopardy! contestant Charles Jensen. *Splice of Life* follows Jensen from his upbringing and struggles with sexual awareness in rural Wisconsin to his sexual liberation in college and, finally, to the complex relationships and bizarre coincidences of adulthood. Exploring what it means to be male and queer, each essay splices together Jensen’s lived experiences with his analysis of a single film. Deftly woven, *Splice of Life* shows us how personal and cultural memory intertwine, as well as how the stories we watch can help us understand the stories we all tell about ourselves.

Women in Popular Culture [2 volumes] Laura L. Finley, 2023-03-24 Including more than 300 alphabetically listed entries, this 2-volume set presents a timely and detailed overview of some of the most significant contributions women have made to American popular culture from the silent film era to the

present day. The lives and accomplishments of women from various aspects of popular culture are examined, including women from film, television, music, fashion, and literature. In addition to profiles, the encyclopedia also includes chapters that provide a historical review of gender, domesticity, marriage, work, and inclusivity in popular culture as well as a chronology of key achievements. This reference work is an ideal introduction to the roles women have played, both in the spotlight and behind it, throughout the history of popular culture in America. From the stars of Hollywood's Golden Age to the chart toppers of the 2020s, author Laura L. Finley documents how attitudes towards these icons have evolved and how their influence has shifted throughout time. The entries and essays also address such timely topics as feminism, the #MeToo movement, and the gender pay gap.

All Joking Aside Rebecca Krefting, 2014-09 A professor of American Studies—and stand-up

comic—examines sharply focused comedy and its cultural utility in contemporary society. Outstanding Academic Title, Choice In this examination of stand-up comedy, Rebecca Krefting establishes a new genre of comedic production, “charged humor,” and charts its pathways from production to consumption. Some jokes are tears in the fabric of our beliefs—they challenge myths about how fair and democratic our society is and the behaviors and practices we enact to maintain those fictions. Jokes loaded with vitriol and delivered with verve, charged humor compels audiences to action, artfully summoning political critique. Since the institutionalization of stand-up comedy as a distinct cultural form, stand-up comics have leveraged charged humor to reveal social, political, and economic stratifications. All Joking Aside offers a history of charged comedy from the mid-twentieth century to the early aughts, highlighting dozens of talented comics from Dick Gregory and Robin Tyler to Micia Mosely and Hari Kondabolu. The popularity of charged humor has waxed and waned over the past sixty years. Indeed, the history of charged humor is a tale of intrigue and subversion featuring dive bars, public remonstrations, fickle audiences, movie stars turned politicians, commercial airlines, emergent technologies, neoliberal mind-sets, and a cavalcade of comic misfits with an ax to grind. Along the way, Krefting explores the fault lines in the modern economy of humor, why men are perceived to be funnier than women, the perplexing popularity of modern-day minstrelsy, and the way identities are packaged and sold in the marketplace. Appealing to anyone interested in the politics of humor and generating implications for the study of any form of popular entertainment, this history reflects on why we make the choices we do and the collective power of our consumptive practices. Readers will be delighted by the broad array of comic talent spotlighted in this book,

and for those interested in comedy with substance, it will offer an alternative punchline.

Who Was Who on TV Norman Chance,2010-12-22 The information herein was accumulated of fifty some odd years. The collection process started when TV first came out and continued until today. The books are in alphabetical order and cover shows from the 1940s to 2010. The author has added a brief explanation of each show and then listed all the characters, who played the roles and for the most part, the year or years the actor or actress played that role. Also included are most of the people who created the shows, the producers, directors, and the writers of the shows. These books are a great source of trivia information and for most of the older folk will bring back some very fond memories. I know a lot of times we think back and say, Who was the guy that played such and such a role? Enjoy!

Tig Notaro Sloane Hughes,2019-07-15 When Tig Notaro stepped on stage and announced to the world she had bilateral stage two breast cancer, she had already had a very bad year. The difficulties were not over. Notaro was able to find the humor and humanity in even the darkest of places, however, and for that she has become one of today's most well known comedians. This revealing volume explores Notaro's life and what brought her to comedy as well as how she uses comedy to help us examine and process our own lives.

La chica del tatuaje encima del culo Amy Schumer,2018-11-21 AMY SCHUMER irrumpió en la escena del stand-up norteamericano como un terremoto tras años de duro aprendizaje en los escenarios de oscuros clubs de comedia neoyorquinos y agotadoras giras cuando, tras quedar cuarta en el reality show Last Comic Standing de la NBC, se convirtió en una de las humoristas más cotizadas y provocadoras del showbiz. Lenguaraz y cáustica como pocas, su humor escatológico y procaz ha reinventado la comedia de micrófono

abierto. En *La chica del tatuaje encima del culo*, que llegó al número 1 en el ranking de bestsellers del New York Times, Schumer relata en una serie de episodios breves e intensos no solo su ascenso profesional, lleno de dificultades y tropiezos, sino también, de manera hilarante pero también brutalmente sincera, momentos centrales de su vida como la tensa relación con una madre manipuladora e inestable, la repentina enfermedad degenerativa de su padre, sus relaciones sentimentales —ya sea con sus amantes o con sus peluches—, sus filias (la comida, por supuesto, o el vino) o fobias (los gimnasios, el machismo recalcitrante, y un largo etcétera). Amy Schumer ha protagonizado películas como *Descontroladas* (*Snatched*, 2017), *¡Qué guapa soy!* (*I Feel Pretty*, 2018) o *Y de repente tú* (*Trainwreck*, dirigida por Judd Apatow en 2015), de la que también es coautora del guion, y es la creadora del programa de sketches humorísticos *Inside Amy Schumer* de Comedy Central, galardonado, entre otros premios, con un Emmy.

Baghdad at Sunrise Peter R. Mansoor, 2008-10-01 An on-the-ground commander describes his brigade's first year in Iraq after the U.S. forces seized Baghdad in the spring of 2003, and explains what went right and wrong as the U.S. military confronted an insurgency, in a firsthand analysis of success and failure in Iraq.

Diversity and Satire Charisse L'Pree Corsbie-Massay, 2022-10-28 The first textbook to explore diversity by demonstrating how satirical content can advance the discussion and change attitudes Engaging in diversity and promoting inclusion means working to remove institutional inequities and actively assist those who have suffered from these inequities. In our changing media and cultural environment, satire has emerged as an increasingly popular approach for promoting diversity and inclusion. Effective satire

highlights the absurdity of marginalization processes, but misinterpretation can potentially reinforce historical power dynamics and perpetuate marginalization. *Diversity and Satire* examines how satire in both traditional media and new spaces reinforces or disrupts issues of marginalization in the United States. Critically analyzing many different forms of satire, this innovative textbook helps students understand what makes effective satire, describe the value of satirical content to others, and recognize how satirical artifacts advance or hinder efforts to diversify institutions. Beginning with an introduction to satire and how it can drive conversations about diversity, the text addresses how satire can be used to address historical discriminatory practices. Each chapter features satirical artifacts that contextualize the material as well as practical advice and tips to consider when engaging with satirical content and distinguishing satire. This textbook also: Illustrates the difference between satire that disrupts discourse and content that merely reinforces stereotypes Explains the historical relevance of satire and its importance in addressing the marginalization of certain populations Describes the nature of satire in the changing media and cultural environment of the twenty-first century Features engaging case studies drawn from a wide variety of satirical sources such as *The Daily Show* (with Jon Stewart and Trevor Noah), *The Onion*, *Saturday Night Live*, *The Hunger Games*, *Weird Al Yankovic*, *Family Guy*, *Rick and Morty*, *Sinclair Lewis*, *MTV*, and *College Humor* Based on the author's popular course at the S.I. Newhouse School of Public Communications at Syracuse University, *Diversity and Satire: Laughing at Processes of Marginalization* is an important resource for students, instructors, and general readers looking to explore disparities related to Class, Gender, Sexuality, and Race through the lens of satire.

A Treatise on the Law of Negligence Thomas Gaskell Shearman, Amasa Angell Redfield, 1888

Taking a Stand Jared N. Champion, Peter C. Kunze, 2021-11-15 Contributions by Jared N. Champion, Miriam M. Chirico, Thomas Clark, David R. Dewberry, Christopher J. Gilbert, David Gillota, Kathryn Kein, Rob King, Rebecca Krefting, Peter C. Kunze, Linda Mizejewski, Aviva Orenstein, Raúl Pérez, Philip Scepanski, Susan Seizer, Monique Taylor, Ila Tyagi, and Timothy J. Viator Stand-up comedians have a long history of walking a careful line between serious and playful engagement with social issues: Lenny Bruce questioned the symbolic valence of racial slurs, Dick Gregory took time away from the stage to speak alongside Martin Luther King Jr., and—more recently—Tig Notaro challenged popular notions of damaged or abject bodies. Stand-up comedians deploy humor to open up difficult topics for broader examination, which only underscores the social and cultural importance of their work. *Taking a Stand: Contemporary US Stand-Up Comedians as Public Intellectuals* draws together essays that contribute to the analysis of the stand-up comedian as public intellectual since the 1980s. The chapters explore stand-up comedians as contributors to and shapers of public discourse via their live performances, podcasts, social media presence, and political activism. Each chapter highlights a stand-up comedian and their ongoing discussion of a cultural issue or expression of a political ideology/standpoint: Lisa Lampanelli's use of problematic postracial humor, Aziz Ansari's merging of sociology and technology, or Maria Bamford's emphasis on mental health, to name just a few. *Taking a Stand* offers a starting point for understanding the work stand-up comedians do as well as its reach beyond the stage. Comedians influence discourse, perspectives, even public policy on myriad issues, and this book sets out to take those jokes seriously.

The girl with the lower back tattoo : saker du inte vet om mig Amy Schumer, 2016-08-29 Amy Schumer, född 1981 i New York, slog igenom 2015 och är idag den hetaste komikern i USA. Tv-serien *Inside Amy Schumer* (som visats här på TV 3) där sketcher blandas med ståupppnummer och intervjuer är flerfaldigt prisbelönad, och hon rosas för sin roll i filmen *Trainwreck* som hon också skrivit manus till. 2015 utnämndes hon av *Times* till en av de 100 mest inflytelserika människorna i världen. Hennes sylvassa feministiska humor rör sig kring sex, kön, relationer, normer, kroppsideal, kvinnoförakt, mansvälde och – inte minst – underliv. Nu kommer hon också med en mångskiftande samling självbiografiska essäer. Ur sitt förflutna fiskar hon upp historier om allt som skapat henne till den hon är – en kvinna som vågar blottlägga både kropp och själ för att stå upp för det hon tror på, och som får oss alla att skratta. Och hon vill inte enbart roa eller provocera, här finns också det mörka: föräldrarnas sviktande ekonomi under hennes barndom, faderns snabba insjuknande i ms, den hårda kritik och rena dödshot hon fått utstå på vägen mot berömmelse, förhållandet med en våldsbenägen man som hon för sent kunde släppa taget om ... Under en visning i Louisiana av filmen *Trainwreck* sköts två unga kvinnor till döds i biografen och flera skadades. Det chockade Amy som sedan dess arbetar för hårdare vapenlagar. Boken är dedicerad till de två kvinnorna. Amy Schumer sammanfattar sin livsvisdom redan i bokens förord. ”Jag vet vad som är viktigt för mig, och det är min familj ... Och att skratta och njuta av livet med mina vänner. Och, förstås, att ha en orgasm då och då. Jag har kommit fram till att en gång om dagen är det bästa.” Amy Schumer kommer till

Stockholm i augusti för att uppträda med en show på Hovet. ”Jag har förändrats så mycket sedan jag var en självsäker, lycklig tjej i high school. Under de år som gått har jag upplevt mycket desperation och dåligt självförtroende, men på sätt och vis har jag gått varvet runt. Jag vet mitt värde. Jag omfamnar min makt. Jag vågar säga att jag är vacker. Att jag är stark. Du bestämmer inte min historia. Det gör jag. Jag ska tala och dela med mig och knulla och älska, och jag kommer aldrig att be om ursäkt för det.” Amy Schumer ”Jag har kämpat mig fram genom hård kritik och dödshot, och jag lever. Jag är orädd. För det mesta.” Amy Schumer ”Patriarkatet har ännu massor av mörka hörn att blottlägga och unkna könsroller behöver ständigt vädras. Vilket Schumer är en mästare på.” Sylvia Balac, Aftonbladet bloggar
