**Towards Korean Reconciliation** Gabriel Jonsson, 2017-11-30  
Despite historic summits and spectacular acts of reconciliation between the rival neighbours, promises of improved cross-border relations between North and South Korea have been slow to materialize. In this insightful book, Gabriel Jonsson examines the impact that increased levels of socio-cultural contact has had on inter-Korean relations, the concrete results that have been achieved and how such contact has contributed to closer relations and offers the prospect of reconciliation. With reference to lessons from the German and Yemeni unification, the book examines the development of inter-Korean relations and presents a fascinating view of South Korean perceptions of their neighbours. The book also details the wider political sphere of influence with an analysis of the positions of the United States, Japan, China and Russia on Korean unity. Based primarily on Korean language sources, this volume provides completely unique perspectives on Korean unity.

We Are The Dead Mike Shackle, 2019-08-08 The first book in The Last War series: a debut epic fantasy full of crunching revolutionary action, twisted magic, and hard choices in dark times. The war is over. The enemy won. Jia's people learned the hard way that there are no second chances. The Egril, their ancient enemy, struck with magic so devastating that Jia's armies were wiped out. Now terror reigns in the streets, and friend turns on friend just to live another day. Somehow Tinnstra - a deserter, a failure, nothing but a coward - survived. She wants no more than to hide from the chaos. But dragged into a desperate plot to retake Jia, surrounded by people willing to do anything to win the fight, this time Tinnstra will need to do more than hide. If Jia is to get a second chance after all, this time she will need to be a hero. With all the grit of Joe Abercrombie, Mark Lawrence and Ed McDonald, this is fantasy with the sharpest of edges. \* \* \* \* \*
