*Boy Missing* Rebecca Morris, 2020-05-23 It's one of the most shocking unsolved missing-child cases in the world. Where is Kyron Horman? Why hasn't the woman who police suspect is responsible for his disappearance-Kyron's stepmother-been charged? On the last day he was seen, June 4, 2010, the boy with the toothy smile, crew cut, and glasses posed in front of his science project on frogs. Kyron grinned for a photo taken by his stepmother. She said he walked to his second-grade classroom and turned to wave at her. Then he vanished. That Kyron disappeared from his grade school got the attention of parents around the world. The twists of the case -adultery, sexting, murder-for-hire-keep the story in the spotlight. On the tenth anniversary of Kyron's disappearance, New York Times bestselling author Rebecca Morris tells for the first time the story of the investigation and the toll the boy's disappearance took on his family and law enforcement. Based on years of research and interviews with people close to the case, including Kyron's mother, Desiree Young. the book is the story of the boy's disappearance, the suspicion that quickly fell on one member of a messy blended family, and how Desiree Young turned grief into advocacy. *Boy Missing* examines what recourse families have as they wait for a loved one to be found. It challenges a common assumption in no-body cases: that prosecutors must wait until there is a confession or remains are found. No-body cases can be prosecuted successfully. Jeff Guinn, author of *Manson and The Road to Jonestown: Jim Jones and Peoples Temple*, calls *Boy Missing* an important book and one readers will never forget. Rebecca Morris is the author of *If I Can't Have You: Susan Powell, Her Mysterious Disappearance*, and *the Murder of Her Children, Ted and Ann: They Mystery of a Missing Child and Her Neighbor Ted Bundy*, and other books. A veteran journalist, she appears frequently on network and cable TV as a crime expert.

**Kyron** Dale Mayer, 2022-03-01 Kyron swore he wouldn't work

with dogs anymore, but, when Badger asks him to go home to Aspen and to track a missing War Dog, who is missing her left leg—as he is—Kyron can't refuse. Even if it means seeing his brother and his wife again. Not that he had anything against them. Kyron just couldn't deal with his parents. Finding the dog seems like the easiest part of returning to Aspen, until Kyron realizes a rescue run by a fascinating woman is the one that's spotted the missing dog, ... only the dog isn't alone ... Miranda spends every waking moment working to keep her animals safe. Two jobs keeps them in food and shelter but not much more. Considering her miserable neighbor is always making complaints about her, she has considered moving, but it is too expensive to make that happen. She has seen a three-legged canine hanging around the back perimeter of her property and had been feeding it, quietly knowing it resembled the dog the neighbor had brought home, until it ran away. She had no intention of letting her neighbor or anyone else know about the dog, hoping to coax it onto her property, where she could look after it properly. However, then Kyron showed up, searching for the animal, and things got really ugly ...

**Kyron and The Meadow Monster** Lyra Lup Lup,2023-08-10 Kyron is certainly fitting in with Samuel the Wise and his friends in Stormy Meadows. However, one day, while he is playing Long Eared Tail Tag with his friends, Tyler and Lemmy, he hears a very strange giggle coming from Sprite Glow Forest. When he turns to look, he meets a very strange creature named Glowsee the Meadow Grazer. However, he becomes very confused as he is the only one who can see and talk to her. He begins to believe that Glowsee is his imaginary friend, or is she?

**Private Sessions Tape 1: Kyron Santos** Kyron Santos,2017-08-11 Thug Shorts (to be read in this order) The Letter by Trae Macklin The Response by Tasha Macklin Shit Just Got Real by Tasha Macklin Fifty Shades of Trae by Charli Li It's That Serious by Tasha Macklin Private Sessions Tape One by Kyron

Santos Kyron Santos, Kaylin's older brother, was used by Tasha Macklin to get back at Trae for his infidelities, a relationship that ultimately ended in pregnancy, murder, broken relationships, and mistrust. No one knew about the court-ordered sessions that Kyron was forced to attend. At least not until Mari, his woman who stuck by him throughout the majority of his prison bid, dropped the recordings off to Trae Macklin, Tasha's husband. Mari never got closure over Kyron's death. She couldn't understand why Kaylin wasn't more distraught than he was over his brother's death. Her anger built over Tasha using Kyron, and now, seeing Tasha was happily reunited with her husband, it was about to explode. She had it all. But that was soon to come to an end. Her happily-ever-after would be short-lived. Mari had in her possession transcripts of taped sessions of Kyron and the psychologist, unbeknownst to Kyron, which would shed light on Tasha's relationship with Kyron—and with an anaconda smile, she places those transcripts directly in Trae's hands for his consumption. Mari has a few dirty tricks up her sleeve. Nothing's off-limits. What other nasty surprises is she planning?

Kyron (French) Dale Mayer, 2023-10-03 Kyron s'est juré de ne plus travailler avec les chiens. Mais lorsque Badger lui demande de rentrer à Aspen et de retrouver un Chien de Guerre disparu, amputé de sa cuisse gauche, comme lui, Kyron ne peut refuser. Même si cela signifie qu'il doit revoir son frère et sa femme. Non pas qu'il a quoi que ce soit contre eux. Simplement, Kyron ne supporte pas ses parents. Pour Kyron, retrouver le chien semble être la partie la plus aisée de son retour à Aspen, jusqu'à ce qu'il se rende compte que c'est un refuge dirigé par une femme fascinante qui a repéré l'animal disparu. Seulement, il n'est pas seul... Miranda consacre tout son temps à assurer la sécurité de ses animaux. Avec deux emplois, elle parvient à les nourrir et à les loger, mais pas beaucoup plus. Comme son voisin exécrable ne cesse de se plaindre d'elle, elle a envisagé de déménager, mais cela lui coûterait trop cher. Elle a aperçu un chien à trois pattes

qui traînait dans le périmètre à l'arrière de sa propriété et l'a nourri. Elle sait pertinemment qu'il ressemble à celui que le voisin a ramené chez lui, jusqu'à ce qu'il s'enfuit. Elle n'a pas l'intention d'informer son voisin ou qui que ce soit d'autre de l'existence de l'animal, espérant l'attirer sur sa propriété, où elle pourrait s'en occuper correctement. Mais Kyron a débarqué, à la recherche de l'animal, et les choses ont dégénéré...

Hate it or Love it, Believe it or Not, I'm Still, Tellin the Truth  
Kyron Thomas, 2022-08-01 This book is inspired by an incident that occurred between Kyron and a Cincinnati police officer who shot Kyron for trying to run from a dice game. Kyron served eight and a half years behind the incident. Before prison, Kyron worked a nine-to-five and hustled on the side. Kyron was very well-respected in the neighborhood. He was very much family-oriented but was also a ladies' man. After being released from prison, Kyron tried to walk a straight path, but there were roadblocks everywhere he turned. He couldn't get a job, couldn't get in school, and the girl he was with didn't want him because he didn't want to live the street life, so he eventually fell victim to circumstances and started selling drugs. He fell in love with a hood rat and tried to treat her good, but she dogged him. One of the friends he met in prison set him up. He served a year. One month after being released, Kyron was hooked up with a job. Once again, he was tryin' to live legit, and temptation was biting at him. The place he worked at was infested with all kinds of drug abusers, and at that time, one of his friends was on top in the coke game and he kept offering Kyron some cocaine. Kyron eventually took it and again ended up in jail, facing twenty to life because a close friend made a statement to the feds. Kyron ended up serving fifteen months in federal custody. After being released once again, he couldn't find a job, so he went back to the crack game. He went to lots of different events, some you may hate, some you may love, but believe them or not, he's still telling the truth.

**Lucean Arthur Headen** Jill D. Snider, 2020-01-29 Born in Carthage, North Carolina, Lucean Arthur Headen (1879–1957) grew up amid former slave artisans. Inspired by his grandfather, a wheelwright, and great-uncle, a toolmaker, he dreamed as a child of becoming an inventor. His ambitions suffered the menace of Jim Crow and the reality of a new inventive landscape in which investment was shifting from lone inventors to the new industrial scientists. But determined and ambitious, Headen left the South, and after toiling for a decade as a Pullman porter, risked everything to pursue his dream. He eventually earned eleven patents, most for innovative engine designs and anti-icing methods for aircraft. An equally capable entrepreneur and sportsman, Headen learned to fly in 1911, manufactured his own Pace Setter and Headen Special cars in the early 1920s, and founded the first national black auto racing association in 1924, all establishing him as an important authority on transportation technologies among African Americans. Emigrating to England in 1931, Headen also proved a successful manufacturer, operating engineering firms in Surrey that distributed his motor and other products worldwide for twenty-five years. Though Headen left few personal records, Jill D. Snider recreates the life of this extraordinary man through historical detective work in newspapers, business and trade publications, genealogical databases, and scholarly works. Mapping the social networks his family built within the Presbyterian church and other organizations (networks on which Headen often relied), she also reveals the legacy of Carthage's, and the South's, black artisans. Their story shows us that, despite our worship of personal triumph, success is often a communal as well as an individual achievement.

A teenage mage of humble birth and slightly above-average skill, Zorian is attending his third year of education at Cyoria's magical academy. A driven and quiet young man, he is consumed by a desire to ensure his own future and free himself of the influence of his family, resenting the Kazinskis for favoring his brothers over him. Consequently, Zorian has no time for pointless distractions, much less other people's problems. As it happens, though, time is something he is about to get plenty of. On the eve of Cyoria's annual summer festival, Zorian is murdered, then abruptly brought back to the beginning of the month, just before he was about to take the train to school. Finding himself trapped in a time loop with no clear end or exit, he will have to look both within and without to unravel the mystery set before him. He does have to unravel it, too, because the loop clearly wasn't made for his sake, and in a world of magic even a time traveler isn't safe from those who wish him ill.
