Day of the Dead Sylvia Ji,2016-09 Sylvia Ji's haunting, seductive and psychedelically tinged portrayals of women offer a whole new slant on femininity, and blur the line between high and lowbrow art. The dominant influence on her work is La Calavera Catrina, the iconic skeleton dame of Mexico's Day of the Dead celebrations, and her macabre, yet glamorous, take on the Sugar Skull tradition. This retrospective monograph offers a lavish overview of an artist who draws inspiration from life and death to create highly charged and darkly exotic work.

**The Art of the Book of Life** Jorge Gutierrez,2014-10-14 A tale packed with adventure, The Book of Life celebrates the power of friendship and family, and the courage to follow your dreams. To determine whether the heart of humankind is pure and good, two godlike beings engage in an otherworldly wager during Mexico's annual Day of the Dead celebration. They tether two friends, Manolo and Joaquin, into vying for the heart of the beautiful and fiercely independent Maria, with comical and sometimes dangerous consequences. This volume is an inspirational behind-the-scenes look at the making of the animated feature film The Book of Life, from visionary producer Guillermo del Toro (Pan's Labyrinth) and director Jorge R. Gutierrez (El Tigre: The Adventures of Manny Rivera).

**Funny Bones** Duncan Tonatiuh, 2015-08-25 Funny Bones tells the story of how the amusing calaveras—skeletons performing various everyday or festive activities—came to be. They are the creation of Mexican artist José Guadalupe (Lupe) Posada (1852-1913). In a country that was not known for freedom of speech, he first drew political cartoons, much to the amusement of the local population but not the politicians. He continued to draw cartoons throughout much of his life, but he is best known today for his calavera drawings. They have become synonymous with Mexico's Día de los Muertos (Day of the Dead) festival. Juxtaposing his own art with that of Lupe's, author Duncan Tonatiuh brings to light the remarkable life and work of a man whose art is beloved by many but whose name has remained in obscurity. The book includes an author's note, bibliography, glossary, and index.

*Skulls to the Living, Bread to the Dead* Stanley Brandes, 2009-02-04 Each October, as the Day of the Dead draws near, Mexican market overflow with decorated breads, fanciful paper cutouts, and whimsical toy skulls and skeletons. To honor deceased relatives, Mexicans decorate graves and erect home altars. Drawing on a rich array of historical and ethnographic evidence, this volume reveals the origin and changing character of this celebrated holiday. It explores the emergence of the Day of the Dead as a symbol of Mexican and Mexican-American national identity. *Skulls to the Living, Bread to the Dead* poses a serious challenge to the widespread stereotype of the morbid Mexican, unafraid of death, and obsessed with dying. In fact, the Day of the Dead, as shown here, is a powerful affirmation of life and creativity. Beautifully illustrated, this book is essential for anyone interested in Mexican culture, art, and folklore, as well as contemporary globalization and identity formation.

*La divina Catrina / Oh, Divine Catrina* Aracely De Alvarado, 2020-10-31 The Mexican skeleton Catrina has been invited to a Day of the Dead dance, and she's searching for just

the right outfit to wear. She pulls her Aunt Maria's dress from a dusty chest, but it has a stain! There's a skirt made of fine cloth, but it looks like a dusty old drape. Purple shoes that don't fit, a pair of pants that are too short and a blouse missing a button—what will she wear? Finally, she finds a dress that's perfect; in fact, it's divine! With fancy necklaces, lavish earrings, rusty rings and bracelets galore, Catrina will be the envy of all at the ball! Dare we say, she'll be dressed to kill! This bilingual picture book told in verse familiarizes children with the Mexican Catrina, an iconic figure representing death known to many through Day of the Dead celebrations. Claudia Navarro's richly textured, playful illustrations will enthrall kids ages 4-8 and inspire their creativity in fashioning just the right costume for their own party.

*I Am Diosa* Christine Gutierrez, 2022-02-08 This raw and relatable guide to radical self-care and self-love empowers readers to embrace the powerful Diosa within. In this fiercely inspiring book, psychotherapist Christine Gutierrez welcomes women to join her in healing the wounds from past hurt or trauma to reclaim their worth and come back home to their true self and soul. Diosa is the Spanish word for Goddess. A diosa is anyone who honors the primal feminine energy in the world and within themselves. According to Gutierrez, diosas face obstacles in their lives but are always ready and willing to go to their core to reclaim their inner worth and self-esteem. They are the ones that rise from the ashes and dare to piece themselves back together bone by bone and soul piece by soul piece. From stories of resilience from both Gutierrez and members of her Diosa Tribe, to mantras, meditations, and guided journaling prompts, this book gives women the tools they need to honor their sacred feminine and become who they were always meant to be. *I Am Diosa* will inspire women to give themselves permission to feel, to be seen, to be heard, and to return to their truest selves.

**The Gondola Maker** Laura Morelli, 2014-03-03 Award-

winning historical fiction set in 16th-century Venice -Benjamin Franklin Digital Award -IPPY Award for Best Adult Fiction E-book -National Indie Excellence Award Finalist -Eric Hoffer Award Finalist -Shortlisted for the da Vinci Eye Prize From the author of *Made in Italy* comes a tale of artisanal tradition and family bonds set in one of the world's most magnificent settings: Renaissance Venice. Venetian gondola-maker Luca Vianello considers his whole life arranged. His father charted a course for his eldest son from the day he was born, and Luca is positioned to inherit one of the city's most esteemed boatyards. Soon he will marry the daughter of an artisan prow-maker, securing a key business alliance for the family. But when Luca experiences an unexpected tragedy in the boatyard, he believes that his destiny lies elsewhere. Soon he finds himself drawn to restore an antique gondola with the dream of taking a girl for a ride. *The Gondola Maker* brings the centuries-old art of gondola-making to life in the tale of a young man's complicated relationship with his master-craftsman father. Lovers of historical fiction will appreciate the authentic details of gondola craftsmanship, along with an intimate first-person narrative set against the richly textured backdrop of 16th-century Venice. I'm a big fan of Venice, so I appreciate Laura Morelli's special knowledge of the city, the period, and the process of gondola-making. An especially compelling story. --Frances Mayes, author of *Under the Tuscan Sun* Laura Morelli has done her research, or perhaps she was an Italian carpenter in another life. One can literally smell and feel the grain of finely turned wood in her hands. --Pamela Sheldon Johns, author of *Italian Food Artisans* Romance, intrigue, family loyalty, pride, and redemption set against the backdrop of Renaissance Italy. --Library of Clean Reads Beautiful, powerful evocation of the characters, the place, and the time. An elegant and thoroughly engaging narrative voice. --Mark Spencer, author of *Fiction Club: A Concise Guide to Writing Good Fiction*

**Charlie Hernández & the League of Shadows** Ryan Calejo, 2019-10-22 “A perfect pick for kids who love Rick Riordan.” —Booklist (starred review) “A winner for all kids, but it will be especially loved by Latinx and Hispanic families.” —Kirkus Reviews (starred review) The Lightning Thief meets the Story Thieves series in this middle grade fantasy inspired by Hispanic folklore, legends, and myths from the Iberian Peninsula and Central and South America. Charlie Hernández has always been proud of his Latin American heritage. He loves the culture, the art, and especially the myths. Thanks to his abuela’s stories, Charlie possesses an almost encyclopedic knowledge of the monsters and ghouls who have spent the last five hundred years haunting the imaginations of children all across the Iberian Peninsula, as well as Central and South America. And even though his grandmother sometimes hinted that the tales might be more than mere myth, Charlie’s always been a pragmatist. Even barely out of diapers, he knew the stories were just make-believe—nothing more than intricately woven fables meant to keep little kids from misbehaving. But when Charlie begins to experience freaky bodily manifestations—ones all too similar to those described by his grandma in his favorite legend—he is suddenly swept up in a world where the mythical beings he’s spent his entire life hearing about seem to be walking straight out of the pages of Hispanic folklore and into his life. And even stranger, they seem to know more about him than he knows about himself. Soon, Charlie finds himself in the middle of an ancient battle between La Liga, a secret society of legendary mythological beings sworn to protect the Land of the Living, and La Mano Peluda (a.k.a. the Hairy Hand), a cabal of evil spirits determined to rule mankind. With only the help of his lifelong crush, Violet Rey, and his grandmother’s stories to guide him, Charlie must navigate a world where monsters and brujas rule and things he couldn’t possibly imagine go bump in the night. That is, if he has

any hope of discovering what's happening to him and saving his missing parents (oh, and maybe even the world). No pressure, muchacho.

*Teaching American Studies* Elizabeth A. Duclos-Orsello, Joseph B. Entin, Rebecca Hill, 2021-08-17 “What if American Studies is defined not so much in the pages of the most cutting-edge publications, but through what happens in our classrooms and other learning spaces?” In *Teaching American Studies* Elizabeth Duclos-Orsello, Joseph Entin, and Rebecca Hill ask a diverse group of American Studies educators to respond to that question by writing chapters about teaching that use a classroom activity or a particular course to reflect on the state of the field of American Studies. *Teaching American Studies* speaks to teachers with a wide range of relationships to the field. To start, it is a useful how-to guide for faculty who might be new to, or unfamiliar with, American Studies. Each author brings the reader into their classes to offer specific, concrete details about their pedagogical practice, and their students' learning. The resulting chapters connect theory and educational action as well as share challenges, difficulties, and lessons learned. The volume also provides a collective impression of American Studies from the point of view of students and teachers. What primary and secondary texts and what theoretical challenges and issues do

faculty use to organize their teaching? How does the teaching we do respond to our institutional and educational contexts? How do our experiences and those of our students challenge or change our understanding of American Studies? Chapters in this collection discuss teaching a broad range of materials, from memoirs and novels by Anne Moody and Octavia Butler to cutting-edge cultural theory, to the widely used collection *Keywords for American Cultural Studies*. But the chapters in this collection are also about dancing, eating, and walking around a campus to view statues and gravestones. They are about teaching during the era of Donald Trump, Black Lives Matter, and giving up authority in the classroom. Teaching American Studies is both a new way to think about American Studies and a timely collection of effective ways to teach about race, gender, sexuality, and power in a moment of political polarization and intense public scrutiny of universities.

*Leopoldo Méndez* Deborah Caplow, 2007-12-01 Monografie over leven en werk van de Mexicaanse prentkunstenaar (1902-1969), met de nadruk op de jaren dertig en veertig waarin hij politiek zeer actief was. Ook de invloeden van en naar andere kunstenaars uit zijn tijd komen aan bod.

The Day of the Dead Chloe Sayer, 2021-10-12 This anthology considers how the Day of the Dead has been celebrated in visual art and culture, from the traditional and iconic illustrations of Manuel Manilla and Jose Posada to the paper cuts of Aaron Velasco Pacheco, folk art of the Linares family and paintings of Diego Rivera and Frida Kahlo. With a foreword by the ceramic artist and curator Carlomagno Pedro Martinez, this compendium also includes poems, songs and literature celebrating the festival, as well as dedicated chapters that focus on contemporary representations, such as urban art, graffiti and the street photography of Yolande Andrade.
