Ross L. Finney

La divina Catrina / Oh, Divine Catrina Aracely De Alvarado,2020-10-31 The Mexican skeleton Catrina has been invited to a Day of the Dead dance, and she's searching for just the right outfit to wear. She pulls her Aunt Maria's dress from a dusty chest, but it has a stain! There's a skirt made of fine cloth, but it looks like a dusty old drape. Purple shoes that don't fit, a pair of pants that are too short and a blouse missing a button—what will she wear? Finally, she finds a dress that's perfect; in fact, it's divine! With fancy necklaces, lavish earrings, rusty rings and bracelets galore, Catrina will be the envy of all at the ball! Dare we say, she'll be dressed to kill! This bilingual picture book told in verse familiarizes children with the Mexican Catrina, an iconic figure representing death known to many through Day of the Dead celebrations. Claudia Navarro's richly textured, playful illustrations will enthrall kids ages 4-8 and inspire their creativity in fashioning just the right costume for their own party.

La Catrina Uriel Galvan,2023-11-17 A family, living in relative peace, find their peace interrupted by the loss of the father. Two years later, in the suburbs of a small town in Texas, plagued by a gang problem, Carmen Rodriguez tries to keep her head up and her nose clean as her graduation looms closer. Sadly, her sense of justice doesn't let her sit idly by while someone's being hurt so one of those things is harder to do than the other. While she, and her brother, deal with fights along with all the other drama that is synonymous with High School, plans are being made and acted on as her mother is kidnapped the day they were supposed to move out, the day of her graduation, and the day she died for the first time. Returning as an 'Apelido', a warrior granted power by a connection to a deity or an aspect of said deity, Carmen 'La Catrina' Rodriguez is out for blood.

Food Fight! Paloma Martinez-Cruz,2019-03-19 From the racial defamation and mocking tone of “Mexican” restaurants geared toward the Anglo customer to the high-end Latin-inspired eateries with Anglo chefs who give the impression that the food was something unattended or poorly handled that they “discovered” or “rescued” from actual Latinos, the dilemma of how to make ethical choices in food production and consumption is always as close as the kitchen recipe, coffee pot, or table grape. In Food Fight! author Paloma Martinez-Cruz takes us on a ChicanaX gastronomic journey that is powerful and humorous. Martinez-Cruz tackles head on the real-world politics of food production from the exploitation of farmworkers to the appropriation of Latinx bodies and culture, and takes us right into transformative eateries that offer a homegrown, mestiza consciousness. The hard-hitting essays in Food Fight! bring a mestiza critique to today's pressing discussions of labeling, identity, and imaging in marketing and dining. Not just about food, restaurants, and coffee, this volume employs a decolonial approach and engaging voice to interrogate ways that mestizo, Indigenous, and Latinx peoples are objectified in mainstream ideology and imaginary.

The Little Old Lady Killer Susana Vargas Cervantes,2019-08-20 The surprising true story of Mexico’s hunt, arrest, and conviction of its first female serial killer For three years, amid widespread public outrage, police in Mexico City struggled to uncover the identity of the killer responsible for the ghastly deaths of forty elderly women, many of whom had been strangled in their homes with a stethoscope by someone posing as a government nurse. When Juana Barraza Samperio, a female professional wrestler known as la Dama del Silencio (the Lady of Silence), was arrested—and eventually sentenced to 759 years in prison—for her crimes as the Mataviejitas (the little old lady killer), her case disrupted traditional narratives about gender, criminality, and victimhood in the popular and criminological imagination. Marshaling ten years of research, and one of the only interviews that Juana Barraza Samperio has given while in prison, Susana Vargas Cervantes deconstructs this uniquely provocative story. She focuses, in particular, on the complex, gendered aspects of the case, asking: Who is a killer? Barraza—with her “manly” features and strength, her career as a masked wrestler in lucha libre, and her violent crimes—is presented, here, as a study in gender deviance, a disruption of what scholars call mexicanidad, or the masculine notion of what it means to be Mexican. Cervantes also challenges our conception of victimhood—specifically, who “counts” as a victim. The Little Old Lady Killer presents a fascinating analysis of what serial killing—often considered “killing for the pleasure of killing”—represents to us.
