

Ladder

Jr. Horatio Alger

The Ladder Halfdan Rasmussen, Marilyn Nelson, Pierre Pratt, 2006 A jolly ladder, left behind by a strange carpenter, takes on a life of its own and embarks on a grand journey through the countryside where it encounters people and animals, who, after climbing it to the top and disappearing into the sky, return in a special way!

A Ladder to the Sky John Boyne, 2018-11-13 "A satire of writerly ambition wrapped in a psychological thriller . . . An homage to Patricia Highsmith, Oscar Wilde and Edgar Allan Poe, but its execution is entirely Boyne's own."—Ron Charles, The Washington Post NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE WASHINGTON POST AND MINNEAPOLIS STAR TRIBUNE Maurice Swift is handsome, charming, and hungry for fame. The one thing he doesn't have is talent—but he's not about to let a detail like that stand in his way. After all, a would-be writer can find stories anywhere. They don't need to be his own. Working as a waiter in a West Berlin hotel in 1988, Maurice engineers the perfect opportunity: a chance encounter with celebrated novelist Erich Ackermann. He quickly ingratiates himself with the powerful – but desperately lonely – older man, teasing out of Erich a terrible, long-held secret about his activities during the war. Perfect material for Maurice's first novel. Once Maurice has had a taste of literary fame, he knows he can stop at nothing in pursuit of that high. Moving from the Amalfi Coast, where he matches wits with Gore Vidal, to Manhattan and London, Maurice hones his talent for deceit and manipulation, preying on the talented and vulnerable in his cold-blooded climb to the top. But the higher he climbs, the further he has to fall. . . . Sweeping across the late twentieth century, *A Ladder to the Sky* is a fascinating portrait of a relentlessly immoral man, a tour de force of storytelling, and the next great novel from an acclaimed literary virtuoso. Praise for *A Ladder to the Sky* "Boyne's mastery of perspective, last seen in *The Heart's Invisible Furies*, works beautifully here. . . . Boyne understands that it's far more interesting and satisfying for a reader to see that narcissist in action than to be told a catchall phrase. Each step Maurice Swift takes skyward reveals a new layer of calumny he's willing to engage in, and the desperation behind it . . . so dark it seems almost impossible to enjoy reading *A Ladder to the Sky* as much as you definitely will enjoy reading it."—NPR "Delicious . . . spins out over several decades with thrilling unpredictability, following Maurice as he masters the art of co-opting the stories of others in increasingly dubious ways. And while the book reads as a thriller with a body count that would make Highsmith proud, it is also an exploration of morality and art: Where is the line between inspiration and thievery? To whom does a story belong?"—Vanity Fair

Jacob's Ladder Bruce Joel Rubin, 1990 (Applause Books). From the hit movie directed by Adrian Lyne, this is the original script with over 100 photos. From Rubin's introduction: The script presented here is not my initial screenplay but the final draft completed just before shooting. While close to the original, some significant scenes have been changed or cut. You will find them in the final chapter.

The Jacob Ladder Gerald Hausman, Uton Hinds, 2003 Jack the B. April/03.

The Fish Ladder Katharine Norbury, 2015-08-11 Katharine Norbury was abandoned as a baby in a Liverpool convent. Raised by a loving adoptive family, she grew into a wanderer, drawn by the landscape of the British countryside. One summer, following the miscarriage of a much-longed-for

child, Katharine sets out-accompanied by her nine-year-old daughter, Evie-with the idea of following a river from the sea to its source. The luminously observed landscape grounds the walkers, providing both a constant and a context to their expeditions. But what begins as a diversion from grief evolves into a journey to the source of life itself: a life threatening illness forces Katharine to seek a genetic medical history, and this new and unexpected path delivers her to the door of the woman who abandoned her all those years ago. Combining travelogue, memoir, exquisite nature writing, and fragments of poems with tales from Celtic mythology, *The Fish Ladder* has a rare emotional resonance. It is a portrait of motherhood, of a literary marriage, a hymn to the adoptive family, but perhaps most of all it is an exploration of the extraordinary majesty of the natural world. Imbued with a keen and joyful intelligence, this original and life-affirming book is set to become a classic of its genre.

Ladder to the Light Steven Charleston,2021-01-05 Darkness will not last forever. Together we can climb toward the light. They were as troubled as we, our ancestors, those who came before us, and all for the very same reasons: fear of illness, a broken heart, fights in the family, the threat of another war. Corrupt politicians walked their stage, and natural disasters appeared without warning. And yet they came through, carrying us within them, through the grief and struggle, through the personal pain and the public chaos, finding their way with love and faith, not giving in to despair but walking upright until their last step was taken. My culture does not honor the ancestors as a quaint spirituality of the past but as a living source of strength for the present. They did it and so will we. In the same voice that has comforted and challenged countless readers through his daily social media posts, Choctaw elder and Episcopal priest Steven Charleston offers words of hard-won hope, rooted in daily conversations with the Spirit and steeped in Indigenous wisdom. Every day Charleston spends time in prayer. Every day he writes down what he hears from the Spirit. In *Ladder to the Light* he shares what he has heard with the rest of us and adds thoughtful reflection to help guide us to the light Native America knows something about cultivating resilience and resisting darkness. For all who yearn for hope, *Ladder to the Light* is a book of comfort, truth, and challenge in a time of anguish and fear.

A Traditional Ladder Michele Peters,2019-04-22 A Traditional Ladder is a story based on my childhood. It is a tradition that my father started with me when I was about four years old. As my sister and brother were born, they joined in the tradition. It is a story about family and tradition that has been passed down for generations.

A Twisted Ladder Rhodi Hawk,2010-08-31 Psychologist Madeleine LeBlanc has spent her whole career trying to determine the cause of her father's schizophrenia. The more she pries, the more she uncovers her family's dark past, rife with conjured demons and river magic gone awry.

The Ladder Andrew Morris,2020-01-12 Inspiring is the keyword describing Andrew Morris' book, *The Ladder*. His existence of want and sacrifice is one that tells the story of a man from a young age who spent years just trying to survive and had no focus and no idea of what to do with his life. Then in a magic moment, he came to know that he wanted to dedicate his future to

helping young people who were in great need of many kinds of support. He found that to do so he would have to educate not only the youth but their parents as well. After two failed marriages, Andrew found the perfect loving partner in his wife, Nicole, and they established the Raising The Bridge non-profit youth organization. In *The Ladder*, Andrew outlines the battles and successes he's lived through in his personal life, in providing for his own children, and in doing all he can within Raising The Bridge to meet the emotional, physical, educational, and spiritual needs of his home town youth.

The Step Ladder Flora Warren Seymour, 1922

Ladders Albert Pope, 2015-06-02 Albert Pope's 1996 seminal book *Ladders* is now available in a second edition. Considered a classic in the field of urbanism and one of our most requested out of print titles, Pope's provocative study of five post-war American cities examines the forces--including demographic upheavals, market expansions, and technological developments--that precipitated a change from the open system of the pre-war urban grid to the fragmented and closed spaces of suburban cul-de-sacs, expressways, and office parks. Through an incisive series of diagrams and photographs, Pope reveals the concepts, theories, and rules that have guided their organizational evolution into post architectural spaces whose character is shaped more by the effects of immense urban spaces and infrastructure than built forms. A new preface by architect and educator Pier Vittorio Aureli situates the book in the context of contemporary urban thinking and makes a compelling argument for its continued relevance as springboard for the investigation of our contemporary cities.

Rambam's Ladder Julie Salamon, 2003-01-01 Describes the eight-step program of giving by the twelfth-century Jewish scholar, Ramdam, and how it applies to contemporary life.

Schild's Ladder Greg Egan, 2010-12-30 Cass has stumbled on something that might be an entirely different type of physics, and she's travelled three hundred and fifty light-years to Mimosa Station, a remote experimental facility, to test her theory. The novo-vacuum she creates is predicted to begin decaying the instant it's created, but even so short-lived a microscopic speck could shed new light on the origins of the universe. But instead of decaying, Cass's novo-vacuum is wildly successful and begins expanding, slowly but inexorably taking over the universe ... SCHILD'S LADDER: a wild ride through the far future by one of the world's most respected and acclaimed writers.
