**The Hidden Lamp** Zenshin Florence Caplow,Reigetsu Susan Moon,2013-10-21 The Hidden Lamp is a collection of one hundred koans and stories of Buddhist women from the time of the Buddha to the present day. This revolutionary book brings together many teaching stories that were hidden for centuries, unknown until this volume. These stories are extraordinary expressions of freedom and fearlessness, relevant for men and women of any time or place. In these pages we meet nuns, laywomen practicing with their families, famous teachers honored by emperors, and old women selling tea on the side of the road. Each story is accompanied by a reflection by a contemporary woman teacher--personal responses that help bring the old stories alive for readers today--and concluded by a final meditation for the reader, a question from the editors meant to spark further rumination and inquiry. These are the voices of the women ancestors of every contemporary Buddhist.

The backdrop for The Age of Prophecy is the greatest of Biblical conflicts, the Battle between King Ahav and the Prophet Eliyahu (more commonly known as Ahab and Elijah in English). Learn the inner story of the battle, in a way that will reframe all you've ever heard about the Israelite< Kings and Prophets.

***Oil for Your Lamp*** Lisa Hammond,BJ Gallagher,2010-08-01 Mother Teresa said, To keep a lamp burning, we have to keep putting oil in it. Most women are so busy filling the lamps of the people they love that they let their own lamps run low. They spend so much time and energy taking care of their children, husbands, aging parents, friends, neighbors, bosses, coworkers, and others, that they often neglect themselves. Awareness is the first step toward solving a problem. So the first section of this book is devoted to helping us acknowledge the problem and understand the reasons for it. Chapter 1 looks at how girls are socialized, growing up to be women who put others first. Chapter 2 examines the values women have adopted in the past 50 years, beginning with the feminist movement - leading us to believe that we can have it all - all at once. And Chapter 3 explores the corresponding myth that we can DO it all.
