Multimodality, Interaction and Turn-taking in Mandarin Conversation Xiaoting Li, 2014-07-17

One major feature of conversation is that people take turns to speak. Based on audio and video recordings of naturally-occurring Mandarin conversation, this book explores the role of syntax, prosody, body movements as well as their interplay in turn organization in the temporal unfolding of action and interaction. Adopting the methodology of interactional linguistics, this book offers a fine-grained analysis of the three multimodal resources and the sequential environments in which they appear. It demonstrates that syntax, prosody and body movements not only converge but also diverge in projecting possible turn completion. As one of the few systematic studies of multimodality in Mandarin interaction, this book will be of interest to researchers in Chinese linguistics, interactional linguistics, conversation analysis, and multimodal analysis.

A Murder in Hollywood Casey Sherman, 2024-02-13 USA TODAY BESTSELLER A wild ride beneath the glitz and glamour of 1950s Hollywood, proving once again that Casey Sherman is a master of the genre. —Ben Mezrich, New York Times bestselling author of Dumb Money, Bringing

Down the House, and The Accidental Billionaires The dark story behind the bright lights of Tinseltown From the outside, Hollywood starlet Lana Turner seemed to have it all—a thriving film career, a beautiful daughter, and the kind of fame and fortune that most people could only dream of. But when the famous femme fatale began dating mobster Johnny Stompanato, thug for the infamous west coast mob boss Mickey Cohen, her personal life became violent and unpredictable. Lana's teenage daughter, Cheryl, watched her beloved mother's life deteriorate as Stompanato's intense jealousy took over. Eventually, the physical and emotional abuse became too much to bear, and Lana attempted to break it off with Johnny—with disastrous consequences. The details of what happened that fateful night remain foggy, but it ended in a series of frantic phone calls and Stompanato dead on Lana's bedroom floor, with Cheryl claiming to have plunged a knife into his abdomen in an attempt to protect her mother. The subsequent murder trial made for the biggest headlines of the year, its drama eclipsing every Hollywood movie. New York Times bestselling author Casey Sherman pulls back Tinseltown's velvet curtain to reveal the dark underbelly of celebrity, rife with toxic masculinity and casual violence against women, and tells the story of Lana Turner and her daughter, who finally stood up to the abuse that plagued their family for years. A Murder in Hollywood transports us back to the golden age of film and illuminates one of the 20th century's most notorious true crime tales.

However, one of the Lions decides to be naughty and the Thompson's and 'The Cousins' and their bodyguards find themselves running for their lives. They are saved by the help of Cousin Eve and her angels and go on to perform a magnificent concert for the Catholic Church.
