Lara: The Untold Love Story That Inspired Doctor Zhivago Anna Pasternak, 2016-08-25 'Riveting, tragic tale' New Yorker 'Anna Pasternak has produced an irresistible account of joy, suffering and passion' Financial Times The heartbreaking story of the passionate love affair between Boris Pasternak and Olga Ivinskaya – the tragic true story that inspired Doctor Zhivago.

Lara Bernardine Evaristo, 1997 Lara traces the two ancestral strands of a girl called Lara who grows up in London in the sixties and seventies. Her father, Taiwo, is Nigerian and her mother, Ellen, is English and it goes into both sides of her family history. On Taiwo's side it follows his grandfather's journey from slavery in Brazil in the eighteenth century, to freedom in the Brazilian Quarter of Lagos, Nigeria. It follows Taiwo's childhood in Lagos when Nigeria was a British colony, his journey to Britain to study in 1949 and his eventual meeting and marriage, to a white Englishwoman called Ellen. The book also traces Ellen's childhood in London during the war years, and her mother Edith's poor working class childhood in London at the turn of the century. Finally, all strands come together in Lara who begins her own odyssey as she grows up a mixed-race child in an exclusively white area of London. --

He uncovers one layer of Lara's secrets after another until he must ask how much he can be expected to forgive. And how much responsibility she must carry? *Lara's Shadow* is a love story full of perplexities that strain the limits of atonement and forgiveness. The Secrets We Kept Lara Prescott, 2019-09-03 NEW YORK TIMES BESTSELLER • A thrilling tale of secretaries turned spies, of love and duty, and of sacrifice—inspired by the true story of the CIA plot to infiltrate the hearts and minds of Soviet Russia, not with propaganda, but with the greatest love story of the twentieth century: *Doctor Zhivago* • A HELLO SUNSHINE x REESE WITHERSPOON BOOK CLUB PICK At the height of the Cold War, Irina, a young Russian-American secretary, is plucked from the CIA

typing pool and given the assignment of a lifetime. Her mission: to help smuggle Doctor Zhivago into the USSR, where it is banned, and enable Boris Pasternak's magnum opus to make its way into print around the world. Mentoring Irina is the glamorous Sally Forrester: a seasoned spy who has honed her gift for deceit, using her magnetism and charm to pry secrets out of powerful men. Under Sally's tutelage, Irina learns how to invisibly ferry classified documents—and discovers deeply buried truths about herself. *The Secrets We Kept* combines a legendary literary love story—the decades-long affair between Pasternak and his mistress and muse, Olga Ivinskaya, who inspired *Zhivago's* heroine, Lara—with a narrative about two women empowered to lead lives of extraordinary intrigue and risk. Animal Wife Lara Ehrlich, 2020-09-08 In this award-winning debut collection, fifteen magical realism stories portray girls and women searching for an escape from their everyday lives. "In villages where women bore most of the weight of a constricted life, witches flew by night on broomsticks," said Italo Calvino of the way

imagination bridges the gap between everyday existence and an idealized alternative . . . The fifteen stories of *Animal Wife* are unified by girls and women who cross this threshold seeking liberation from family responsibilities, from societal expectations, from their own minds. A girl born with feathers undertakes a quest for the mother who abandoned her. An indecisive woman drinks Foresight, only to become stymied by the futures branching before her. A proofreader cultivates a cage-fighting alter ego. A woman becomes psychologically trapped in her car. A girl acts on her desire for a childhood friend as a monster draws closer to the shore. A widow invites a bear to hibernate in her den . . . *Animal Wife* was selected as the winner of the Red Hen Fiction Award by New York Times– bestselling author Ann Hood, who says, “From the first sentence *Animal Wife* grabbed me and never let go. Sensual and intelligent, with gorgeous prose, it made me dizzy with its exploration and illumination of the inner and outer lives of girls and women.” Praise for *Animal Wife* “Whimsy and fantasy meet the way things really turn out in stories from a strong new voice.” —Kirkus Reviews “Strange, funny, fearsome, *Animal Wife* is a gorgeous book, weird in its very bones.” —Elizabeth McCracken, author of *Bowlaway: A Novel* “Lara Ehrlich has written a collection

of stories that allow for escapism.” —F(r)iction “I was particularly intrigued by the way Lara beautifully portrays the inner struggle between wildness and domesticity, the surreal elements of each story lending a mythical complexity to these conflicts. Really lovely and thought-provoking. Perfect for fans of Aimee Bender, Karen Russell, and Angela Carter.” —Joy Baglio, founder of Pioneer Valley Writer’s Workshop
