As a bonus, we are giving you the complete walkthrough guide for Heavy Rain. In this guide we'll show you how to achieve all the possible endings, and get 100% out of the game.

The Making of Tomb Raider Daryl Baxter,2021-12-20 Back in 1994 at the game company ‘CORE Design’ in Derby, Lara Croft was born. Through eighteen months of pure hard work from the team, Tomb Raider was released in 1996 and became the success that we see today; taking part in the mid-nineties celebrations of Brit-Pop and Girl Power. This is the story of the team who were involved in creating the first two games, then leaving the series to a new team in 1998. Lara Croft brought class, comedy, and a James Bondian role to the game, dreamt up by Toby Gard and helped to become a pitch with Paul Douglas. The game was a gamble, but because everyone at the company believed in it, it led to huge success for everyone, except for Toby and Paul. ‘The Making of Tomb Raider’ goes into detail of how Lara and the games were born, alongside why Toby Gard and Paul Douglas left before the sequel was released. Throughout eleven chapters of countless interviews, this book will tell you who was responsible for creating the first two games; from its levels, its music, the many voices of Lara Croft, and much more. The team also reveals all about the star of the second game; Winston the Butler, and how he came to be by Joss Charnet. Over twenty people were interviewed for this story; from the pitch for what would be Tomb Raider, alongside the challenges along the way, up until the release of Tomb Raider 2 in 1997...

Tomb Raider 3 Totally Unauthorized Pocket Guide Brady Games,BradyGames Staff,1998 This unauthorized guide will include complete walkthroughs of all levels of Tomb Raider 3. The locations of secret areas in the game are given, plus coverage of new moves, survival strategies, and secret codes.
