This Is the Last Coloring Book on the Left Jo Spinner, 2017-02-08 **AGE RECOMMENDATION 18+ CONTAINS ADULT THEMES & GRAPHIC VIOLENCE** For the first time, enthusiastic fans of The Last Podcast on the Left gather their work into a 2017 FanArt Anthology devoted to this unique

horror/comedy podcast. THE LAST COLORING BOOK ON THE LEFT is a labor of love, with all art and royalties donated to our favorite fellas at Cave Comedy Radio. Hail Yourselves & Megustalations!

RedHanded Suruthi Bala,Hannah Maguire,2021-09-14 2021 Listeners' Choice British Podcast Awards Winner What is it about killers, cult leaders, cannibals, cults, and criminals that capture our imaginations even as they terrify and disturb us? How do we responsibly consume these kinds of stories as entertainment, and more importantly, what can we learn from them? RedHanded rejects the narrative of killers as monsters and that a victim was in the wrong place at the wrong time, and instead tells the stories we want to hear in a way that challenges perceptions and asks the hard questions about society, gender, poverty, culture, and even our politics. After meeting at a party in London where they both discovered they listened to the same murder podcasts, Hannah Maguire and Suruthi Bala drunkenly promised to one day start their own true crime podcast together and the rest is history. From the hosts of the hit true crime podcast RedHanded (dubbed by Rick & Morty creator Dan Harmon as the best true crime podcast I've heard, ever), Hannah Maguire and Suruthi Bala have amassed a cult following of spooky bitches amounting to an incredibly strong 63k downloads per episode and 728k backlist downloads every month in the US alone. With candor, humor, interviews with experts, research on real-life cases, and an unflinching dissection of what makes a killer tick, Bala and Maguire take us through the societal, behavioral, and cultural phenomena that make victims -- and their murderers -- our collective responsibility and to find out once and for all: what makes a killer tick?

Black Magic Chad Sanders,2022-02-08 A “daring, urgent, and transformative” (Brené Brown, New

York Times bestselling author of *Dare to Lead*) exploration of Black achievement in a white world based on honest, provocative, and moving interviews with Black leaders, scientists, artists, activists, and champions. “I remember the day I realized I couldn’t play a white guy as well as a white guy. It felt like a death sentence for my career.” When Chad Sanders landed his first job in lily-white Silicon Valley, he quickly concluded that to be successful at work meant playing a certain social game. Each meeting was drenched in white slang and the privileged talk of international travel or folk concerts in San Francisco, which led Chad to believe he needed to emulate whiteness to be successful. So Chad changed. He changed his wardrobe, his behavior, his speech—everything that connected him with his Black identity. And while he finally felt included, he felt awful. So he decided to give up the charade. He reverted to the methods he learned at the dinner table, or at the Black Baptist church where he’d been raised, or at the concrete basketball courts, barbershops, and summertime cookouts. And it paid off. Chad began to land more exciting projects. He earned the respect of his colleagues. Accounting for this turnaround, Chad believes, was something he calls Black Magic, namely resilience, creativity, and confidence forged in his experience navigating America as a Black man. Black Magic has emboldened his every step since, leading him to wonder: Was he alone in this discovery? Were there others who felt the same? In “pulverizing, educational, and inspirational” (Shea Serrano, #1 New York Times bestselling author of *Basketball (And Other Things)*) essays, Chad dives into his formative experiences to see if they might offer the possibility of discovering or honing this skill. He tests his theory by interviewing Black leaders across industries to get their take on Black Magic. The result is a revelatory and essential book. Black Magic explores Black experiences in predominantly white

environments and demonstrates the risks of self-betrayal and the value of being yourself.

The Story Must Be Told Pastor Andrew, Brother Reid, 2020-11-27 Psalms I is the first collection of poetry from the podcast The Story Must Be Told. Profane, heretical, and occasionally touching, these psalms elicit the trademark laughs and abdominal gurgles of The Story Must Be Told in bite size, healthy chunklets. All your favorite psalms are here-Scabby Dong, The Bug King, Theresa Memorial Parkway, The Patron Saint of T.G.I. Fridays, and as a special bonus, the infamous epic of soda-become-flesh, The Ballad of Prepsa. Plus, who could forget this fresh stinker: Today for Show and tell, I brought a Sinful old man Ralphie reached Into his rucksack, Revealing a Greasy geriatric man Dripping with want, Brimming with desire The class clapped The clergy of the Story has thoughtfully divided their work into categories for ease of reference and worship: Psalms of Gratitude, Psalms of Fertility, Psalms of Grease, Psalms of Prudence, and Psalms of Dining. Inspirational illustrations from decorated congregant Sishir Bommakanti grace each section, and adorn the Ballad of Prepsa in good order as well. Plump on it! The Story Must Be Told is a surreal fiction anthology podcast on the Last Podcast Network. The AV Club praised, Is [The Story Must Be Told] weird as all hell? Yep. But it's also endlessly creative, something truly distinct. Listen on Spotify, Apple Podcasts, Google Play, or wherever you prefer to listen to greasy short stories. Follow us on Twitter and Instagram @tsmbtpod, and join our patreon [patreon.com/tsmbt](https://www.patreon.com/tsmbt).

Dare to Lead Brené Brown, 2018-10-09 #1 NEW YORK TIMES BESTSELLER • Brené Brown has taught us what it means to dare greatly, rise strong, and brave the wilderness. Now, based on new research conducted with leaders, change makers, and culture shifters, she's showing us how to put those ideas into

practice so we can step up and lead. Don't miss the five-part HBO Max docuseries Brené Brown: Atlas of the Heart! NAMED ONE OF THE BEST BOOKS OF THE YEAR BY BLOOMBERG Leadership is not about titles, status, and wielding power. A leader is anyone who takes responsibility for recognizing the potential in people and ideas, and has the courage to develop that potential. When we dare to lead, we don't pretend to have the right answers; we stay curious and ask the right questions. We don't see power as finite and hoard it; we know that power becomes infinite when we share it with others. We don't avoid difficult conversations and situations; we lean into vulnerability when it's necessary to do good work. But daring leadership in a culture defined by scarcity, fear, and uncertainty requires skill-building around traits that are deeply and uniquely human. The irony is that we're choosing not to invest in developing the hearts and minds of leaders at the exact same time as we're scrambling to figure out what we have to offer that machines and AI can't do better and faster. What can we do better? Empathy, connection, and courage, to start. Four-time #1 New York Times bestselling author Brené Brown has spent the past two decades studying the emotions and experiences that give meaning to our lives, and the past seven years working with transformative leaders and teams spanning the globe. She found that leaders in organizations ranging from small entrepreneurial startups and family-owned businesses to nonprofits, civic organizations, and Fortune 50 companies all ask the same question: How do you cultivate braver, more daring leaders, and how do you embed the value of courage in your culture? In this new book, Brown uses research, stories, and examples to answer these questions in the no-BS style that millions of readers have come to expect and love. Brown writes, "One of the most important findings of my career is that daring leadership is a

collection of four skill sets that are 100 percent teachable, observable, and measurable. It's learning and unlearning that requires brave work, tough conversations, and showing up with your whole heart. Easy? No. Because choosing courage over comfort is not always our default. Worth it? Always. We want to be brave with our lives and our work. It's why we're here." Whether you've read *Daring Greatly* and *Rising Strong* or you're new to Brené Brown's work, this book is for anyone who wants to step up and into brave leadership.

Chasing Ghosts Marc Hartzman, 2021-09-28 "A fantastic book."—Ben Kissel, co-host of Last Podcast on the Left Take a spirited tour through the supernatural history of America—from haunted sites and famous ghosts to the paranormal investigations of The Conjuring's real-life Ed and Lorraine Warren. Ghosts are everywhere—whether you believe in them or not. Every town has its local legends, and countless books, movies, and TV shows are haunted by their presence. But our obsession with ghosts runs deeper than we know—and is embedded in the very fabric of American history. Writer and historian Marc Hartzman dons the mantle of tour guide, taking readers on a fascinating journey through supernatural history, including: • The Fox Sisters and the rise of Spiritualism • The supernatural obsessions of famous figures like Sir Arthur Conan Doyle • Haunted Sites: Eastern State Penitentiary in Philadelphia; LaLaurie House in New Orleans • Famous Ghosts: Bell Witch of Tennessee; Greenbrier Ghost of West Virginia • Paranormal Investigators: Ed and Lorraine Warren Deeply researched and highly entertaining, with archival images and black and white illustrations, *Chasing Ghosts* will satisfy believers and skeptics alike. "If you care about ghosts . . . this is the guide you've been waiting for." —Grady Hendrix, New York Times bestselling author of *The Final*

Girl Support Group

When Breath Becomes Air Paul Kalanithi, 2016-01-12 #1 NEW YORK TIMES BESTSELLER • PULITZER PRIZE FINALIST • This inspiring, exquisitely observed memoir finds hope and beauty in the face of insurmountable odds as an idealistic young neurosurgeon attempts to answer the question What makes a life worth living? NAMED ONE OF PASTE'S BEST MEMOIRS OF THE DECADE • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • People • NPR • The Washington Post • Slate • Harper's Bazaar • Time Out New York • Publishers Weekly • BookPage Finalist for the PEN Center USA Literary Award in Creative Nonfiction and the Books for a Better Life Award in Inspirational Memoir At the age of thirty-six, on the verge of completing a decade's worth of training as a neurosurgeon, Paul Kalanithi was diagnosed with stage IV lung cancer. One day he was a doctor treating the dying, and the next he was a patient struggling to live. And just like that, the future he and his wife had imagined evaporated. *When Breath Becomes Air* chronicles Kalanithi's transformation from a naïve medical student "possessed," as he wrote, "by the question of what, given that all organisms die, makes a virtuous and meaningful life" into a neurosurgeon at Stanford working in the brain, the most critical place for human identity, and finally into a patient and new father confronting his own mortality. What makes life worth living in the face of death? What do you do when the future, no longer a ladder toward your goals in life, flattens out into a perpetual present? What does it mean to have a child, to nurture a new life as another fades away? These are some of the questions Kalanithi wrestles with in this profoundly moving, exquisitely observed memoir. Paul Kalanithi died in March 2015, while working on

this book, yet his words live on as a guide and a gift to us all. “I began to realize that coming face to face with my own mortality, in a sense, had changed nothing and everything,” he wrote. “Seven words from Samuel Beckett began to repeat in my head: ‘I can’t go on. I’ll go on.’” When *Breath Becomes Air* is an unforgettable, life-affirming reflection on the challenge of facing death and on the relationship between doctor and patient, from a brilliant writer who became both.

My Best Friend's Exorcism Grady Hendrix, 2016-05-17 Soon to be a major motion picture. This ENHANCED DIGITAL EDITION features TONS of TOTALLY AWESOME '80s bonus materials—including Satanic Panic educational pamphlets, a do-it-yourself exorcism cheat sheet, a Spotify playlist of awesome '80s tunes, animated cover artwork, and much more! From the New York Times best-selling author of *The Southern Book Club's Guide to Slaying Vampires*, this unholy hybrid of *Beaches* and *The Exorcist* blends teen angst and unspeakable horrors into a pulse-pounding supernatural thriller. The year is 1988. High school sophomores Abby and Gretchen have been best friends since fourth grade. But after an evening of skinny-dipping goes disastrously wrong, Gretchen begins to act...different. She's moody. She's irritable. And bizarre incidents keep happening whenever she's nearby. Abby's investigation leads her to some startling discoveries—and by the time their story reaches its terrifying conclusion, the fate of Abby and Gretchen will be determined by a single question: Is their friendship powerful enough to beat the devil?

After On Rob Reid, 2017-08-01 The definitive novel of today's Silicon Valley, *After On* flash-captures our cultural and technological moment with up-to-the-instant savvy. Matters of privacy and government

intrusion, post-Tinder romance, nihilistic terrorism, artificial consciousness, synthetic biology, and much more are tackled with authority and brash playfulness by New York Times bestselling author Rob Reid. Meet Phluttr—a diabolically addictive new social network and a villainess, heroine, enemy, and/or bestie to millions. Phluttr has ingested every fact and message ever sent to, from, and about her innumerable users. Her capabilities astound her makers—and they don’t even know the tenth of it. But what’s the purpose of this stunning creation? Is it a front for something even darker and more powerful than the NSA? A bid to create a trillion-dollar market by becoming “The UberX of Sex”? Or a reckless experiment that could spawn the digital equivalent of a middle-school mean girl with enough charisma, dirt, and cunning to bend the entire planet to her will? Phluttr has it in her to become the greatest gossip, flirt, or matchmaker in history. Or she could cure cancer, bring back Seinfeld, then start a nuclear war. Whatever she does, it’s not up to us. But a motley band of Silicon Valley entrepreneurs, venture capitalists, and engineers might be able to influence her. After On achieves the literary singularity—fusing speculative satire and astonishing reality into a sharp-witted, ferociously believable, IMAX-wide view of our digital age. Praise for After On “Rob Reid’s mind is like no other known thing in the universe, and this book is a truly spectacular way to discover it.”—Chris Anderson, head of TED “An extended philosophy seminar run by a dozen insane Cold War heads-of-station, three millennial COOs and that guy you went to college with who always had the best weed but never did his laundry.”—NPR “An epic cyberthriller peppered with pop-culture references, metadata, and Silicon Valley in-jokes.”—Kirkus Reviews “It’s rare to find a book that combines laugh-out-loud humor and cutting-edge science with profound philosophical speculation. This is that book.”—Analog

“[Rob Reid] writes in a humorous and sarcastic style while unveiling a terrifying and frightening scenario that seems all too real.”—Associated Press

The Last Lecture Randy Pausch, 2008-04-08 After being diagnosed with terminal cancer, a professor shares the lessons he's learned—about living in the present, building a legacy, and taking full advantage of the time you have—in this life-changing classic. We cannot change the cards we are dealt, just how we play the hand. —Randy Pausch A lot of professors give talks titled The Last Lecture. Professors are asked to consider their demise and to ruminate on what matters most to them. And while they speak, audiences can't help but mull over the same question: What wisdom would we impart to the world if we knew it was our last chance? If we had to vanish tomorrow, what would we want as our legacy? When Randy Pausch, a computer science professor at Carnegie Mellon, was asked to give such a lecture, he didn't have to imagine it as his last, since he had recently been diagnosed with terminal cancer. But the lecture he gave—Really Achieving Your Childhood Dreams—wasn't about dying. It was about the importance of overcoming obstacles, of enabling the dreams of others, of seizing every moment (because time is all you have . . . and you may find one day that you have less than you think). It was a summation of everything Randy had come to believe. It was about living. In this book, Randy Pausch has combined the humor, inspiration and intelligence that made his lecture such a phenomenon and given it an indelible form. It is a book that will be shared for generations to come.

The Messengers Mike Clelland, 2020-08-19 Without question, this is a classic by one of the most exciting new authors in the UFO field today. After reading it, your view of reality will never be the same. The owl

has held a place of reverence and mystique throughout history. And as strange as this might seem, owls are also showing up in conjunction with the UFO experience. Mike Clelland has collected a wealth of first-hand accounts in which owls manifest in the highly charged moments that surround alien contact. There is a strangeness to these accounts that defy simple explanations. This book explores implications that go far beyond what more conservative researchers would dare consider. But the owl connection encompasses more than the UFO experience. It also includes profound synchronicities, ancient archetypes, dreams, shamanistic experiences, personal transformation, and death. From the mythic legends of our ancient past to the first-hand accounts of the UFO abductee, owls are playing some vital role. This is also a deeply personal story. It is an odyssey of self-discovery as the author grapples with his own owl and UFO encounters. What plays out is a story of transformation with the owl at the heart of this journey.

My Life with Bob Pamela Paul, 2017-05-02 For twenty-eight years, Pamela Paul has been keeping a diary that records the books she reads, rather than the life she leads. Or does it? Over time, it's become clear that this Book of Books, or Bob, as she calls him, tells a much bigger story. For Paul, as for many readers, books reflect her inner life--her fantasies and hopes, her dreams and ideas. And her life, in turn, influences which books she chooses, whether for solace or escape, diversion or self-reflection, information or entertainment. My Life with Bob isn't about what's in those books; it's about the relationship between books and readers--

Did You Hear What Eddie Gein Done? Eric Powell, 2021-08-15 William Stout cover limited edition paperback

Final Truth Donald Gaskins, Pee Wee Gaskins, Wilton Earle, 1992 Convicted serial murderer Gaskins offers his version of his life and crimes, describing the murders and tortures he committed without remorse.

Ghost Cats of the South Randy Russell, 2011-10 Good ghost kitties, bad ghost kitties, ghost kitties in many manifestations and moods: 22 stories that the cats dragged in.

#AskGaryVee Gary Vaynerchuk, 2016-03-08 The New York Times bestselling author draws from his popular show #AskGaryVee to offer surprising, often outrageous, and imminently useful and honest answers to everything you've ever wanted to know—and more—about navigating the new world. Gary Vaynerchuk—the inspiring and unconventional entrepreneur who introduced us to the concept of crush it—knows how to get things done, have fun, and be massively successful. A marketing and business genius, Gary had the foresight to go beyond traditional methods and use social media tools such as Twitter, Facebook, and YouTube to reach an untapped audience that continues to grow. #AskGaryVee showcases the most useful and interesting questions Gary has addressed on his popular show. Distilling and expanding on the podcast's most urgent and evergreen themes, Gary presents practical, timely, and timeless advice on marketing, social media, entrepreneurship, and everything else you've been afraid to ask but are dying to know. Gary gives you the insights and information you need on everything from effectively using Twitter to launching a small business, hiring superstars to creating a personal brand, launching products effectively to staying healthy—and even buying wine. Whether you're planning to start your own company, working in digital media, or have landed your first job in a traditional company, #AskGaryVee is

your essential guide to making things happen in a big way.

Killer Thomas E. Gaddis, James O. Long, 1970 In 1929, while serving a 25-year sentence for burglary, Carl Panzram bludgeoned a fellow inmate with an iron bar and was sentenced to death. On death row at Leavenworth Prison Panzram wrote his life story, or autobiography, through a series of letters to Henry Lesser, a guard he befriended. Here he sets down a detailed description of his criminal exploits, including 21 murders, his upbringing in correctional facilities for juvenile delinquents (where he was severely beat and tortured for petty infractions) and time as an adult incarcerated in places as varied as Leavenworth to county jails.

An Illustrated History of UFOs Adam Allsuch Boardman, 2020-10-06 A deep dive into the world of Ufology--the study and search for extraterrestrial life--with a fun, informative, humorous look at the history of this strange world of conspiracy. Throughout history people have witnessed a dizzying show of mysterious lights in the sky. Whether they are the devices of alien interlopers or more mundane weather phenomena, they have spawned a legacy of government inquiries, secretive societies, and countless dedicated investigators. We call them Unidentified Flying Objects, and they have claimed a prominent position in popular culture, enduring in part thanks to the legacy of researchers and persistently peculiar mysteries.

Last Podcast On The Left Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity.

Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents.

However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that

are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Last Podcast On The Left free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and

scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Last Podcast On The Left free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search

feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Last Podcast On The Left free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Last Podcast On The Left. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However,

users should always be cautious and verify the legality of the source before downloading Last Podcast On The Left any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Last Podcast On The Left Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality?
