

# Lawgiver

Jane Roseboom

The Lawgiver Herman Wouk,2012 A tale told through correspondence, articles, and text messages traces the efforts of a group of movie makers, including a brilliant young writer-director who has rejected her rabbinical father's strict upbringing, to create a movie about the life of Moses.

Early Greek Lawgivers John Lewis,2013-10-10 Designed for students and teachers of Ancient History or Classical Civilisation at school and in early university years, this series provides a valuable collection of guides to the history, art, literature, values and social institutions of the ancient world. Early Greek Lawgivers examines the men who brought laws to the early Greek city states, as an introduction both to the development of law and to the basic issues in early legal practice. The lawgiver was a man of special status, who could resolve disputes without violence, and who brought a sense of order to his community. Figures such as Minos of Crete, Lycurgus of Sparta and Solon of Athens resolved the chaos of civil strife by bringing comprehensive norms of ethical conduct to their fellows, and establishing those norms in the form of oral or written laws. Arbitration, justice, procedural versus substantive law, ethical versus legal norms, and the special character of written laws, form the background to the examination of the lawgivers themselves. Crete, under king Minos, became an example of the ideal community for later Greeks, such as Plato. The unwritten laws of Lycurgus established the foundations of the Spartan state, in contrast with the written laws of Solon in Athens. Other lawgivers illustrate particular issues in early law; for instance, Zaleucus on the divine source of laws; Philolaus on family law; Phaleas on communism of property; and Hippodamus on civic planning. This is an ideal first introduction to the establishment of law in ancient Greece. It is written for late school and early university students.

**The Hebrew Lawgiver, Vol. 1 (Classic Reprint)** John M. Lowrie,2018-01-30 Excerpt from The Hebrew Lawgiver, Vol. 1 Possibly the volumes now laid before the Christian public may be thought by some readers to come quite short of the promise which their name implies. But certainly the most intelligent readers will be least surprised at this. For the full discussion of the character, claims, teachings and influence of the hebrew lawgiver would require more volumes than the chapters we here present; indeed the writings called forth by the Pentateuch would make a library in number far exceeding the pages of this work; nor will these volumes be issued in vain, even though containing little that is new, if they serve to awaken in their readers an interest in Scriptural teachings. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. *The Hebrew Lawgiver, Vol. 2 (Classic Reprint)* John M. Lowrie,2018-01-25 Excerpt from The Hebrew Lawgiver, Vol. 2 It has been suggested that the Lord's Prayer is the Ten Commandments turned into The thought is interesting; but to carry it out will rather reveal some singular analogies between these two compositions, than sustain an idea too ingenious for exact correctness. No doubt both recognize the one Living God alone as the proper Object of man's thoughts in duty and devotion; but give both compositions into the hands of ten persons, and let each write out an independent harmony upon this suggestion, and we cannot think that any two would agree in attempting to reconcile the separate precepts of duty with the separate. Lawgivers Chris Kohout,2014-01-01 Welcome to the near future, where law enforcement has evolved. Attorneys are judge, jury and executioner in one. Police officers are free to investigate, interrogate and apprehend at will. Working together in pairs, they are called Lawgivers. Like all attorneys, Sarah Jordan delivers justice with a katana blade. Moderate offenses result in the telltale scar of a Lawgiver sword through the palm. More serious crimes end with a blade through the heart. When a young girl stumbles into their office after witnessing her father's murder, Sarah and her cop partner Robert seek the murderer but soon find they're on the trail of a vast conspiracy revolving around a new drug that vaccinates against all genetic diseases. Going up against its creator, Integrated Life Sciences, would be the case of a lifetime. But against ILS and its shadowy backers, even the law offers little protection. Learn more about ILS at their website: <http://ilsciences.com>
