Everything You Need to Know about League of Legends Minh Hoang Pham,2019-08-31

League of Legends (LOL) was first released in 2009 and was one of the first games which were free to play for everyone having Internet access. This was probably the biggest factor as to why so many people consider LOL as a revolutionary game in the MOBA genre.In League of Legends, players assume the role of an unseen summoner that controls a champion with unique abilities and battle

against a team of other players or computer-controlled champions. The goal is usually to destroy the opposing team's nexus, a structure that lies at the heart of a base protected by defensive structures, although other distinct game modes exist as well. Each League of Legends match is discrete, with all champions starting off fairly weak but increasing in strength by accumulating items and experience over the course of the game. The champions and setting blend a variety of elements, including high fantasy, steampunk, and Lovecraftian horror. League of Legends is a MOBA, or Multiplayer Online Battle Arena. 2 teams seek to destroy the other's base in an intense real-time strategy (RTS) brawl. Players control and customize a single character, and work with their teammates to accumulate resources and outplay foes. Each match, players choose a character from a roster of over 140 champions and customize this champion with the resources they earn. Every match is a fresh start. League of Legends has been one of the most iconic games for the last 10 years. With millions of players, complex strategy, and exciting gameplay, League of Legends remains one of the most popular and competitive video games today. At this book, you can learn how to play better, smarter, and collaboratively all while having a blast in a dynamic and social environment. So take a look at this book and see what interests you!

Ruination Anthony Reynolds, 2022-09-06 Discover an epic tale of magic, revenge, and an empire on the verge of ruin in the first ever novel set in the blockbuster universe of League of Legends. Camavor is a brutal land with a bloody legacy. Where the empire's knights go, slaughter follows. Kalista seeks to change that. When her young and narcissistic uncle, Viego, becomes king, she vows to temper his destructive instincts, as his loyal confidant, advisor, and military general. But her plans are thwarted when an assassin's poisoned blade strikes Viego's wife, Isolde, afflicting her with a malady for which there is no cure. As Isolde's condition worsens, Viego descends into madness and grief, threatening to drag Camavor down with him. Kalista makes a desperate gambit to save the kingdom: she searches for the long lost Blessed Isles, rumored to hold the queen's salvation, if only Kalista can find them. But corruption grows in the Blessed Isles' capital, where a vengeful warden seeks to ensnare Kalista in his cruel machinations. She will be forced to choose between her loyalty to Viego and doing what she knows is right--for even in the face of utter darkness, one noble act can shine a light that saves the world. In the tradition of the most memorable Greek tragedies, Anthony Reynolds weaves a propulsive tale of love, loss, war, and duty that recalls the adage, 'the only thing necessary for the triumph of evil is for the good to do nothing.' Those familiar with League of Legends know where this story must leave us, but Ruination's power is that—like all good myths—knowing how it ends is just the beginning. – Evan Winter, author of *The Rage of Dragons* Ruination is a rousing, intrigue and action rich tale sure to delight fans of fantasy. – Anthony Ryan, author of *The Pariah* Fast-paced and entertaining epic fantasy - thoroughly enjoyable, and a worthy addition to the world that

League of Legends Top Lane Mastery St Petr,2016-12-02 As a Master Tier player on both EUW and EUNE servers that cares deeply about the state of League of Legends, I had enough of the lack of high quality educational material about the game. So about a year ago, I used my experience as a real life teacher and high elo player and wrote what turned out to be the best selling ebook about improving at League of Legends on Amazon for Season 6 - 30 Days to Diamond. By the way - an improved, enriched and even more detailed version for Season 7 is out and it's called 21 Days to Diamond and Beyond. Ever since the book delivered on the results it promised, I've received dozens of requests from players asking me to write separate, very detailed books about the roles of ADC, Mid lane, Top lane and Jungle that would be adapted for Season 7. Due to the support I got from my dear readers, I felt motivated to roll up my sleeves and produce the best of my work as a results-oriented League of Legends coach. After countless hours of hard work, I am proud to announce that each of the books people wanted me to write is now available to anyone that is open to learning and is willing to get to that next level as a player in their favorite role. So why is League of Legends Top Lane Mastery worth

your time? If you are still paying attention, I am assuming you are an ambitious, competitive person with a winner's mindset that is interested in acquiring all the necessary game knowledge that will help you improve massively as a Top lane main.
