What Drives Winning ,2016-04-30

Level Five William Ledbetter,2022-08 In the mountains of Pakistan, a high-tech mission aimed at preventing another nuke on US soil goes off the rails - with deadly results. At a Wall Street investment firm, a computer intelligence takes the first tentative steps to free itself from its digital restraints. In a basement workshop, an engineer sees visions of a god who instructs him to defend the human race - by any means necessary. In *Level Five*, the debut near-future thriller by Nebula Award winner William Ledbetter, AI's battle for dominance, and nanotechnology is on the loose. And all that stands in the way of the coming apocalypse is a starry-eyed inventor who dreams of building a revolutionary new spacecraft and an intelligence agency desk jockey faced with the impossible choice of saving her daughter - or saving the world.

Grace and Grit Lilly Ledbetter,Lanier Scott Isom,2013-02-26 The inspiring story of the woman at the center of the historic discrimination case that inspired the Lilly Ledbetter Fair Pay Restoration Act, her fight for equal rights in the workplace, and how her determination became a victory for the nation Lilly Ledbetter always knew that she was destined for something more than what she was born into: a house with no running water or electricity in the small town of Possum Trot, Alabama. In 1979, when Lilly applied for her dream job at the Goodyear tire factory, she got the job. She was one of the first women hired at the management level. Nineteen years after her first day at Goodyear, Lilly received an anonymous note revealing that she was making thousands less per year than the men in her position. When she filed a sex-discrimination case against Goodyear, Lilly won--and then heartbreakingly lost on appeal. Over the next eight years, her case made it all the way to the Supreme Court, where she lost again. But Lilly continued to fight, becoming the namesake of President Barack Obama's first official piece of legislation. Both a deeply inspiring memoir and a powerful call to arms, *Grace and Grit* is the story of a true American icon.

Making Sense of Marshall Ledbetter Daniel M. Harrison,2014-11-11 Armed with an empty whiskey bottle and wearing a tie-dyed Jimi Hendrix T-shirt, Florida State University dropout Marshall Ledbetter broke into the Florida State Capitol early one morning in June 1991. He occupied the Sergeant of Arms suite, demanding an extra-large Gumby's pizza and 666 donuts for the cops waiting outside. He hoped to garner media attention for his protest of poverty, homelessness, and cuts to higher education. After an eight hour standoff, Ledbetter was betrayed by the very media he had counted on to tell his story; his demands were not broadcast on CNN as he had been promised but streamed into the office on closed-circuit TV. Although he left the building peacefully, the ensuing trial, his trips in and out of the state's mental health institutions over the following decade, and his eventual suicide in 2003 speak to how difficult it is to untangle addiction, isolation, brilliance, and deviance. Ledbetter's invasion of the Capitol remains the biggest security breach of the building's history, but Daniel Harrison's telling of the Ledbetter saga is about more than one misguided young man's breaking and entering into the state's most secure building. *Making Sense of Marshall Ledbetter* thoughtfully and honestly explores the ways society manages deviant people in real world situations and whether or not our law enforcement and justice systems are adequately equipped to handle mental illness.

E.W.T. Ledbetter & Margaret Hessentine Hawkins: A Family History Candace Ledbetter,2017-06-18 A book including the E.W.T. & Margaret Hawkins Ledbetter genealogy, photos, memories, and letters from WWII.

Impact of Ledbetter V. Goodyear on the Effective Enforcement of Civil Rights Laws United States. Congress. House. Committee on the Judiciary. Subcommittee on the Constitution, Civil Rights, and Civil Liberties,2007

Grace and Grit Lilly Ledbetter,Lanier Scott Isom,2013-02-26 The inspiring story of the woman at the center of the historic discrimination case that inspired the Lilly Ledbetter Fair Pay Restoration Act, her fight for equal rights in the workplace, and how her determination became a victory for the nation Lilly Ledbetter always knew that she was destined for something more than what she was born into: a house with no running water or electricity in the small town of Possum Trot, Alabama. In 1979, when Lilly applied for her dream job at the Goodyear tire factory, she got the job. She was one of the first women hired at the management level. Nineteen years after her first day at Goodyear, Lilly received an anonymous note revealing that she was making thousands less per year than the men in her position. When she filed a sex-discrimination case against Goodyear, Lilly won--and then heartbreakingly lost on appeal. Over the next eight years, her case made it all the way to the Supreme Court, where she lost again. But Lilly continued to fight, becoming the namesake of President Barack Obama's first official piece of legislation. Both a deeply inspiring memoir and a powerful call to arms, *Grace and Grit* is the story of a true American icon.

Starving To Death On 200 Million James Ledbetter,2003-01-06 Chronicles the short life and quick demise of the Business Week of the Internet economy, the publishing phenomenon founded in 1998 that generated more than \$200 million in revenue but was gone, along with the dot-com boom, by 2001.

One Nation Under Gold: How One Precious Metal Has Dominated the American Imagination for Four Centuries James Ledbetter,2017-06-13 *One Nation Under Gold* examines the countervailing forces that have long since divided America—whether gold should be a repository of hope, or a damaging delusion that has long since derailed the rational investor. Worshipped by Tea Party politicians but loathed by sane economists, gold has

historically influenced American monetary policy and has exerted an often outsized influence on the national psyche for centuries. Now, acclaimed business writer James Ledbetter explores the tumultuous history and larger-than-life personalities—from George Washington to Richard Nixon—behind America’s volatile relationship to this hallowed metal and investigates what this enduring obsession reveals about the American identity. Exhaustively researched and expertly woven, *One Nation Under Gold* begins with the nation’s founding in the 1770s, when the new republic erupted with bitter debates over the implementation of paper currency in lieu of metal coins. Concerned that the colonies’ thirteen separate currencies would only lead to confusion and chaos, some Founding Fathers believed that a national currency would not only unify the fledgling nation but provide a perfect solution for a country that was believed to be lacking in natural silver and gold resources. Animating the Wild West economy of the nineteenth century with searing insights, Ledbetter brings to vivid life the actions of Whig president Andrew Jackson, one of gold’s most passionate advocates, whose vehement protest against a standardized national currency would precipitate the nation’s first feverish gold rush. Even after the establishment of a national paper currency, the virulent political divisions continued, reaching unprecedented heights at the Democratic National Convention in 1896, when presidential aspirant William Jennings Bryan delivered the legendary Cross of Gold speech that electrified an entire convention floor, stoking the fears of his agrarian supporters. While Bryan never amassed a wide-enough constituency to propel his cause into the White House, America’s stubborn attachment to gold persisted, wreaking so much havoc that FDR, in order to help rescue the moribund Depression economy, ordered a ban on private ownership of gold in 1933. In fact, so entrenched was the belief that gold should uphold the almighty dollar, it was not until 1973 that Richard Nixon ordered that the dollar be delinked from any relation to gold—completely overhauling international economic policy and cementing the dollar’s global significance. More intriguing is the fact that America’s exuberant fascination with gold has continued long after Nixon’s historic decree, as in the profusion of late-night television ads that appeal to goldbug speculators that proliferate even into the present. *One Nation Under Gold* reveals as much about American economic history as it does about the sectional divisions that continue to cleave our nation, ultimately becoming a unique history about economic irrationality and its influence on the American psyche.

Shady Ladies Suzann Ledbetter,2006-08-08 A compendium of short biographical pieces about some of history’s most rebellious women includes profiles of such figures as determined widow Elsa Jane Guerin, late-nineteenth-century photographer Frances Benjamin Johnston, and the Unsinkable Molly Brown.

The Life And Times Of A Young Amputee Betty I. Ledbetter,2010-05-26

The Defense of Thaddeus A. Ledbetter John Gosselink,2010-10-01 Twelve-year-old Thaddeus A. Ledbetter, who considers it a duty to share his knowledge and talent with others, refutes each of the charges which have sent him to In-School Suspension for the remainder of seventh grade.

Itty-Bitty Kitty-Corn Shannon Hale,2021-03-23 From bestselling superstar duo Shannon Hale and LeUyen Pham comes a delightful kitty and unicorn story that celebrates the magic of friendship—and being exactly who you want to be! Kitty thinks she might be a unicorn. She feels so perfectly unicorn-y! “Neigh!” says Kitty. But when Unicorn clop clop clops over, sweeping his magnificent tail and neighing a mighty neigh, Kitty feels no bigger than a ball of lint. Can this unlikely pair embrace who they are, and truly see one another? In their first picture book together, the magical, bestselling team of Shannon Hale and LeUyen Pham put their horns together for the most heart-bursting, tail-twitching, fuzzy-feeling, perfectly unicorn-y story imaginable.

Gospel Community Neal Ledbetter,2023-06-20 Do you long for genuine relationships where you can know others and be known by them? Do you desire more than just gathering in the same space with others without any real connection? Yet, simultaneously, do you find yourself occasionally pushing back when someone gets too close? Why do you think you have that longing, and why do you think deep-abiding relationships are such a struggle to find and maintain? In this book, Pastor Neal Ledbetter makes the case that the gospel of Jesus Christ gives us answers. In the gospel, we are offered the endless treasure of Jesus and the never-ending, overflowing supply of treasures found in him. One of the rare jewels that comes with a new identity in Christ is a new gospel community, kingdom-family, and people to which we belong and in which we can know and be known. Paul calls it our inheritance in the saints (Eph 1:18), our citizenship with the saints, and our membership among the household of God (Eph 2:19–22). This new gospel community and kingdom-family is simply too important and too wonderful a treasure to ignore, avoid, or treat as unnecessary, unimportant, or secondary to our lives. This study will explore the extraordinary gift we have been given in gospel community. We’ll see how the gospel transforms us individually and simultaneously forms us into a new people. We’ll survey how we are intended to live together and the only sustaining motive and power for doing so. And finally, we’ll examine several characteristics necessary to experience the rare jewel of gospel community.

A Lady Never Trifles with Thieves Suzann Ledbetter,2003-04-23 Suzann Ledbetter brings her unparalleled storytelling talents to a new mystery series in which one engaging heroine sets out to tame the Wild West with a woman’s touch... The simple truth is, I was born clever.... So says spirited young Denver City detective Joby (Josephine Beckworth) Sawyer -- and she isn’t bragging. With a whip-sharp mind, self-taught expertise in biology, herbology, chemistry, criminality, and legal action, Joby can pretty much get her man. But there’s one still hanging on the line: her devoted policeman

beau, Jack O'Shaughnessy. In Joby's line of work, murder and mayhem come before matrimony. And with two new cases to crack, her wedding gown can wait. For now Joby has to get the goods on a no-good abusive husband so a wealthy wife can get out with her fortune and her features intact. Then, a high-class jewel thief goes from larceny to murder as a woman is found strangled with her pearl necklace. Against Jack's wishes, Joby takes a crack at the case with the help of her mentor, Won Li. Determined to prove she's as good an investigator as any man, Joby must use both her brains and her beauty to catch a thief -- before he kills again.

Unwarranted Influence James Ledbetter, 2011-01-17 In Dwight D. Eisenhower's last speech as president, on January 17, 1961, he warned America about the military-industrial complex, a mutual dependency between the nation's industrial base and its military structure that had developed during World War II. After the conflict ended, the nation did not abandon its wartime economy but rather the opposite. Military spending has steadily increased, giving rise to one of the key ideas that continues to shape our country's political landscape. In this book, published to coincide with the fiftieth anniversary of Eisenhower's farewell address, journalist James Ledbetter shows how the government, military contractors, and the nation's overall economy have become inseparable. Some of the effects are beneficial, such as cell phones, GPS systems, the Internet, and the Hubble Space Telescope, all of which emerged from technologies first developed for the military. But the military-industrial complex has also provoked agonizing questions. Does our massive military establishment--bigger than those of the next ten largest combined--really make us safer? How much of our perception of security threats is driven by the profit-making motives of military contractors? To what extent is our foreign policy influenced by contractors' financial interests? Ledbetter uncovers the surprising origins and the even more surprising afterlife of the military-industrial complex, an idea that arose as early as the 1930s, and shows how it gained traction during World War II, the Cold War, and the Vietnam era and continues even today.

Just Make It Work Donté Ledbetter, 2021-01-05 Are you finding it hard to gain a rhythm when job hunting? Are you confused about how to get promoted and grow at your company? Are you struggling to overcome rejection and self-doubt in your career? Then you need to read this book. Building a successful career is harder than it should be, and sometimes standard career advice doesn't put you on the right path. *Just Make It Work* gives you honest tips, inspiration, and stories on how to unapologetically build the career you deserve within your first ten years. *Just Make It Work* gives it to you straight.
