

Lenin

Vladimir N. Brovkin

Vladimir Lenin and the Russian Revolution Elizabeth Schmermund, Judith Edwards, 2015-12-15 Ending a two-hundred-year tsarist regime and bringing communism to the masses, Vladimir Lenin changed not only Russia, but also the world's political climate. Using source documents and photos, this text discusses the major events of the Russian Revolution and its consequences in a way that makes the concepts clear, concise, and interesting to students.

The Essentials of Lenin Vladimir Il'ich Lenin, 1973

Lenin Christopher Read, 2013-01-11 From a highly distinguished author on the subject, this biography is an excellent scholarly introduction to one of the key figures of the Russian Revolution and post-Tsarist Russia. Not only does it make use of archive material made newly available in the glasnost and post-Soviet eras, it re-examines traditional sources as well, providing an original interpretation of Lenin's life and historical importance. Focal points of this study are: Lenin's revolutionary ascetic personality how he exploited culture, education and propaganda his relationship to Marxism his changing class analysis of Russia his 'populist' instincts. A prominent figure at the forefront of debates on the Russian revolution, Read makes sure that Lenin remains in his place as a highly influential and significant figure of the recent past.

V. I. Lenin on Youth Vladimir Ilich Lenin, 2001-05-01 Lenin always paid great attention to the young generation of workers, peasants and intellectuals and laid emphasis on involving the largest possible number of them in the revolutionary movement, the struggle to build a new socialist society. Back in 1895, when he drew up the program of the Russian Social-Democratic Labor Party while in prison, he put forward the demand for universal suffrage for citizens at the age of 21 and over and for prohibition of employment of children under 15. While living in emigration on the eve of the first Russian revolution, Lenin closely followed the development of the students' movement in Tsarist Russia and in the pages of *Iskra* he stressed its importance for the general struggle of the Russian people against tsarism and called on the students to work out Marxist world outlook and actively assist the Social-Democrats in their illegal work. In August 1903, at the Second Congress of the Party, Lenin moved a resolution on the Social-Democrats' attitude towards students and made a speech on this question. Lenin did not confine himself to the youth movement in Russia only. As leader of the international proletariat, Lenin helped the young Social-Democrats of Switzerland, Sweden and other countries to arrive at a scientific world outlook and correct revolutionary tactics in the struggle against capitalism, passing on to them the experience of the Russian working class and its Party. The present collection includes Lenin's articles, speeches and letters on the youth, as well as those of his works which deal with problems facing the young generation. The various items in this collection are as a rule published in full, excerpts being used only when Lenin's statements on youth form part of his larger works. Lenin's works are distributed under the following heading: The Condition of Children and Young People under Capitalism, The Revolutionary Movement Among the Student Youth in Tsarist Russia, Participation of Young Workers and Peasants in the Revolutionary Struggle and Revolutionary Training of Youth and Participation of Youth in Socialist Construction - Education of the New Man. Vladimir Ilich Lenin (1870-1924) was the founder of the Russian Communist Party (Bolsheviks), inspirer and leader of Bolshevik Revolution (1917), and the architect, builder, and first head (1917-24) of the Soviet State. He was the founder of the organization known as Comintern (Communist International) and the posthumous source of Leninism, the doctrine codified and conjoined with Marx's works by Lenin's successors to form Marxism-Leninism, which became the Communist world view. If the Bolshevik Revolution is - as some people have called it - the most significant political event of the 20th century, then Lenin must for good or ill be regarded as the century's most significant political leader. Not only in the scholarly circles of the former Soviet Union but even among many non-Communist scholars, he has been regarded as the greatest revolutionary leader and revolutionary statesman in history, as well as the greatest revolutionary thinker since Marx.

Lenin Vladimir Lenin, 2008-02-01 Christopher Morley (1890-1957) was an American journalist, novelist, essayist and poet. His most famous work remains *The Haunted Bookshop*.

Lenin on the Train Catherine Merridale, 2017-03-28 A gripping, meticulously researched account of Lenin's fateful rail journey from Zurich to Petrograd, where he ignited the Russian Revolution and forever changed the world. In April 1917, as the Russian Tsar Nicholas II's abdication sent shockwaves across war-torn Europe, the future leader of the Bolshevik revolution Vladimir Lenin was far away, exiled in Zurich. When the news reached him, Lenin immediately resolved to return to Petrograd and lead the revolt. But to get there, he would have to cross Germany, which meant accepting help from the deadliest of Russia's adversaries. Germany saw an opportunity to further destabilize Russia by allowing Lenin and his small group of revolutionaries to return. Now, drawing on a dazzling array of sources and never-before-seen archival material, renowned historian Catherine Merridale provides a riveting, nuanced account of this enormously consequential journey--the train ride that changed the world--as well as the underground conspiracy and subterfuge that went into making it happen. Writing with the same insight and formidable intelligence that distinguished her earlier works, she brings to life a world of counter-espionage and intrigue, wartime desperation, illicit finance, and misguided utopianism. This was the moment when the Russian Revolution became Soviet, the genesis of a system of tyranny and faith that changed the course of Russia's history forever and transformed the international political climate--

Lenin's Childhood Isaac Deutscher, 2024-01-23 When he died suddenly in 1967, Isaac Deutscher had completed only the compelling first chapter of a long-anticipated biography of Lenin, published here. It covers Lenin's family background, birth and early years in the backwater town of Simbirsk up to the execution of his brother, a traumatic formative event. Drawing on a lifetime of background research, including access to the closed section of Trotsky's archives, *Lenin's Childhood* gives a novel interpretation of the earliest influences on Lenin's personality and thinking. Most of all, it is a glimpse into an unfinished work which would have striven to save Lenin from fanatical anti-revolutionary condemnation and, perhaps more important, from uncritical communist beatification. This anniversary edition includes an introduction by Deutscher's biographer, Gonzalo Pozo, which situates the Lenin project within Deutscher's oeuvre and discusses the sources, influences and evolution of his never completed life of Lenin.

Lenin's Fight Against Stalinism Vladimir Il'ich Lenin, Leon Trotsky, 1975

Lenin the Dictator Victor Sebestyen, 2017-02-09 'A fresh, powerful portrait of Lenin' Anne Applebaum, author of *Red Famine* 'Richly readable ... An enthralling but appalling story' Francis Wheen, author of *Karl Marx* The cold, one-dimensional figure of Lenin the political fanatic is only a partial truth. Drawing on extensive material that has only recently become available, Sebestyen's gripping biography casts an intriguing new light on the character behind the politics. In reality, Lenin was a man who loved nature as much as he loved making revolution, and his closest relationships were with women. He built a state based on terror. But he was a highly emotional man given to furious rages and deep passions. While never ignoring the politics, Sebestyen examines Lenin's inner life, his relationship with his wife and his long love affair with Inessa Armand, the most romantic and beguiling of Bolsheviks. These two women were as significant as the men - Stalin or Trotsky - who created the world's first Communist state with him.

Selected Works [of] V. I. Lenin Vladimir Il'ich Lenin, 1971

The Essentials of Lenin Vladimir Il'ich Lenin, 1947

Lenin Victor Sebestyen, 2017-11-07 Victor Sebestyen's riveting biography of Vladimir Ilyich Lenin—the first major biography in English in nearly two decades—is not only a political examination of one of the most important historical figures of the twentieth century but also a fascinating portrait of Lenin the man. Brought up in comfort and with a passion for hunting and fishing, chess, and the English classics, Lenin was radicalized after the execution of his brother in 1887. Sebestyen traces the story from Lenin's early years to his long exile in Europe and return to Petrograd in 1917 to lead the first Communist revolution in history. Uniquely, Sebestyen has discovered that throughout Lenin's life his closest relationships were with his mother, his sisters, his wife, and his mistress. The long-suppressed story told here of the love triangle that Lenin had with his wife, Nadezhda Krupskaya, and his beautiful, married mistress and comrade, Inessa Armand, reveals a more complicated character than that of the coldly one-dimensional leader of the Bolshevik Revolution. With Lenin's personal papers and those of other leading political figures now available, Sebestyen gives us new details that bring to life the dramatic and gripping story of how Lenin seized power in a coup and ran his revolutionary state. The product of a violent, tyrannical, and corrupt Russia, he chillingly authorized the deaths of thousands of people and created a system based on the idea that political terror against opponents was justified for a greater ideal. An old comrade who had once admired him said that Lenin desired the good . . . but created

evil. This included his invention of Stalin, who would take Lenin's system of the gulag and the secret police to horrifying new heights. In Lenin, Victor Sebestyen has written a brilliant portrait of this dictator as a complex and ruthless figure, and he also brings to light important new revelations about the Russian Revolution, a pivotal point in modern history. (With 16 pages of black-and-white photographs)

Lenin on the United States Vladimir Il'ich Lenin,1970 Title on container: Crane safety.
Vladimir Lenin Hourly History,2017-05-10 Vladimir Lenin The political theories of Lenin have long outlived him, and have even gone on to outlive the Marxist state he help to found; the Soviet Union. The name Lenin still reverberates around the world, and yet Lenin is not even his real name. He was born Vladimir Ilyich Ulyanov, the name Lenin was just the word he used to attach to his ideology, Lenin was just the brand that he developed as he attempted to make good on his promise to export Leninism all over the world. Inside you will read about... ✓ The Birth of Revolution✓ Lenin's Honeymoon in Exile✓ Lenin's Blank Check✓ Dealing with Monarchist Filth✓ Saving Face✓ Voice of a Nation✓ Russia Holds its BreathAnd much more!The man that came to be known as Vladimir Lenin almost single-handedly sparked communist revolution in Russia and he very nearly brought his brand of Marxism to the rest of the world. What drove him to do this? Where did he derive such an immense desire for societal change?This book serves to examine the landscape that brought such a pivotal figure to such prominence, examining all of the catalysts, from personal, to national, that led the man known simply as Lenin down his inexorable path of revolution.

Lenin Lars T. Lih,2011-05-15 After Karl Marx, Vladimir Lenin (1870–1924) is the man most associated with communism and its influence and reach around the world. Lenin was the leader of the communist Bolshevik party during the October 1917 revolution in Russia, and he subsequently headed the Soviet state until 1924, bringing stability to the region and establishing a socialist economic and political system. In Lenin, Lars T. Lih presents a striking new interpretation of Lenin’s political beliefs and strategies. Until now, Lenin has been portrayed as a pessimist with a dismissive view of the revolutionary potential of the workers. However, Lih reveals that underneath the sharp polemics, Lenin was actually a romantic enthusiast rather than a sour pragmatist, one who imposed meaning on the whirlwind of events going on around him. This concise and unique biography is based on wide-ranging new research that puts Lenin into the context both of Russian society and of the international socialist movement of the early twentieth century. It also sets the development of Lenin’s political outlook firmly within the framework of his family background and private life. In addition, the book’s images, which are taken from contemporary photographs, posters, and drawings, illustrate the features of Lenin’s world and time. A vivid, non-ideological portrait, Lenin is an essential look at one of the key figures of modern history.

Russia After Lenin Vladimir N. Brovkin,1998 In Russian Society and Politics 1921-1929, Vladimir Brovkin offers a comprehensive cultural, political, economic and social history of developments in Russia in the 1920's.

What Did Lenin Mean by 'Communism'? Marion Luger,2009-09 Seminar paper from the year 2001 in the subject Politics - Political Systems - History, grade: 1,0, University of Sussex, language: English, abstract: The term revolution can be either defined as an attempt [...] to change the government of a country or as a great change in conditions, ways of working, beliefs, etc. that affects large numbers of people. In conducting the Russian revolution of 1917 and its aftermath, Lenin has fulfilled both conditions - for the first time in history, the capitalist system was challenged by a Communist state. In this essay, I will firstly concentrate on Lenin's theoretical approach to the dictatorship of the proletariat and its realization throughout the period of the October Revolution (section II). Thereupon, section III describes the use of Communism during the civil war and its consequences, whereas section IV considers the implication of the New Economic Policy on various parts of the Russian population.

Lenin Abraham Resnick,2004 A biography of the leader of the 1917 Bolshevik Revolution who formulated the official Communist ideology and became the first head of the Soviet state.

Lenin Dmitri Volkogonov,2008-06-18 The special assistant to Boris Yeltsin radically alters the traditional image of Lenin with a biography based on secret Soviet archives, revealing the Founding Father as a cruel, totalitarian leader who was responsible for the worst excesses of the Soviet state.

Speeches of V.I. Lenin Vladimir Il'ich Lenin,1928

Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Lenin full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Lenin eBooks, including some popular titles.

FAQs About Lenin Books

What is a Lenin PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Lenin PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Lenin PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Lenin PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Lenin PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to

Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
