When they receive their monthly instalment of Burrell's Build-It-at-Home Encyclopedia set, fun and excitement burst into Lenny and Davey's lives. The amazing, mysterious entries in the book's pages give them a way to dream of escape: Lenny vows to become a beetle expert, while Davey decides he will run away to Canada and build a log cabin. But as Davey's disease progresses, the siblings' richly imagined world becomes harder to cling to in this deeply moving and original novel about grief, family and wonder. Warm, humorous, absolutely real and above all, uplifting... Karen Foxlee, you're a genius Wendy Orr, author of Dragonfly Song Karen Foxlee was born in Mount Isa, Australia. Lenny: Strength & Determination ,

Lenny the Leaf Has a Wonderful Day Michael J. Thompson,2011-03 Little Tree almost didn't have a home. Maria picked him up at the nursery on a whim, but he soon grew into a strong tree and became a part of the family. Despite the struggles to grow as big as the other trees in the yard, weathering a dangerous thunder storm, and surviving the looming threat of the insurance man, Little Tree stays rooted firmly in his family's hearts through perseverance and faith.

Lenny and Benny Naama Benziman,2021-04-28 Lenny lives on the edge of the forest. He spends his days tending his roses, drinking cocoa and practicing for jumping competitions. He can jump further than anyone in the forest; not even the flea, frog or squirrel can beat him. Until Benny turns up. Lenny and Benny have the best time in the world together but when Lenny realizes that Benny can jump further than he can, he accuses him of cheating and lying and refuses to see him ever again. Time passes and Benny decides to have a party. He invites everybody except Lenny, but the postman accidentally delivers an invitation anyway. Lenny, ready to be friends again, is delighted. However, when he turns up, Benny is enraged, calls him a liar and says he never wants to see him again. But Lenny and Benny did once have the best time in the world together. Is any argument worth losing such a great friendship over? Inspired by the midrash about Kamtza and Bar-Kamtza, in which an inter-communal squabble ultimately leads to the destruction of the Second Temple, this is a story about the importance and joy of friendship, the futility of conflict and how destructive an unresolved argument can be.

All of them, along with a few local cops and a homeless vet are about to step into a war, ages old, between the very first families of good and evil. There are many innocents to save and battles to be fought. Lenny Bruce Is Dead Jonathan Goldstein,2010-05-07 Hysterically, morbidly, poignantly funny first novel about a young Jewish man living in Montreal and contending with the death of his mother and life with a confused, ineffectual father and a series of beautiful, damaged women. Woody Allen meets J.D. Salinger meets Leonard Cohen...

Lenny Laura McVeigh,2022-03 Ten-year old Lenny wants to save his home, Roseville, Louisiana, from the sinkhole that threatens to destroy it. His mother, Mari-Rose, unable to cope and dreaming of a better life, has abandoned him. His father, Jim, has returned from war suffering from PTSD. Lenny is homeless, sleeping rough in the bayou swampland, and his only true friends in the world are young Lucy Albert, the lonely town librarian, and long-retired schoolteacher Miss Julie Betterdine Valéry - who is still waiting on the return of her husband, Stanley, sent to war in Korea in 1952. Travelling between two storylines - the first taking place in 2011 in the Ubari Sand Sea in Libya, the second along the banks of False River, Louisiana, when the ripple effects of the Great Recession, pollution, environmental destruction and the rapidly rising waters are causing whole towns to empty out all along the Bayou, LENNY is a story about how we treat our planet and each other. It examines the nature of time and reality, conflict, family and love, and explores how hope and imagination can save us.--

Let Love Rule Lenny Kravitz,David Ritz,2020-10-06 THE NEW YORK TIMES BESTSELLER "I see my story as a suite of songs that have a magical connection." Let Love Rule is a work of deep reflection. Lenny Kravitz looks back at his

life with candor, self-scrutiny, and humor. “My life is all about opposites,” he writes. “Black and white. Jewish and Christian. The Jackson 5 and Led Zeppelin. I accepted my Gemini soul. I owned it. I adored it. Yins and yangs mingled in various parts of my heart and mind, giving me balance and fueling my curiosity and comfort.” Let Love Rule covers a vast canvas stretching from Manhattan’s Upper East Side, Brooklyn’s Bedford-Stuyvesant, Los Angeles’s Baldwin Hills and Beverly Hills, and finally to France, England, and Germany. It’s the story of a wildly creative kid who, despite tough struggles at school and extreme tension at home, finds salvation in music. We see him grow as a musician and ultimately become a master songwriter, producer, and performer. We also see Lenny’s spiritual growth—and the powerful way in which spirit informs his music. The cast of characters surrounding Lenny is extraordinary: his father, Sy, a high-powered news executive; his mother, Roxie Roker, a television star; and Lisa Bonet, the young actress who becomes his muse. The central character, of course, is Lenny, who, despite his great aspirational energy, turns down record deal after record deal until he finds his true voice. The creation of that voice, the same voice that is able to declare “Let Love Rule” to an international audience, is the very heart of this story. “Whether recording, performing, or writing a book,” says Lenny, “my art is about listening to the inspiration inside and then sharing it with people. Art must bring the world closer together.”

Lenny Julian Barry,1984
Lenny and Mel's Summer Vacation ,2003 Lenny and Mel kick off their incredible summer vacation by doing something huge, something they haven't done since last summer: nothing. They loaf. They doze. They dig into the fridge and come up with new and exciting lunch foods. They're bored -- and it's great! Then August hits, and it's time to go to the cabin. This means piling into the car with Grandma and their parents at the crack of dawn, and driving miles away to breathe fresh air, climb trees, and play with sticks. Yuck. Dad says it'll be an adventure. But Lenny and Mel know this is parent code for bad stuff. Why can't they just do what they want this summer?

Lenny's Neighborhood Kurt Reetz,2000-06-01 Lenny's jokes about his neighbors hairdo come back to haunt him when a mistake by the barber sends him out with his own silly haircut.

Nailed! Christopher Frankie,2013-04-02 Nailed! is a dramatic biography of Lenny Dykstra—the heroic center fielder for the New York Mets and Philadelphia Phillies in the '80s and '90s whose gritty play earned him the nickname “Nails.” Dykstra's unlikely post-baseball rise in the business world is a success story that is only matched by the sordid tale of his ultimate downfall. From famously receiving financial guru Jim Cramer's ringing endorsement as “one of the best” stock prognosticators, to hanging out with Charlie Sheen and numerous prostitutes, to holding court in his 15 million California home, Dykstra lived a highflying lifestyle. He was the toast of the business world before his litany of crimes were detected and his empire began to unravel in 2009, leading to a conviction and prison sentence in 2012 with more charges pending. Through compelling storytelling supported by extensive research and documentation—including interviews with many of Dykstra's friends, family, and business associates—Nailed! Peels back the layers of this onion to reveal that the criminal charges of grand theft auto, identity theft, vandalism, lewd behavior, sexual assault, and more are just the tip of the iceberg. This is an engaging read of a sports and business hero gone bad.

Lenny the Leprechaun Margaret McShannock,2013-12-18 The Leprechauns are under threat of the humans invading their domain. Their numbers have been dwindling over the centuries and the last of the Leprechauns in Ireland have sought sanctuary in the north of Ireland, high in the mountains of Mourne. Lenny, who is about to celebrate his 11th Birthday is disillusioned with his way of life that has changed substantially in the last 7 years, living underground in the roots of the trees during daylight and only coming out at night as the fear of the humans now discovering them has increased. Everything changes when a family of Leprechauns disappear, Lenny, his grandfather, and his friend Soil, are caught up in danger as they go looking for help in the most unlikely places. Betrayed by the Sprites, Lenny and Soil, now separated from the other Leprechauns, have to fight for their survival in a harsh environment as they encounter mythical and magical creatures along the way.
