Dear Leona Frank Skidmore,2015-11-18 Did you ever wonder how your grandparents met? This book presents the story of the editor's grandparents and offers a taste of small town life in the 1890's Catskill Mountains. It begins with a mystery box in the 1990's, a tragic death of the mother of two young boys, a shunning of a long-respected village resident and details of the six month distant courtship. All of this leading to the marriage of his grandparents – Leona Tinklepaugh and Morris Skidmore. This love story also provides a look at two villages in the Western side of the Catskills – Worcester and Summit -with glimpses into Jefferson, NY. Throughout are the names of many other residents in that area. Readers may find members in their own family trees, perhaps, as for the editor, with surprising connections.

There Plant Eyes M. Leona Godin,2021-06-01 From Homer to Helen Keller, from Dune to Stevie Wonder, from the invention of braille to the science of echolocation, M. Leona Godin explores the fascinating history of blindness, interweaving it with her own story of gradually losing her sight. “[A] thought-provoking mixture of criticism, memoir, and advocacy. —The New Yorker *There Plant Eyes* probes the ways in which blindness has shaped our ocularcentric culture, challenging deeply ingrained ideas about what it means to be “blind.” For millennia, blindness has been used to signify such things as thoughtlessness (“blind faith”), irrationality (“blind rage”), and unconsciousness (“blind evolution”). But at the same time, blind people have been othered as the recipients of special powers as compensation for lost sight (from the poetic gifts of John Milton to the heightened senses of the comic book hero Daredevil). Godin—who began losing her vision at age ten—illuminates the often-surprising history of both the condition of blindness and the myths and ideas that have grown up around it over the course of generations. She combines an analysis of blindness in art and culture (from King Lear to Star Wars) with a study of the science of blindness and key developments in accessibility (the white cane, embossed printing, digital technology) to paint a vivid personal and cultural history. A genre-defying work, *There Plant Eyes* reveals just how essential blindness and vision are to humanity's understanding of itself and the world.

My Name is Leona Carol Gahara Harris,2013 Leona, a little girl who does not like her name, finds out that her name was picked just for her, on purpose, with love, and deliberately, by her parents.

Leona's Legacy Kelly Simons,2002 Leona Ahnen grew up a confirmed tomboy on her family's Southern Wisconsin farm during the 1930s, in the depths of America's Great Depression. Her poignant story, as told to friend and author Kelly Simons, is the recounting of the mutual struggle and never-

ending work that bound her family and neighbors to the land and to each other. Leona's Legacy is a heartfelt, true tale of shared toil and celebration, gentle laughter and quiet fear, real suffering and honest joy. Leona's Legacy will take you back to a time when life was hard but simple, work physically demanding but satisfying, and children's imaginations powered them through adventures with Tom Mix and The Lone Ranger as they sat enthralled next to a crystal-powered radio set. Join Leona and her grade school classmates as they scheme to undermine a strict new teacher, go along for a wild ride on a runaway hay wagon, and feel the hair stand up on your neck during family ghost stories. Readers of all ages will appreciate this nostalgic trip over the back roads and barnyards of a rural America still untouched by the horror and cynicism of World War II. Let Leona's Legacy remind you of the real people and community values that still make our country strong. Book jacket.

Star Darlings: Leona's Unlucky Mission Ahmet Zappa, Shana Muldoon Zappa, 2016-01-05 Leona is very focused on her studies and is especially busy as the lead vocalist in the Star Darlings band. Star-Zaps start buzzing, and the girls know it's probably time for one of them to head to Wishworld. It's Leona's turn, and she's bursting with excitement. She can't wait to get there and become a successful Wish-Granter. But she'll have to challenge herself to put her own desires aside and truly understand what her Wisher needs—before her Countdown Clock runs out of time.

Leona and Ike Juanita Havill, 1992 Leona discovers the ups and downs of friendship with her new neighbor Ike. Sequel to *It always happens to Leona*.

It Always Happens to Leona ,

Leona Jenny Rogneby, 2015-05-26 En eftermiddag i det centrale Stockholm går en syvårig pige, nøgen og blodig, ind i en bank og truer sig til et million beløb, som har held med at få med sig derfra. Det usædvanlige røveri får hurtigt pressens fulde bevågenhed. Den unge efterforsker ved det svenske kriminalpoliti Leona Lindberg står i spidsen for opklaringen. Leona er kendt for sit fremragende politihåndværk, men er samtidig en outsider i korpset, en kontroversiel enspænder, der ofte anvender retuortodokse metoder i sin vej mod en opklaring. Samtidig lider Leona af en personlighedsforstyrrelse der gør det svært for hende at leve sig ind i andres følelser. Dette gør hende til den fødte efterforsker, da hun kun sjældent lader sig manipulere - men netop Leonas altid nøgterne hjerne og distancerede følelsesliv ville også gøre hende til den perfekte forbryder. LEONA er en krimi om normbrud, nye veje i livet- og skamløs kriminalitet. Om bogen siger forfatter Jenny Rogneby selv: Leona er betjent, kvinde og mor og forventes som sådan at agere på en særlig måde. Når hun ikke gør det, opstår indre og ydre konflikter, som jeg synes er interessante at skildre.

GOD DON'T FORSAKE ME NOW Cynthia Falconer Miller,2015-08-03 This book continues in the life of Raymond, Leona's son, as he carries on the duties at the Assistance House that his mother had started years ago. Although this book will show the softer side of Raymond and his family, we also see the effects of abuse. Raymond is forced to face the brutality of his biological father his mother had gathered the strength to leave shortly after giving birth to Raymond. Never had his mother said a bad word about George Mackey Jr. but George shows a side of himself that even Leona could not have imagined possible of the beast she had been forced to marry. Like his mother, Raymond stands his ground against the terror George causes at both ranches that are home to Raymond, but also rises above the tragedy that George leaves in his wake.

Leather and Lace Leona Horath,2016-01-25 Leather and Lace By Leona Faye Horath Leather and Lace took 43 years to write because Leona Faye Horath only writes her heart-warming poetry when inspired. This is a masterpiece – it touches your heart and, from cover to cover, drips with creativity. You will want to buy Leather and Lace for the special people in your life. It was inspired by God. This is a great collection of poems to enjoy and share.

Any Means Necessary Jenny Rogneby,2019-02-12 Jenny Rogneby is the new queen of Nordic noir. Her heroine is like no one else. And the way she writes! She grabs you and you just can't stop reading. –David Lagercrantz, author of the #1 best-selling *The Girl in the Spider's Web* In the highly anticipated sequel to *Leona: The Die Is Cast*, a corrupt detective deals with the emotional fallout of her actions while investigating a terrorist attack in the heart of Stockholm. A man blows himself up outside the Parliament House in Stockholm, but miraculously survives. Was he a lone wolf, or are there more heinous acts to follow? Leona Lindberg is put on the case. But Leona, who has barely escaped her trials from the last case, is focused on other things. Her family is shattered, she is living under threat, and desperately needs liquid assets. It's lucky then, that she can think outside the box like no other detective. With one foot on each side of the law, she mounts a special operation of grand proportions. And the higher the risk, the higher the rewards.

St. Landry-Up from Slavery Then Came the Fire!! Leona W. Smith,2011-09-21 Note: This isn't another Mississippi Burning or another Roots!! It's a true family legacy!! (Find it on Goodreads.com) From a child, Leona W. Smith was always intrigued by family stories told to her by her parents, grandparents, and close family friends. Birthed out of the intense desire of her mother (Shirley Mae LaVergne Williams) to discover more about her paternal roots, Leona set out on a journey to research her familys history and discovered some amazing truths about her ancestors. Told through family

records and stories handed down through many generations and through the use of true to life accounts obtained from Federal Slave Narratives set in Louisiana, *St. Landry Up From Slavery Then Came the Fire!!* is an epic story deeply rooted in historical fact that spans over 300 years of the LaVergne and Williams families. From the shores of Africa to the rice fields of St. Landry Parish, Louisiana and beyond, *St. Landry Up From Slavery Then Came the Fire!* explores the hardships, struggles, defeats and triumphs endured by the families through the cruel injustices of slavery, classism and racism. Most importantly, it also explores the families resolute faith in God and gives documented accounts and firsthand testimonies of the amazing, miraculous power of God at work in their lives down through the generations that has left a legacy of hope, courage, and success that still endures today.

The Perfect Fall Leona Lamb, 2013-05-23 Ex-submariner, now English professor, Chad Bentley knows all about words and being kept in the dark while underwater. Then he meets a preacher's daughter, who floods his heart with light and love. Later, the word forgiveness almost sinks his ship. Divinity Stone is as sweet as candy but as unrelenting as a jawbreaker. Refusing to settle for a mate, who doesn't measure up to her list, could guarantee she'll remain single. She meets Chad and compares herself to her list, realizing she doesn't measure up.

It Always Happens to Leona Juanita Havill, 1991-03-20 Feeling left out between her older sister and younger brother, Leona decides to run away with Uncle Rosco, a motorcycle racer.

The Adventures of Phoenix and Leona Tony Lan, 2021-04-25 Phoenix and Leona are two sisters with super powers. Join them as they go on amazingly fantastic adventures.

Silent Witness Leona Karr, 2008-04-01 Colorado detective Ryan Darnell found the quiet of his small mountain town shattered when a young, hearing-impaired boy witnessed a brutal murder. With the help of the boy's summer guardian, Marian Richards, protecting the child became his first priority. Yet as he closed in on the truth behind the crime, Ryan found that sharing long days and even longer nights with the beautiful, brown-eyed Marian was a temptation he couldn't resist. As both the investigation and the summer drew to a close, Ryan knew it was only a matter of time before Marian returned to the city...and left him wanting a future he'd never imagined possible.

Leona, a Love Story Elizabeth Borton de Treviño, 1994 In early nineteenth-century Mexico, sixteen-year-old Leona Vicario, loyal to Spain and engaged to a wealthy widower, struggles to come to terms with her growing revolt against Spain's harsh treatment of Mexicans and her love for a young revolutionary lawyer.

Nabokov Leona Toker,2016-11-01 Vladimir Nabokov described the literature course he taught at Cornell as a kind of detective investigation of the mystery of literary structures. Leona Toker here pursues a similar investigation of the enigmatic structures of Nabokov's own fiction. According to Toker, most previous critics stressed either Nabokov's concern with form or the humanistic side of his works, but rarely if ever the two together. In sensitive and revealing readings of ten novels, Toker demonstrates that the need to reconcile the human element with aesthetic or metaphysical pursuits is a constant theme of Nabokov's and that the tension between technique and content is itself a key to his fiction. Written with verve and precision, Toker's book begins with *Invitation to a Beheading* and follows the circular pattern that is one of her subject's own favored devices.
