Star Trek: The Original Series: Crucible: McCoy: Provenance of Shadows David R. George III,2006-09-01 David R. George's Crucible Trilogy explores the legacy of one pivotal, crucial moment in the lives of the men at the heart of Star Trek -- what led them to it, and to each other, and how their destinies were intertwined. For Doctor Leonard McCoy, life takes two paradoxically divergent paths. In one, displaced in time, he saves a woman from dying in a traffice accident, and in doing so alters Earth's history. Stranded in the past, he struggles to find a way back to his own century. But living an existence he was not meant to, he will eventually have to move on, and ultimately face the shadows born of his lost life. In the other, he is prevented from saving the woman's life, allowing Earth's history to remain unchanged. Returning to the present, he is nonetheless haunted by the echoes of an existence he never lived, and by fears which will bring him full circle to the shadows he never faced.

Doch dann erleidet er einen Unfall und verliert sein Gedächtnis. Leonard William Shatner,David Fisher,2016-02-16 New York Times Bestseller Leonard Nimoy and William Shatner first crossed paths as actors on the set of The Man from U.N.C.L.E. Little did they know that their next roles as Spock and Captain Kirk, in a new science fiction television series, would shape their lives in ways no one could have anticipated. In seventy-nine television episodes of Star Trek and six feature films, they grew to know each other more than most friends could ever imagine. Over the course of half a century, Shatner and Nimoy saw each other through personal and professional highs and lows. In this powerfully emotional book, Shatner tells the story of a man who was his friend for five decades, recounting anecdotes and untold stories of their lives on and off set, as well as gathering stories from others who knew Nimoy well, to present a full picture of a rich life. As much a biography of Nimoy as a story of their friendship, Leonard is a uniquely heartfelt book written by one legendary actor in celebration of another.
