Alfred Lubrano

Limbo Alfred Lubrano,2010-12-22 In *Limbo*, award-winning journalist Alfred Lubrano identifies and describes an overlooked cultural phenomenon: the internal conflict within individuals raised in blue-collar homes, now living white-collar lives. These people often find that the values of the working class are not sufficient guidance to navigate the white-collar world, where unspoken rules reflect primarily upper-class values. Torn between the world they were raised in and the life they aspire to, they hover between worlds, not quite accepted in either. Himself the son of a Brooklyn bricklayer, Lubrano informs his account with personal experience and interviews with other professionals living in limbo. For millions of Americans, these stories will serve as familiar reminders of the struggles of achieving the American Dream.

Limbo Bernard Wolfe,2016-12-15 In the aftermath of an atomic war, a new international movement of pacifism has arisen. Multitudes of young men have chosen to curb their aggressive instincts through voluntary amputation - disarmament in its most literal sense. Those who have undergone this procedure are highly esteemed in the new society. But they have a problem - their prosthetics require a rare metal to function, and international tensions are rising over which countries get the right to mine it . . .

Limbo Dixie Salazar,1995 A single mother's life is the subject of this novel. The protagonist is Cassie Quinlan, the mother of a four-year-old girl, who left her musician husband and now survives by working as a waitress. It's an empty life, she finds.

Limbo A. Manette Ansay,2009-03-17 From childhood, acclaimed novelist A. Manette Ansay trained to become a concert pianist. But when she was nineteen, a mysterious muscle disorder forced her to give up the piano, and by twenty-one, she couldn't grip a pen or walk across a room. She entered a world of limbo, one in which no one could explain what was happening to her or predict what the future would hold. At twenty-three, beginning a whole new life in a motorized wheelchair, Ansay made a New Year's resolution to start writing fiction, rediscovering the sense of passion and purpose she thought she had lost for good. Thirteen years later, still without a firm diagnosis or prognosis, Ansay reflects on the ways in which the unraveling of one life can plant the seeds of another, and considers how her own physical limbo has challenged—in ways not necessarily bad—her most fundamental assumptions about life and faith. Luminously written, *Limbo* is a brilliant and moving testimony to the resilience of the human spirit.

In Limbo A.D. Aliwat,2021-01-21 There's something in the air, but it isn't love. Apocalyptic forces both real and imaginary loom large in this sprawling novel set in 2012 New York City. Ray, an Ivy League grad and struggling fledgling journalist, is a few weeks into trying to make ends meet as a bicycle courier when he mounts an investigation to solve the mystery of his own death. Along the way, he strikes up a strange romance with Haruka—a young woman seeking self-empowerment through a malevolent form of online dating—and finds himself taken under the wing of an exalted, aging academic, Emerson, whose Virgil-like guidance might not be all that it seems. Equal parts zany existential detective story, scathing Web 2.0 sendup, and poignant elegy for what was lost in the smartphone revolution, *In Limbo* asks critical psychological and spiritual questions about what it means to be alive— and human— in the 21st century.

Slake's Limbo Felice Holman,1986-05-31 Artemis Slake, at the age of thirteen, took his fear and misfortune and hid them underground. The thing is, he had to go with them.

Limbo Tales Len Jenkin,1982 In the first play in this book, *Highway*, a man suddenly decides to drive to his girlfriend's house, which is 200 miles away. He becomes obsessed with the thought that each car that passes may be his girlfriend coming to visit him - and as he begins to lose touch with time and place he becomes convinced that he has moved back to another century, another civilization. In the short *Intermezzo*, a Master of Ceremonies announces, in hilarious detail, all the exotic acts that will not be on the bill that evening. In the final play, *Hotel*, a down-on-his-luck encyclopedia salesman sits in a flea-bag hotel room, eating Chinese food which is delivered by a disembodied arm, while listening to the squabbling of his neighbors and contemplating the aridity of his limbo-like existence

Lady Limbo Consuelo Roland,2012 One Friday evening Daniel de Luc, an elusive crime writer with a deep love of poetry, disappears from a Camps Bay apartment while cooking pasta. His wife Paola, desperately worried after days of hearing nothing, is contacted by an eccentric stranger who claims to have known her missing husband under a different name and warns her not to look for him. Paola soon learns that her husband was involved in the shadowy world of the international sex industry, where well-heeled women pay men to become the anonymous fathers of their children. As her neat, controlled existence is turned inside out, Paola struggles to keep a level head and find her own humanity while trying to outwit her enemies and stay alive. The result is a fast-paced thriller that shifts between Cape Town and Paris, blending realism with the fantastic and pitting love against the attraction of sexual adventure.

Limbo Sean Keith Henry,2004-04-01 Pharaoh Chisholm is an American from Trinidad who moves his family to a small city in Norway, and must cope with issues of race and isolation in a homogeneous culture.

Limbo A. Manette Ansay,2001-10-02 From childhood, acclaimed novelist A. Manette Ansay trained to become a concert pianist. But at nineteen, a mysterious muscle disorder forced her to give up the piano, and by twenty-one, she couldn't grip a pen or walk across a room. She entered a world of limbo, one in which no one could explain what was happening to her or predict what the future would hold. At twenty-three, beginning a whole new life in a motorized wheelchair, Ansay made a New Year's resolution to start writing fiction, rediscovering the sense of passion and purpose she thought she had lost for good. Writing fiction began for me as a side effect of illness, a way to live beyond my body when it became clear that this new, altered body would be mine to keep. A way to fill the hours that had once been occupied by music. A way to achieve the kind of closure that, once, I'd found in prayer. *Limbo* takes its title from the Catholic belief in a place between heaven and hell that is neither, one that Ansay imagines as a gray room without walls, a gray floor, a gray bench . . . .You wouldn't know how long you'd been in that room, or how much longer you had to go. Thirteen years and five books later, still without a firm diagnosis or prognosis, Ansay reflects on the ways in which the unraveling of one life can plant the seeds of another, and considers how her own physical limbo has challenged -- in ways not necessarily bad -- her most fundamental assumptions about life and faith. Luminously written, *Limbo* is a brilliant and moving testimony to the resilience of the human spirit.

Limbo Aldous Huxley,2021-02-16 *Limbo* (1920) is a collection of short fiction by English author Aldous Huxley. Mostly satirical, Huxley's novella, play, and four short stories show a promising writer at the very beginning of

his career. In the novella "The Farcical History of Richard Greenow," Huxley satirizes the lives of his friends and acquaintances at Eton and Oxford. Richard Greenow, a young writer, spends his days as a politically engaged academic. At night, however, he writes fiction for women, crafting stories and serialized novels he sells to a prominent women's magazine. Finding success, he realizes there is a woman inside him, a writer named Pearl Bellairs who is as much a part of his identity as Richard Greenow is. When war breaks out, however, he must choose between his principled pacifism and his fear of prison, a decision that pits his two unique identities against one another. "Happily Ever After," a story set during the First World War, follows Peter Jacobsen, "a man with no nationality and no prejudices," as he travels across the Atlantic to visit Pemberton, his old friend from Oxford and a renowned scholar of philosophy. As friends and family converge on the stately Petherton home, a classic comedy of manners ensues. *Limbo* is an early collection of fiction from Aldous Huxley, presaging his satirical and dystopian novels with their abundant wit and unsparing, unmatched ire. With a beautifully designed cover and professionally typeset manuscript, this edition of Aldous Huxley's *Limbo* is a classic of English literature reimagined for modern readers.

Patrick, founder of the Pulpwood Queens Book Clubs and author of *The Pulpwood Queens' Tiara Wearing, Book Sharing Guide to Life Ever since her husband Joe died, Velma True's world has been limited to what she can see while clinging to one of the multicolored threads tied to the porch railing of her home outside Echo, Florida. When a mysterious stranger appears at her door on her birthday and presents Velma with a special gift, she is rattled by the object's ability to take her into her memories—a place where Joe still lives, her son Rudy is still young, unaffected by the world's hardness, and the beginning is closer than the end. As secrets old and new come to light, Velma wonders if it's possible to be unmoored from the past's deep roots and find a reason to hope again. Praise for River Jordan "[River Jordan's] literary spice rack has everything you need to put together a good book."* —Rick Bragg, author of *All Over but the Shoutin'* and *Ava's Man* "River Jordan writes so beautifully." —Joshilyn Jackson, author of *Gods in Alabama* and *The Girl Who Stopped Swimming*
