Surprisingly Down to Earth, and Very Funny: My Autobiography

Limmy,2019-02-21 The hysterical, shocking and incredibly intimate memoir from one of the most original and unique comedians alive today.

Daft Wee Stories Limmy,2015-07-30 DAFT WEE STORIES is Limmy's first book. It is a collection of stories. There are short stories. There are longer stories. There are stupid stories. There are thoughtful stories. There are upside-down stories. There are normal-way-up stories. There are weird stories. There are less weird stories. There are really weird stories. There is nothing else like it. Have a read.

That's Your Lot Limmy,2017-05-04 This is Limmy's second book. It's a whole load of new, odd, and hilariously grim short stories.

That's Your Lot Brian Limond aka Limmy,2017-05-01 This is Limmy's second book. It's a whole load of new, odd, and hilariously grim short stories. Tom is in a soft play with his daughters. He's bored. He's so bored he can move things with his mind. A man fills up a mate's biscuit tin without ever telling him, to see what happens. Maggie's boyfriend Iain bought a curtain. It keeps attacking them. She wants it out the house. A man is sitting in his wheelie bin at two in the morning, and he wants to tell you why. Kenny's mate Scott is suicidal and ridden with guilt. Kenny takes him on holiday to Benidorm. It'll be some laugh. Praise for *Daft Wee Stories*: 'The comedy book of the year.' - Time Out 'Funny, peculiar and original.' - Guardian 'Didn't realise pieces of paper with no pictures on could be so funny. I mean I was cryin' all day yesterday into this book. Hilarious' - Someone on Amazon

Surprisingly Down to Earth, and Very Funny Limmy,2019-02-21 The hysterical, shocking and incredibly intimate memoir from one of the most original and unique comedians alive today. From growing up in a run-down Glaswegian council estate to finding a certain renown as the writer, director, editor and star of his own multi-award-winning sketch show, nothing about Limmy's life has been conventional. From an early age, he always felt like the odd one out, as if he'd missed a crucial lesson in life that everyone else had attended. And that feeling of oddness has never left him. He's always stumbled down his own, peculiar path. From early run-ins with the police as a teenager, running away from a helicopter, to a drink addiction that saw him nearly piss away his life and career, Limmy has struggled with demons, good and bad, for as long as he can remember. As much as he'd love to kill them off, they are also the fuel for his own, very particular sense of humour which has made him one of the most respected and mercurial comic talents alive today. This is no run-of-the-mill comedian's memoir. There is real introspection here, a real quest to try and understand what it is that makes him tick, and why he does the self-destructive things he does. What emerges is a startling and captivating, and unsurprisingly very funny, story of a down-to-earth weirdo with an extraordinary talent, and who has the scars, mental and physical, to show for it.

New Masters of Flash Hoss Gifford,Mary Ann Tan,Yugo Nakamura,Amit Pitaru,Jessica Speigel,Marc Stricklin,Samuel Wan,Erik Natzke,Ross Mawdsley,Mickey Stretton,Brian Limmond,Jonathon Gay,Pete Barr-Watson,Chris Andrade,Gabriel Mulzer,Neil Levine,2013-12-14 Flash has upped the standard for web motion graphics and has been welcomed with open arms on account of its powerful new ActionScripting capabilities. Following the phenomenal success of *New Masters of Flash*, the Flash Annual will bring together a new

collection of the hottest Flash design talents on the planet, all of whom have grabbed attention in the preceding year. **New Masters of Flash: The 2002 Annual** gives competent web artists inspiration for cutting-edge Flash design techniques, as well as hard tutorial information on how to build top class effects. The format builds on the best of the original best-selling title while improving in areas where the first volume was weaker, (e.g. generic customizable code examples), while the talents, the inspirations and effects are all of the moment and represent the mature and expert deployment of the staggering new capabilities of Flash 5 ActionScript. The Flash Annual format: The Intro is a series of 3 field-report essays written by key New Masters from the previous year covering new talents, new techniques and new trends. The main body of the book is then an evolution from the original format. This time, as well as the inspiration and tutorial sections, we add a third section to each chapter, headnotes. Part summary, part chapter commentary, part code overview, the Headnotes section teases out the reusable and generic elements of the previous tutorial and suggests ways forward for the reader.

Tippy Lemmey Pat McKissack, 2003 Tippy Lemmey, the neighborhood dog, is a nuisance and sworn enemy to the local children, but when Tippy gets in trouble, only Leanne, Paul, and Jeannie can help him.

Rory Hobble and the Voyage to Haligogen Maximilian Hawker, 2021-07-08 'This story is full of adventure and heart! A real page turner!' Dani Harmer 'Warm, funny, pacy, endlessly inventive and life-affirming; there are lots of young readers who will identify with Rory' Chris Beckett, Arthur C. Clarke-Award winner Eleven-year-old Rory Hobble has it tough: he gets upsetting thoughts all the time and they won't go away – 'Obsessive Compulsive Disorder (OCD)', the head doctors call it. His mum hasn't been very well for a long while either. Perhaps it's his fault... Maybe that's why she doesn't always feed him; maybe that's why she screams at him. At least Rory has his telescope – gazing at the unchanging stars keeps him calm. But, one night, Rory sees something impossible in the sky: mysterious lights – artificial and definitely not of earthly origin. When his mum is abducted by the shadowy Whiffetsnatcher, Rory – accompanied by his space-faring, care-experienced social worker, Limmy – travels beyond the Earth, chasing those mysterious lights to the frozen ends of the Solar System. Along the way he must outwit a breakaway human civilisation living on a Martian moon; survive the threat of otherworldly monsters; and learn to speak to alien whales. But his greatest challenge left Earth with him and it will take all the courage he has not only to overcome his OCD, but to decide whether he wants to rescue an abusive mother if he gets his chance...

White Line Fever Lemmy Kilminster, 2004-01-01 One of music's most notorious frontmen leads a headbanging, voyeuristic odyssey into sex, drugs, and rock 'n' roll that rivals Motley Crue's *The Dirt* and Aerosmith's *Walk This Way*. He made Keith Richards look like a choirboy and Mick Jagger look like a nun. And as the head of the legendary band Motorhead, he ploughed his way through so many drugs, so many women, and so much alcohol, that he gave a whole new meaning to the term Debauchery. And he changed the face of music, conquering the rock world with such songs as *Ace of Spades*, *Bomber*, and *Overkill* and inventing a whole new form of music--speed metal. At the age of 57, Lemmy Kilminster remains a rock icon, both for his monumental talent and his hedonistic lifestyle. In *White Line Fever*, he recounts his incredible, pleasure-filled, and death-defying journey through music history. Born on

Christmas Eve, 1945, in Wales, to a vicar and a librarian, Ian Fraser Kilmister learned early, he as he forthrightly puts it, what an incredible pussy magnet guitars were. A teenager at the birth of rock 'n' roll, Lemmy idolized Elvis and Buddy Holly and soon joined a band of his own. He would eventually head to London, where he became a roadie for Jimi Hendrix, played in Opal Butterfly, and joined space rockers Hawkwind's lineup in 1971. Four years later, speedfreak Lemmy was fired from the band for doing the wrong drugs. Vowing to form the dirtiest rock 'n' roll band in the world, he formed Motorhead, arguably the heaviest and loudest heavy metal band to ever take the stage. During their twenty-seven-year history, Motorhead would go on to release twenty-one albums, including the #1 record No Sleep 'Til Hammersmith and would earn a Grammys nomination. Lemmy would also cheat death on more than one occasion, most notoriously in 1980, when his doctor told him, I cannot give you a blood transfusion because normal blood will kill you...and your blood would kill another human being, because you're so toxic. But through more than two decades of notorious excess, Lemmy has lived to tell the warts-and-all tale of a life lived over the edge. White Line Fever, a tour of overindulgence, metal, and the search for musical integrity, offers a sometimes hilarious, often outrageous, and always unbridled ride with the leader of the loudest rock band in the world.

Travels from my Twilight Zone Jeff Zycinski, 2020-10-31 Jeff Zycinski's memoir of a Scottish childhood begins as he wakes up in a Dundee hospital after major surgery. As he drifts in and out of consciousness he recalls life as the youngest of eight siblings, a Polish-born father and a Scottish mother, family travels across Scotland, a best pal's method for contacting dead TV stars and why you should never fall madly in love with your teacher. These true-life memories inspire his fictional tales of a stand-up comedian, the memoirs of Goldilocks and what happens when the characters in your dreams decide to go on strike. With Foreword from Ken Bruce, BBC Radio 2

James Acaster's Classic Scrapes - The Hilarious Sunday Times Bestseller James Acaster, 2017-08-24 ****THE SUNDAY TIMES BESTSELLER**** 'I don't think I've ever read a book that has made me cry with laughter as much as this one. It was very difficult reading it in public as I looked like a madman' - Richard Herring James Acaster has been nominated for the Edinburgh Comedy Award five times and has appeared on prime-time TV shows like TASKMASTER, MOCK THE WEEK, LIVE AT THE APOLLO and WOULD I LIE TO YOU? But behind the fame and critical acclaim is a man perpetually getting into trouble. Whether it's disappointing a skydiving instructor mid-flight, hiding from thugs in a bush wearing a bright red dress, or annoying the Kettering Board Games club, a didgeridoo-playing conspiracy theorist and some bemused Christians, James is always finding new ways to embarrass himself. Appearing on Josh Widdicombe's radio show to recount these stories, the feature was christened 'James Acaster's classic scrapes'. Here, in his first book, James recounts these tales (including never-before-heard stories) along with self-penned drawings, in all their glorious stupidity.

UK and Irish Television Comedy Mary Irwin, Jill Marshall, 2023-09-19 This book looks at television comedy, drawn from across the UK and Ireland, and ranging chronologically from the 1980s to the 2020s. It explores depictions of distinctive geographical, historical and cultural communities presented from the insiders' perspective, simultaneously interrogating the particularity of the lived experience of time, and place, embedded within the

wide variety of depictions of contrasting lives, experiences and sensibilities, which the collected individual chapters offer. Comedies considered include Victoria Wood's work on 'the north', Ireland's Father Ted and Derry Girls, Michaela Coel's east London set Chewing Gum, and Wales' Gavin and Stacey. There are chapters on Scottish sketch and animation comedy, and on series set in the Midlands, the North East, the South West and London's home counties. The book offers thoughtful reflection on funny and engaging representations of the diverse, fragmented complexity of UK and Irish identity explored through the intersections of class, ethnicity and gender.

Lost at Sea Jon Ronson, 2013-10-01 New York Times–bestselling author of *The Psychopath Test* Jon Ronson writes about the dark, uncanny sides of humanity with clarity and humor. *Lost at Sea*—now with new material—reveals how deep our collective craziness lies, even in the most mundane circumstances. Ronson investigates the strange things we're willing to believe in, from robots programmed with our loved ones' personalities to indigo children to the Insane Clown Posse's juggalo fans. He looks at ordinary lives that take on extraordinary perspectives. Among them: a pop singer whose greatest passion is the coming alien invasion, assisted-suicide practitioners, and an Alaskan town's Christmas-induced high school mass-murder plot. He explores all these tales with a sense of higher purpose and universality, yet they are stories not about the fringe of society. They are about all of us. Incisive and hilarious, poignant and maddening, revealing and disturbing—Ronson writes about our modern world, and reveals how deep our collective craziness lies, and the chaos stirring at the edge of our daily lives.

Military Comedy Films Hal Erickson, 2012-08-07 Beginning with Charlie Chaplin's *Shoulder Arms*, released in America near the end of World War I, the military comedy film has been one of Hollywood's most durable genres. This generously illustrated history examines over 225 Army, Navy and Marine-related comedies produced between 1918 and 2009, including the abundance of laughspinners released during World War II in the wake of Abbott and Costello's phenomenally successful *Buck Privates* (1941), and the many lighthearted service films of the immediate postwar era, among them *Mister Roberts* (1955) and *No Time for Sergeants* (1958). Also included are discussions of such subgenres as silent films (*The General*), military-academy farces (*Brother Rat*), women in uniform (*Private Benjamin*), misfits making good (*Stripes*), anti-war comedies (*MASH*), and fact-based films (*The Men Who Stare at Goats*). A closing filmography is included in this richly detailed volume.

And Away... Bob Mortimer, 2021-09-16 The number one bestseller and Sunday Times Humour Book of the Year by national treasure Bob Mortimer. 'The most life-affirming, joyful read of the year' - Sunday Times 'Winningly heartfelt' - The Guardian 'A triumph' - Daily Mail Bob Mortimer's life was trundling along happily until suddenly in 2015 he was diagnosed with a heart condition that required immediate surgery and forced him to cancel an upcoming tour. The episode unnerved him, but forced him to reflect on his life so far. This is the framework for his hilarious and moving memoir, And Away... Although his childhood in Middlesbrough was normal on the surface, it was tinged by the loss of his dad, and his own various misadventures (now infamous from his appearances on Would I Lie to You?), from burning down the family home to starting a short-lived punk band called Dog Dirt. As an adult, he trained as a solicitor and moved to London. Though he was doing pretty well (the South London Press once crowned him 'The Cockroach King' after a successful verdict), a chance encounter in a pub in the 1980s with a young comedian going by the name Vic Reeves set his life on a different track. And now, six years on, the heart condition that once threatened his career has instead led to new success on BBC2's Gone Fishing. Warm, profound, and irrepressibly funny, And Away... is Bob's full life story (with a few lies thrown in for good measure.)
